## KAITLIN BARKER

---

**The Power of a Positive No** Basic Books  
 This is a completely new and revised third edition of a bestselling business book. It tells the reader how to make better deals, and is packed with advice on how to handle negotiations whether for big stakes (property, long-term contracts, companies, territories etc) or smaller ones such as getting your car fixed, buying TVs or videos or negotiating with spouses or colleagues. The growing economies of the Pacific Rim, and the changing face of Eastern Europe are addressed in new examples and case studies. Since the publication of the second edition in 1989, Gavin Kennedy has developed other Self Assessment Exercises which are

included, and the text has been made more interactive. It remains a popular, lively and above all useful guide to every aspect of negotiation.

*Negotiating the Nonnegotiable* Createspace Independent Pub  
 Most of us worry that we're not very good negotiators - too quick to concede or too abrupt in our approach. But negotiation is present in almost every social interaction - we cannot avoid it. Neale and Lys present a practical new approach that will help you master this crucial everyday skill in every situation. Instead of focusing on reaching agreement at any cost, Neale and Lys reveal how to overcome our psychological biases and assess the hidden value in any negotiation. They explain how to know what a good deal is; when to negotiate and when to walk away; why keeping a straight face can prevent you from getting

the best deal; when to make the first offer and when to wait; and why meeting in the middle can result in both sides being worse off. Drawing on three decades of ground-breaking research into behavioural economics, psychology and strategic thinking, *Getting (More of) What You Want* will revolutionise the way you approach negotiation. Whether you're looking for a better deal on your new car, asking for a pay rise, selling your company or just deciding who does the washing up, this book will help you become a more successful, more efficient negotiator - and get more of exactly what you want. *You Can Negotiate Anything* Simon and Schuster

We all negotiate on a daily basis. We negotiate with our spouses, children, parents, and friends. We negotiate when we rent an apartment, buy a car, purchase

a house, and apply for a job. Your ability to negotiate might even be the most important factor in your career advancement. Negotiation is also the key to business success. No organization can survive without contracts that produce profits. At a strategic level, businesses are concerned with value creation and achieving competitive advantage. But the success of high-level business strategies depends on contracts made with suppliers, customers, and other stakeholders. Contracting capability—the ability to negotiate and perform successful contracts—is the most important function in any organization. This book is designed to help you achieve success in your personal negotiations and in your business transactions. The book is unique in two ways. First, the book not only covers negotiation concepts, but also provides practical actions you can take in future negotiations. This includes a Negotiation Planning Checklist and a completed example of the checklist for your use in future negotiations. The book also includes (1) a tool you can use to assess your negotiation style; (2) examples of “decision trees,” which are useful in calculating your alternatives if your negotiation is unsuccessful; (3) a three-part strategy for increasing your power during negotiations; (4) a practical plan for analyzing your negotiations based on your reservation price, stretch goal, most-likely target, and zone of potential agreement; (5) clear guidelines on ethical standards that apply to negotiations; (6) factors to consider when deciding whether you should negotiate through an agent; (7) psychological tools you can use in negotiations—and traps to avoid when the other side uses them; (8) key elements of contract law that arise during negotiations; and (9) a checklist of factors to use when you evaluate your performance as a negotiator. Second, the book is unique in its holistic approach to the negotiation process. Other books often focus narrowly either on negotiation or on contract law. Furthermore, the books on negotiation tend to focus on what happens at the bargaining table without addressing the performance of an agreement. These books make the mistaken assumption that success is determined by evaluating the negotiation rather than evaluating the performance of the agreement. Similarly, the books on contract law tend to focus on the legal requirements for a contract to be valid, thus giving short shrift to the negotiation process that precedes the contract and to the performance that follows. In the real world, the contracting process is not divided into independent

phases. What happens during a negotiation has a profound impact on the contract and on the performance that follows. The contract’s legal content should reflect the realities of what happened at the bargaining table and the performance that is to follow. This book, in contrast to others, covers the entire negotiation process in chronological order beginning with your decision to negotiate and continuing through the evaluation of your performance as a negotiator. A business executive in one of the negotiation seminars the author teaches as a University of Michigan professor summarized negotiation as follows: “Life is negotiation!” No one ever stated it better. As a mother with young children and as a company leader, the executive realized that negotiations are pervasive in our personal and business lives. With its emphasis on practical action, and with its chronological, holistic approach, this book provides a roadmap you can use when navigating through your life as a negotiator.

