## QUENTIN HESTER

*A Guide to Easy-to-Make Dishes with Fresh Organic Fruits and Vegetables* Houghton Mifflin Harcourt

From the award-winning author of *George*, the story of a boy named Rick who needs to explore his own identity apart from his jerk of a best friend.

*Living Well by Design* Keylight Books

Everyone loves chocolate, right? But how many people actually know where chocolate comes from? How it's made? Or that monkeys do their part to help this delicious sweet exist? This delectable dessert comes from cocoa beans, which grow on cocoa trees in tropical rain forests. But those trees couldn't survive without the help of a menagerie of rain forest critters: a pollen-sucking midge, an aphid-munching anole lizard, brain-eating coffin fly maggots—they all pitch in to help the cocoa tree survive. A secondary layer of text delves deeper into statements such as "Cocoa flowers can't bloom without cocoa leaves . . . and maggots," explaining the interdependence of the plants and animals in the tropical rain forests. Two wise-cracking bookworms appear on every page, adding humor and further commentary, making this book accessible to readers of different ages and reading levels. Back matter includes information about cocoa farming and rain forest preservation, as well as an author's note.

**A Look Back at My Life on Little House** Capstone Classroom

BE WHO YOU ARE. When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl.

Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be *Charlotte's Web*. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

*Melissa's Old-Fashioned Man* Bloomsbury Publishing USA

A bright, bold debut about a girl who happens to have been born a boy, but refuses to let that stand in the way of her dream. George joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! When people look at Melissa, they think they see a boy named George. But she knows she's not a boy. She knows she's a girl. Melissa thinks she'll have to keep this a secret forever. Then her teacher announces that their class play is going to be *Charlotte's Web*. Melissa really, really, REALLY wants to play Charlotte. But the teacher says she can't even try out for the part... because she's a boy. With the help of her best friend, Kelly, Melissa comes up with a plan. Not just so she can be Charlotte -- but so everyone can know who she is, once and for all.

**Melissa's Victory** Page Publishing Inc

When Alex and Eliza meet one fateful night, so begins an epic love story that would forever change the course of American history.

*The Hive* Macmillan

The #1 New York Times–bestselling author's “magnificent” tale of romantic intrigue in the gothic tradition of *Wuthering Heights* and *Jane Eyre* (The New York Times). In the eyes of his daughter Melissa, Charles Upjohn can do no wrong. Where others see a minor novelist whose ego far outweighs

his talent, Melissa sees a brilliant artist deserving of a wider audience. Where her sister and brother see a cold and inattentive parent who can't provide for his family, Melissa sees a doting father whose intentions are beyond reproach. On his deathbed, Charles puts his eldest daughter in charge of her mother and siblings. Melissa will do anything she can to please him—even if it means marrying a man she hates. As Charles Upjohn's publisher, Geoffrey Dunham holds the keys to the writer's legacy. Dunham also has the means to provide for Melissa and her family, and the desire to do so. Melissa knows her life with Dunham will be grim and passionless, but she's willing to sacrifice her own happiness in order to fulfill her father's wishes. Dunham, however, refuses to accept a wife in name only. To win Melissa's heart, he must destroy everything she believes about her father—and herself. A darkly riveting portrait of the thin line between love and hate, Melissa confirms author Taylor Caldwell's reputation as one of the twentieth century's greatest storytellers.

**Abandon Me** Scolastiche Bruno Mondadori

Six-year-old Daisy loves traveling the world with her father, a famous entertainer, and her teacher, Mrs. Minniear, but is lonely until her father brings home Josephine, a French bulldog that speaks and has great fashion sense.

*Melissa Etheridge* CreateSpace

The adventure continues! A match made in heaven was almost ended by terrible secrets and life-threatening danger, but Joe and Melissa have survived and are now on the run together. As Melissa divulges the truth about the reasons she went into Witness Protection, Joe starts to understand what he is up against. Now, willing to do whatever he needs to keep Melissa safe, Joe must make hard decisions that she will not like. He has a new secret that Melissa cannot know, one that would shatter her happiness. She would run again, and all the love, combined with old-fashioned over the knee discipline in the world, will not stop her. Meanwhile, for all her smart mouth and wild ways, Terri Coleman, Joe's sister, also has a secret. Deep down, she's an old-fashioned young lady who has been saving herself for the right man. If you loved the traditional "domestic discipline" saga started in "Old-Fashioned Family" and continued in "Her Old-Fashioned Hero," "Melissa's Old-Fashioned Man" will not disappoint. Please note that this title contains traditional domestic discipline in a contemporary family setting, as well as sexually explicit material, including consensual BDSM sex play. Please watch for "Terri's Old Fashioned Man" coming Summer 2021. This book was previously published as Their Old-Fashioned Men

*Colonial Encounters on China's Maritime Frontier* Scholastic Inc.

The Hive is a story of survival, sisters, and secrets. The Fehler family's four daughters and their newly widowed, doomsday prepper mother struggle to keep their pest control business from bankruptcy during a recession. Set in a racially and politically divided rural Midwestern town during the Obama years, The Hive shows feminism rising from rural roots.

*Saint Melissa the Mottled* Scholastic Inc.

A day-by-day plan to get fit that worked for Melissa Alcantara.

*Or, The Unfeeling Father. An American Tale* Princeton University Press

One of the most original performance poets of her generation, Melissa Lozada-Oliva has captivated crowds across the country and online with her vivid narratives. Humorous and biting, personal and communal, self-deprecating and unapologetically self-loving, peluda (meaning "hairy" or "hairy beast") is the poet at her best. The book explores the relationship between femininity and body hair as well as the intersections of family, class, the immigrant experience, Latina identity, and much more, all through Lozada-Oliva's unique lens and striking voice. Peluda is a powerful testimony on body image and the triumph over taboo.

**Distant Shores** iUniverse

An unauthorized biography of the Grammy Award-winning rock singer-songwriter traces her career from her childhood in Kansas to her hard-won success in Los Angeles to her decision to confess her lesbianism in 1993. Original.

*Melissa's Rehab* Capstone Classroom

A Most Anticipated Novel by PopSugar \* Bustle \* Buzzfeed \* Crime Reads and more! "[A] chilling debut novel." -- The New York Times Book Review A young woman agrees to star in a filmmaker's latest project, but soon realizes the movie is not what she expected in this chilling debut novel. In the wake of her father's death, Betty Roux doesn't allow herself to mourn. Instead, she pushes away her mother, breaks up with her boyfriend, and leaves everything behind to move to New York City. She doesn't know what she wants, except to run. When she's offered the chance to play the leading role in mysterious indie filmmaker Anthony Marino's new project, she jumps at the opportunity. For a month Betty will live in a cabin on a private island off the coast of Maine, with a five-person cast and crew. Her mother warns against it, but Betty is too drawn to the charismatic Anthony to say no. Anthony gives her a new identity--Lola--and Betty tells herself that this is exactly what she's been looking for. The chance to reinvent herself. That is, until they begin filming and she meets Sammy, the island's caretaker, and Betty realizes just how little she knows about the movie and its director.
