To live among wolves, first you must become one... An unmissable new spy thriller from best-selling master of the genre, Alex Gerlis. War is coming to Europe. British spymaster Barnaby Allen begins recruiting a network of agents in Germany. With diplomatic relations quickly unravelling, this pack of spies soon comes into their own: the horse-loving German at home in Berlin's underground; the young American sports journalist; the mysterious Luftwaffe officer; the Japanese diplomat and the most unlikely one of all... the SS officer's wife. Despite constant danger and the ever-present threats of discovery and betrayal, Allen's network unearths top-secret plans for a new German fighter plane - and a truly devastating intelligence prize... an audacious Japanese plan to attack the United States. But can they prove it? The race is on. An unputdownable and atmospheric Second World War espionage thriller, Agent in Berlin will grip you to the very end. Perfect for readers of David Young, Robert Harris and Rory Clements.

George is hardly bigger than a child's middle finger. His knees and his elbows don't bend and his legs are fused together. When Katie and Mackenzie find him at the edge of the ocean, they are unimpressed, but George keeps turning up in their lives. And what may seem ordinary to a girl and a boy can be an awesome adventure if you are six centimeters tall.

"Crybaby, Crybaby!" That's what Russell calls Elisa whenever she gets upset, and she hates it. Elisa does get frustrated sometimes, like when she can't wear her favorite red shirt to school. But that doesn't mean she can't do other things -- like trade her mittens for a tooth so that the tooth fairy will come sooner, or have a beach party in the middle of winter -- whenever and however she wants!"

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map,

McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

A broken fence and an animal on the loose take center stage in book three of the series from a two-time Newbery Honor winning author. Alex loves living

on Zoo Lane, especially because he gets to visit his favorite animal in the world: the red panda. When he finds a hole in the zoo's fence, it presents the perfect opportunity to sneak into the zoo before school to see his beloved furry creatures. What Alex doesn't realize is that the broken fence will cause more problems than almost getting caught by the security guard. When an animal goes missing in the zoo, can he come clean about the fence? In this third book of the series, two-time Newbery Honor author Patricia Reilly Giff has crafted a lively mystery about conservation, animal care, friendship, and problem-solving. In touch with the programs and initiatives that today's zoos are undertaking, Giff provides readers with a fresh look at the work of zoologists. Charming line artwork by Abby Carter appears throughout and keeps the story upbeat.

**\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in

one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....
