Middle graders will
laugh and cry with
thirteen-year-old
Vanessa Martin as she
tries to be like Vanessa
Williams, the first black
Miss America. In this
semi-autobiographical
debut novel set in
1983, Vanessa Martin's

real-life reality of living with family in public housing in Newark, New Jersey is a far cry from the glamorous Miss America stage. She struggles with a mother she barely remembers, a grandfather dealing with addiction and her own battle with self-confidence. But when a new teacher at school coordinates a beauty pageant and convinces Vanessa to enter, Vanessa's view of her own world begins to change. Vanessa discovers that her own self-worth is more than the scores of her talent performance and her interview answers, and that she doesn't need a crown to be comfortable in her own skin and see her own true beauty. "It's such an honor to be the focal point of this

wonderful book! Without a doubt, it will be inspiring to a new generation of young, talented girls well on their way to promising careers." --Vanessa Williams, Multi-Platinum Recording Artist, New York Times Best-Selling Author, Fashion Designer and star of Television, Film and the Broadway Stage "Like Vanessa has it all and then some! Gritty, poetic, emotionally true, Tami Charles wrings out every hope, every stumble and every triumph of a girl on an uneasy road to possessing her self, her strength and her own beauty. An unforgettable debut." -- Rita Williams-Garcia, author of One Crazy Summer and P.S. Be Eleven ♦ "This debut is a treasure: a gift to

every middle school girl who ever felt unpretty, unloved, and trapped by her circumstances."—

Kirkus Reviews

STARRED REVIEW ♦

"Charles evades the clichés and imbues Vanessa with an inner life that's so real and personal it's hard to deny the charm, heartbreak, and triumph of her story. . .

. Superb."— Booklist

STARRED REVIEW ♦

"Like Vanessa is an emotionally potent, engaging young adult story with a heroine whom it is impossible not to root for. The life lessons that Nessy learns are relevant and worthwhile for

everyone."— Foreword Reviews STARRED REVIEW

"[A] joyously peculiar book." -- The New York Times 'Bjarnason's intriguing book might be about a cold place, but it's tailor-made to be read on the beach.' --New Statesman The untold story of how one tiny island in the middle of the Atlantic has shaped the world for centuries. The history of Iceland began 1,200 years ago, when a frustrated Viking captain and his useless navigator ran aground in the middle of the North Atlantic. Suddenly, the island was no longer just a layover for the Arctic

tern. Instead, it became a nation whose diplomats and musicians, sailors and soldiers, volcanoes and flowers, quietly altered the globe forever. How Iceland Changed the World takes readers on a tour of history, showing them how Iceland played a pivotal role in events as diverse as the French Revolution, the Moon Landing, and the foundation of Israel. Again and again, one humble nation has found itself at the frontline of historic events, shaping the world as we know it, How Iceland Changed the World paints a lively picture of just how it all happened. Mellencamp Simon and Schuster THE AMERICAN PAGEANT enjoys a reputation as one of

the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting

perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the

ebook version.

All the Single Ladies
Stanford University
Press

Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her

station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . .

Who Owns History?
Houghton Mifflin

College Division
A New York Times Bestseller Megan Mullally and Nick Offerman reveal the full story behind their epic romance—presented in a series of intimate conversations between the couple, including photos, anecdotes, and the occasional puzzle. The year: 2000. The setting: Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play, and a basement-dwelling scenic carpenter said he would assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members, determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter, and like a

bolt of lightning the thought struck her: no dice. Moving on. Yet, unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher...that fired a love rocket (not a euphemism). The players were Megan Mullally and Nick Offerman, and the resulting romance, once ignited, was...epic. Beyond epic. It resulted in a coupling that has endured to this day; a sizzling, perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low-brow humor, and true (fire emoji) passion. How did they do it? They came from completely different families, ignored a significant age difference, and were separated by the

gulf of several social strata. Megan loved books and art history; Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context, and an abiding obsession with the songs of Tom Waits. Eighteen years later, they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they've learned, and the myriad jigsaw puzzles they've completed. Presented as an oral history in a series of conversations between the couple, the book features anecdotes, hijinks,

photos, and a veritable grab bag of tomfoolery. This is not only the intoxicating book that Mullally's and Offerman's fans have been waiting for, it might just hold the solution to the greatest threat facing our modern world: the single life.

