 Nearly Found was an improvement from the first book, Nearly Gone and surprisingly had a much better story. Mind you, there were some flaws with it as well as unnecessary drama involved, but I liked the story as a whole. A few months have passed since the events of the previous book. Nearly, who had failed to earn her scholarship, is now taking an internship at a forensics crime lab so it'll ...

 Nearly Found The sequel to the highly praised and intricately plotted Nearly Gone -a YA urban mystery that's perfect for fans of Bones, Numbers, and The Body Finder. When Nearly Boswell starts working as an intern at a crime lab, she's hoping it will give her an advantage when it comes to college applications. But on her first day, a girl from her trailer park turns up dead. Then the corpse ...