From the authors of *Women Don’t Ask*, the groundbreaking book that revealed just how much women lose when they avoid negotiation, here is the action plan that women all over the country requested—a guide to negotiating anything effectively using strategies that feel comfortable to you as a woman. Whether it’s a raise, that overdue promotion, an exciting new assignment, or even extra help around the house, this four-phase program, backed by years of research and practical success, will show you how to recognize how much more you really deserve, maximize your bargaining power, develop the best strategy for your situation, and manage the reactions and emotions that may arise—on both sides. Guided step-by-step, you’ll learn how to draw on your special strengths to reach agreements that benefit everyone involved. This collaborative, problem-solving approach will propel you to new places both professionally and personally—and open doors you thought were closed.

[Negotiating for Success: Essential Strategies and Skills](#) Bantam

The ups and downs of negotiating can be challenging enough at home. But when people put themselves in another country—where the customs and conventions are often radically different—they’ve got a recipe for awkwardness and confusion at best, disappointment and disaster at worst. This new, updated edition of this long-trusted guide provides readers with the savvy they need to negotiate with finesse and

ease, no matter where they are. The book provides expert advice on business practices, transactions, and attitudes throughout the world. Now expanded to include 63 countries, the book has been updated to reflect changes in the international scene as well as up-to-the-minute topics like foreign outsourcing and multicultural work teams that increasingly characterize present-day work relationships. Organized in an easy-to-access, quick-reference format, this bestselling guide is a passport to worldwide negotiation skills—and greater business success.

[Trump: The Art of the Deal](#) Penguin

In this long awaited book, bestselling author Cohen offers a new—and humorous—look at the art and practice of negotiation in the 21st century.

[How to Negotiate Everything](#) Bantam

In *Negotiating Rationally*, Max Bazerman and Margaret Neale explain how to avoid the pitfalls of irrationality and gain the upper hand in negotiations. For example, managers tend to be overconfident, to recklessly escalate previous commitments, and fail to consider the tactics of the other party. Drawing on their research, the authors show how we are prisoners of our own assumptions. They identify strategies to avoid these pitfalls in negotiating by concentrating on opponents’ behavior and developing the ability to recognize individual limitations and biases. They explain how to think rationally about the choice of reaching an agreement versus reaching an impasse. A must read for business professionals.

[Animal Farm](#) Milkyway Media

‘Negotiation is not just a process, it’s an attitude’—one that we all can learn. Patrick Collins, an internationally recognized expert on the subject, offers an original, comprehensive guide to maximizing negotiation skills, whether in a one-on-one encounter or a larger, more formal negotiating session. What he offers is much more than just a guide to “magic words” or a collection of case studies; Collins provides a hard-working handbook on assessing situations and pinpointing the appropriate techniques for any given circumstance.

Master negotiator Herb Cohen has been successfully negotiating everything from insurance claims to hostage releases to his own son’s hair length and hundreds of other matters for over five decades. Ever since coining the term ‘win-win’ in 1963, he has been teaching people the world over how to get what they want. In clear, accessible steps, he reveals how anyone

can use the three crucial variables to always reach a win-win negotiation. With the tools and skill sets he has devised, the power of getting what you deserve is now a practical necessity you can fully master.

**Negotiating Skills** John Wiley & Sons Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

*Ask For It* Simon and Schuster

NEW YORK TIMES BESTSELLER • Learn the negotiation model used by Google to train employees worldwide, U.S. Special Ops to promote stability globally (“this stuff saves lives”), and families to forge better relationships. A 20% discount on an item already on sale. A four-year-old willingly brushes his/her teeth and goes to bed. A vacationing couple gets on a flight that has left the gate. \$5 million more for a small business; a billion dollars at a big one. Based on thirty years of research among forty thousand people in sixty countries, Wharton Business School Professor and Pulitzer Prize winner Stuart Diamond shows in this unique and revolutionary book how emotional intelligence, perceptions, cultural diversity and collaboration produce four times as much value as old-school, conflictive, power, leverage and logic. As negotiations underlie every human encounter, this immediately-usable advice works in virtually any situation: kids, jobs, travel, shopping, business, politics, relationships, cultures, partners, competitors. The tools are invisible until you first see them. Then they’re always there to solve your problems and meet your goals.

*You Can Negotiate Anything* Citadel

A life strategy guide by the creator of the Spartan Race explains how the principles that bring about success in an extreme sports environment can help anyone achieve his or her full potential in life, business, and relationships.