Book One of the Century Trilogy

Cengage Learning
Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well

as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's subsections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

[A Massively Collaborative Open U.S. History Textbook, Vol. 1: To 1877](#)

American Pageant
Modern man Mike de Wolf gets stranded in a pirate adventure being written by his friend Horace Hackett and finds himself fighting for his life as the villainous Miguel de Lobo, while trying to figure out how to

extricate himself from Horace's fatal plot. Rethinking the Past in a Changing World Scholastic Inc. A NEW YORK TIMES BESTSELLER! A growing number of Americans want to tear down what it's taken us 250 years to build—and they'll start by canceling our shared history, ideals, and culture. Traditional areas of civic agreement are vanishing. We can't agree on what makes America special. We can't even agree that America is special. We're coming to the point that we can't even agree what the word America itself means. "Disintegrationists" say we're stronger together, but their assault on America's history, philosophy,

and culture will only tear us apart. Who are the disintegrationists? From Howard Zinn's *A People's History of the United States* to the New York Times' 1619 project, many modern analyses view American history through the lens of competing oppressions, a racist and corrupt experiment from the very beginning. They see American philosophy as a lie – beautiful words pasted over a thoroughly rotted system. They see America's culture of rights as a façade that merely reinforces traditional hierarchies of power, instead of being the only culture that guarantees freedom for individuals. Disintegrationist attacks on the values

that built our nation are insidious because they replace each foundational belief, from the rights to free speech and self-defense to the importance of marriage and faith communities, with nothing more than an increased reliance on the government. This twisted disintegrationist vision replaces the traditional “unionist” understanding that all Americans are united in a shared striving toward the perfection of universal ideals. *How to Destroy America in Three Easy Steps* shows that to be a cohesive nation we have to uphold foundational truths about ourselves, our history, and reality itself—to be unionists instead of disintegrationists.

Shapiro offers a vital warning that if we don't recover these shared truths, our future—our union—as a great country is threatened with destruction.

The Secret to Finding Love and Fame on America's Favorite Reality Show Scribner

A thought-provoking new book from one of America's finest historians "History," wrote James Baldwin, "does not refer merely, or even principally, to the past. On the contrary, the great force of history comes from the fact that we carry it within us, are unconsciously controlled by it in many ways, and history is literally present in all that we do." Rarely has Baldwin's insight been more forcefully

confirmed than during the past few decades. History has become a matter of public controversy, as Americans clash over such things as museum presentations, the flying of the Confederate flag, or reparations for slavery. So whose history is being written? Who owns it? In *Who Owns History?*, Eric Foner proposes his answer to these and other questions about the historian's relationship to the world of the past and future. He reconsiders his own earlier ideas and those of the pathbreaking Richard Hofstadter. He also examines international changes during the past two decades--globalization, the collapse of the Soviet Union, the end of apartheid in South

Africa--and their effects on historical consciousness. He concludes with considerations of the enduring, but often misunderstood, legacies of slavery, the Civil War, and Reconstruction. This is a provocative, even controversial, study of the reasons we care about history--or should.

A Redbird Christmas

Crown

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass*

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their

many individual voices.

The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The

fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives

students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Dolly Parton, Songteller
Crown Forum

The definitive biography of John Mellencamp, the iconic American rock and roll original, featuring exclusive in-depth interviews and never-before-told details. Perfect for fans of *Janis and Born to Run*. John Mellencamp is not your typical rock star. With music inspired by the work of William Faulkner, John Steinbeck, and other giants of American literature, he has experienced a colorful career unlike any other. Now, this fascinating biography fully charts the life of

one of this country's most important voices in American music. Mellencamp's story is also the story of the American heartland. His coming of age as an artist and evolution into legendary status directly reflected the major changes of the last fifty years. From the Summer of Love to the growing divisiveness of American politics and beyond, his music has served as the backdrop to this evolving country for millions of fans. Featuring exclusive interviews with friends, family, and colleagues, and exploring everything from the founding of Farm Aid to his induction into the Rock and Roll Hall of Fame, this is a fresh and expansive look at a true original.

