### Loose-Leaf version Financial Accounting: Making the Connection with Connect Access Card

McGraw-Hill/Irwin Accounting as easy as 1-2-3! Do you know the difference between FIFO and LIFO? Can you use the word dilutive in a sentence? Does the phrase "amortization of bond premiums" mean anything to you? No one said the journey to becoming a CPA is easy-- but with Intermediate Accounting DeMYSTiFieD as your travel companion, you're guaranteed a smooth ride. An easy-to-use self-teaching guide that reviews and expands upon core Generally Accepted Accounting Principles (GAAP), Intermediate Accounting DeMYSTiFieD covers everything you need to ace your exams and take a big step toward the career of your dreams. The book provides a fresh review of all the basics, so you can easily glide into more advanced principles. You'll learn how to generate accurate and

reliable financial statements, maintain proper internal controls within a company, and locate international accounting standards. This fast and easy guide offers: Tactics for maintaining solid internal controls within a business Strategies for creating accurate financial statements Techniques for overcoming common accounting errors Quizzes and a final exam for gauging what you've learned Tips and examples for mastering more advanced accounting theories Simple enough for a novice but challenging enough for a veteran CPA, Intermediate Accounting DeMYSTiFieD is a shortcut to decoding key accounting concepts and principles.

McGraw-Hill Education Financial Accounting: Making the Connection 1e, has been developed based on the great success of Financial Accounting 2e, Spiceland, Thomas, Herrmann. 2e was developed with feedback from over 330 reviewers and focus group participants from across the country. With the usage of digital resources growing exponentially, and high Connect usage rates among instructors and students using Financial Accounting, 2e, Financial Accounting: Making the Connection 1e, removes all end of chapter content from the 2e print text, and houses it exclusively in Connect. The result is the same highly successful content contained in 2e, without the added page length of end of chapter problems

and exercises. Text with Connect is a mandatory package. (ISBN 0077606191) Financial Accounting: Making the Connection, 1e also provides additional study materials and explanations through short tutorial videos and practice activities that can be accessed via SmartPhone by scanning the Quick Response codes in the margin. Just like with Financial Accounting 2e, the authors, David Spiceland, Wayne Thomas and Don Herrmann, have developed a unique text based on over 50 collective years of experience in the classroom. They've brought together best practices like highlighting Common Mistakes, offering frequent Let's Review exercises, integrating the course with a running Continuing Problem, demonstrating the relevance of the course to non-majors with a Career Corner, and communicating it all in a student-friendly Conversational Writing Style.

Intermediate Accounting John Wiley & Sons Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in

traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for

the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