**How to Negotiate Anything with Anyone Anywhere Around the World** AMACOM

“One of the most important books of our modern era” –Amb. Jaime de Bourbon For anyone struggling with conflict, this book can transform you. Negotiating the Nonnegotiable takes you on a journey into the heart and soul of conflict, providing unique insight into the emotional undercurrents that too often sweep us out to sea. With vivid stories of his closed-door sessions with warring political groups, disputing businesspeople, and families in crisis, Daniel Shapiro presents a universally applicable method to successfully navigate conflict. A deep,

provocative book to reflect on and wrestle with, this book can change your life. Be warned: This book is not a quick fix. Real change takes work. You will learn how to master five emotional dynamics that can sabotage conflict outside your awareness:

1. Vertigo: How can you avoid getting emotionally consumed in conflict? 2. Repetition compulsion: How can you stop repeating the same conflicts again and again? 3. Taboos: How can you discuss sensitive issues at the heart of the conflict? 4. Assault on the sacred: What should you do if your values feel threatened? 5. Identity politics: What can you do if others use politics against you? In our era of discontent, this is just the book we need to resolve conflict in our own lives and in the world around us. [How to Negotiate Anything with Anyone Anywhere Around the World](#) Ballantine Books

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.’s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job

talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

**Nobody Will Play with Me** Business Plus A member of the world renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. A member of the world-renowned Program on Negotiation at Harvard Law School introduces the powerful next-generation approach to negotiation. For many years, two approaches to negotiation have prevailed: the “win-win” method exemplified in *Getting to Yes* by Roger Fisher, William Ury, and Bruce Patton; and the hard-bargaining style of Herb Cohen’s *You Can Negotiate Anything*. Now award-winning Harvard Business School professor Michael Wheeler provides a dynamic alternative to one-size-fits-all strategies that don’t match real world realities. The Art of Negotiation shows how master negotiators thrive in the face of chaos and uncertainty. They don’t trap themselves with rigid plans. Instead they understand negotiation as a process of exploration that demands ongoing learning, adapting, and influencing. Their agility enables them to reach agreement when others would be stalemated. Michael Wheeler illuminates the improvisational nature of negotiation, drawing on his own research and his work with Program on Negotiation colleagues. He explains how the best practices of diplomats such as George J. Mitchell, dealmaker Bruce Wasserstein, and Hollywood producer Jerry Weintraub apply to everyday transactions like selling a house, buying a car, or landing a new contract. Wheeler also draws lessons on agility and creativity from fields like jazz, sports, theater, and even military science. *Negotiating the Sweet Spot* Simon and Schuster

There’ll be no more hearing “no” after this clever picture book teaches you how to get everything you want. Includes audio! Have you ever wanted something and been told “No”? Then this is the book for you. Through several simple steps, you will learn the best way to ask for what you want, how to ask for more of what you want, and the importance of not overreaching. With helpful illustrations and a complete glossary, there is no end to what these skills can get you. Straight out of the pages of the New York Times bestselling *Trail of the Spellmans*, authors David Spellman and Lisa Lutz and illustrator Jaime Temairik show you that it is possible to negotiate for everything. Even an elephant!

*Getting (More of) What You Want*  
Ballantine Books

We negotiate constantly. In work, and in life. As we try to get the 'best deal', it can feel like a tug of war - without the fun. Yet what if the process was more collaborative, and even laid the foundations for a strong future relationship? In *Do Deal*, music lawyers Richard Hoare and Andrew Gummer share their refreshing approach to negotiation. Not only has it led to major record deals and enduring creative partnerships, but also a reputation for getting the deal done without leaving both parties bruised and battered. Now, they will help you to: - Identify your natural negotiating style - Develop strategies to deal with difficult situations (and people) - Build trust and negotiate more collaboratively - Think creatively to enrich deal terms With case studies from Glastonbury Festival and films such as *True Grit*, this is an essential read before any negotiation. Soon you'll be approaching the bargaining table with new skills and greater confidence, regardless of the cards you're holding. Deal?

*Trouble at the Watering Hole (Hindi Translation)* HarperCollins Leadership Go BOOKS offers an in-depth look into some of the most popular and informative books of the last two decades. **You Can Negotiate Anything** Random House

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."—The New York Times "Donald Trump is a deal maker. He is a

deal maker the way lions are carnivores and water is wet."—Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."—Boston Herald "A chatty, generous, chutzpa-filled autobiography."—New York Post *Getting (More Of) What You Want* Amacom Books
