The series is speculative fiction describing an alternative history in which native African people had colonised the European people, rather than the other way around, with Africans having made Europeans their slaves. The series takes place in an alternative 21st-century Britain. Noughts & Crosses (novel series) - Wikipedia Malorie Blackman did an amazing job bringing this world together, almost to well. The story focuses on two main characters, Stephy a Cross, and Callum a Naught. The two are childhood friends, by way of Callum's mom being employed by Stephy's parents. The book follows how they manage their forbidden relationship in a world of pressured segregation. Noughts & Crosses: MALORIE