Beauty Queens CMG

Publishing LLC
Comedian and star of *The Office* and *Unbreakable Kimmy Schmidt* Ellie Kemper delivers a hilarious, refreshing, and inspiring collection of essays "teeming with energy and full of laugh-out-loud moments" (Associated Press). "A pleasure. Ellie Kemper is the kind of stable, intelligent, funny, healthy woman that usually only exists in yogurt commercials. But she's real and she's all ours!" —Tina Fey "Ellie is a hilarious and talented writer, although we'll never know how much of this book the squirrel wrote." —Mindy Kaling
Meet Ellie, the best-intentioned redhead next door. You'll laugh right alongside her as she shares tales of her childhood in St. Louis,

whether directing and also starring in her family holiday pageant, washing her dad's car with a Brillo pad, failing to become friends with a plump squirrel in her backyard, eating her feelings while watching PG-13 movies, or becoming a "sports monster" who ends up warming the bench of her Division 1 field hockey team in college. You'll learn how she found her comedic calling in the world of improv, became a wife, mother and *New Yorker*, and landed the role of a bridesmaid (while simultaneously being a bridesmaid) in *Bridesmaids*. You'll get to know and love the comic, upbeat, perpetually polite actress playing Erin Hannon on *The Office*, and the exuberant,

pink-pants-wearing star of *Unbreakable Kimmy Schmidt*. If you've ever been curious about what happens behind the scenes of your favorite shows, what it really takes to be a soul cycle "warrior," how to recover if you accidentally fall on Doris Kearns Goodwin or tell Tina Fey on meeting her for the first time that she has "great hair—really strong and thick," this is your chance to find out. But it's also a laugh-out-loud primer on how to keep a positive outlook in a world gone mad and how not to give up on your dreams. Ellie "dives fully into each role—as actor, comedian, writer, and also wife and new mom—with an electric dedication, by which

one learns to reframe the picture, and if not exactly become a glass-half-full sort of person, at least become able to appreciate them" (Vogue.com).

Approval Junkie

HarperCollins

"In this hilarious collection of essays, comedian Faith Salie reflects on the absurd hoops she's jumped through in order to win approval. From running in place in a darkened shower in Africa at 4 am to lose weight, to agreeing to an exorcism at the behest of her crazy ex-husband, to eating pig organs with Harrison Ford's son after her producers told her it would "make good TV," Salie has done it all in the hopes of achieving positive reinforcement from colleagues,

friends, and her aforementioned ex (or as she calls him, "was-band"). With thoughtfulness and sarcasm, Salie reflects on why it is she tries so hard to please others, highlighting a phenomenon that many people-- especially women-- experience at home and in the work place. Equal parts laugh-out loud funny and poignant, Approval Junkie is a humorous exploration into why it is that we so desperately try to please others at the expense of our own happiness"--

Kimmy Schmidt and

The Office Fawcett

Books

The six mean Herdman kids lie, steal, smoke cigars (even the girls)

and then become involved in the community Christmas pageant.

God's Hand on America

Samuel French, Inc.

A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN'S KILLER! In his new young-adult book on the Kennedy assassination, James Swanson will transport readers back to one of the most shocking, sad, and terrifying events in American history. As he did in his bestselling Scholastic YA book, CHASING LINCOLN'S KILLER, Swanson will deploy his signature "you are there" style -- a riveting, ticking-clock pace, with an unprecedented eye for dramatic details and

impeccable historical accuracy -- to tell the story of the JFK assassination as it has never been told before. The book will be illustrated with archival photos, and will have diagrams, source notes, bibliography, places to visit, and an index.

How to Destroy America in Three Easy Steps HarperCollins

"Today, only twenty percent of Americans are wed by age twenty-nine, compared to nearly sixty percent in 1960. The Population Reference Bureau calls it a 'dramatic reversal.' [This book presents a] portrait of contemporary American life and how we got here, through the lens of the single American woman, covering class, race, [and] sexual

orientation, and filled ... contemporary and
with ... anecdotes from historical figures"--
