Too Cute to Spook WestBow Press

This board book version of Amelia Earhart--an international bestseller from the beloved Little People, BIG DREAMS series--introduces the youngest dreamers to the world-famous aviation pioneer. When Amelia was young, she liked to imagine she could stretch her wings and fly away like a bird. As a grown woman, she set a new female world record for flying up to 14,000 feet. She also flew across the Atlantic and the Pacific oceans, and eventually undertook the most dangerous mission of all: to fly all the way around the world. Babies and toddlers will love to snuggle as you read to them the engaging story of this fascinating icon, and will also enjoy exploring the stylish and quirky illustrations of this sturdy board book on their own. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a

dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

 Embrace the power of storytelling with Little Stories of Your Life. Start telling your own story, find your creative self and be more mindful. Combining the wellbeing benefits of mindfulness, creativity and daily photography, this book shows you how to use words and photographs to capture precious little moments and how to share these in order to connect with others. Each chapter explores the different ways you can tell your own stories, considers why you might choose to tell them and helps you to create a patchwork of tiny tales about your life, however small they might be. Throughout the book, Laura shares her own

personal stories and research that shows you how to tune out of the bigger picture and focus on the everyday. There are exercises to gently guide you through how to journal and harness your inner creativity, as well as tips on improving your photography, photo challenges and writing prompts to get you started. It's easy to feel that our own lives are not enough, but real lives are not defined by bright, exciting events: we don't need a grand narrative arc. It's the stretches of time in between that matter, the tiny moments and the daily choices that make us who we are. *Whoever Heard of a Flying Bird?* Simon and Schuster

In this book from the critically acclaimed Little People, BIG DREAMS series, discover the life of David Attenborough, the inspiring broadcaster and conservationist. Little David grew up in Leicester on the campus of a university, where his father was a professor. As a child, he spent hours in the science library, collating his own specimens and creating a mini animal museum. When he was old enough to go to university, he studied science and zoology--but what he wanted most of all was to be close to the animals he was studying. So, he started working in television, visiting animals in their natural habitats, and telling the world the untold stories of these animals. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the broadcaster's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. Stories for Children 2 Usborne Books

Teach your children the power of Kindness, one of the most important skills a child can learn. Are you one of 90 percent of American parents, saying that one of their top priorities for their kids is to be caring? This makes sense: Kindness and concern for others are held as moral virtues in nearly every society and every major religion. The best book for raising kind children. This charming story with gentle rhymes and colorful illustrations will explain to your child that it is okay to make a mistake and say I'm sorry. Lucas will teach your child good manners and positive behaviour at home, at school, in the store, and on the playground. Kids learn best by example. With the perfect examples, this book offers, your child will have more understanding for others, accept differences, and show more empathy. Throughout the story, little Lucas will learn what kindness means and understand what it is like to be kind, sensitive, caring, and generous. Practice Random Acts of Kindness. Also included are Acts of Kindness Ideas to promote empathy and kindness. Kindness is something you can quickly learn: when you give and ask for nothing in return. Helping others is the least you can do. If you are kind, kindness will come back to you. "Kindness is my Superpower" is intended for children of all ages. We warmly recommend it to parents, teachers, and anyone who works with children.

Winner: CLC Seal of Approval 2017 Literary Classics Book Awards, Silver, Preschool/Early Reader Fantasy Finalist: 2017 Literary Classics Book Awards 2017 PNBA Long-List When Ethan looks under the bed for his monster, he finds this note instead: "So long, kid. Gotta go. Someone needs me more than you do. -Gabe" How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of *I Need My Monster*, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

The gnarble wants nothing more than to swim up above the waters to see the blue sky, but gnarbles don't have flappers like blyfish do, and gnarbles don't even have koggers like the swimming gungaloo! But though gnarbles never swim so high, this particular gnarble is determined to see the sunlit sky. He swims past spongy gishy-gosh and feeding fipple-fosh, but who would think the little gnarble could pass the hungry warckel, subbaubble, and—most dangerous of all—the evil plink?! Daniel Errico's charming nonsense rhymes and Tiffany Turrill's vivid, expressive illustrations combine beautifully in this entertaining story of a little fish on a big mission. Kids will giggle aloud at crazy creatures with names like gishy-gosh and glimmy glins; parents will love snuggling up with their children to read about the little gnarble's escapades in this wacky world of silly sea creatures. Join the little gnarble on his unforgettable journey from the ocean floor to the shining sun!

This enhanced eBook features read-along narration. A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he

doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. *Read Aloud Bedtime Stories* Millbrook Press™

How do you make a garden grow? In this playful companion to the popular *Tap the Magic Tree* and *Touch the Brightest Star*, you will see how tiny seeds bloom into beautiful flowers. And by tapping, clapping, waving, and more, young readers can join in the action! Christie Matheson masterfully combines the wonder of the natural world with the interactivity of reading. Beautiful collage-and-watercolor art follows the seed through its entire life cycle, as it grows into a zinnia in a garden full of buzzing bees, curious hummingbirds, and colorful butterflies. Children engage with the book as they wiggle their fingers to water the seeds, clap to make the sun shine after rain, and shoo away a hungry snail. Appropriate for even the youngest child, *Plant the Tiny Seed* is never the same book twice—no matter how many times you read it! And for curious young nature lovers, a page of facts about seeds, flowers, and the insects and animals featured in the book is included at the end. Fans of *Press Here*, *Eric Carle*, and *Lois Ehlert* will find their next favorite book in *Plant the Tiny Seed*.
