Scout's Outdoor Cookbook  
Houghton Mifflin Harcourt  
Girl Scout founder Juliette  
Gordon Low and Lou  
Henry Hoover, first  
president of Girl Scouts,  
are two of seven paper  
dolls featured in this, the  
first of a three-part paper  
doll history of Girl Scout

uniforms. Melissa, who  
joins Low's first troop in  
Savannah, and her  
younger cousin Erin tell  
the story of the early  
years of scouting,  
1912–28, through their  
diary entries. They write  
of troop activities as well  
as the growing Girl Scout  
movement nationwide,  
and they give us a  
glimpse into the everyday  
life of young girls during  
that time period. Twelve  
uniforms and a variety of

other historic fashions are  
detailed in full color. Each  
uniform is complete with  
accessories, pins, awards,  
and badges. This is the  
first paper doll book to  
show the uniforms in full  
color, making it an  
important addition to the  
printed history of the Girl  
Scouts. November 1918! It's  
just the best news  
imaginable—the Armistice  
has been signed and the  
war is officially over at  
last! Miss Daisy is so

proud of all the work her Girl Scouts have done across the nation to help the war effort. As soon as the War Service Award was introduced in our Girl Scout Magazine, The Rally, last March, many, many girls began working to earn the points necessary to receive the award. The girls in our patrol have knitted items to give to the Red Cross (we were amazed when we realized just how much time and effort is required to knit up two pounds of wool, but as we imagined our own brothers sitting in

France with cold, wet feet, our needles began flying faster and faster), and several managed to preserve the required 50 containers of jelly or jam this past summer. Georgia peaches make THE BEST! On My Honor Macmillan  
A look at what it takes to build a major league ball club.

*Scout's Honor* Presidio Press  
When Terran Scout David Rice climbs from the wreckage of his starship's escape pod, he finds himself transported from the space age to the

steam age in the blink of an eye. Drawn to the sounds of fighting, David immediately throws himself into a desperate battle against overwhelming odds to save the life of a beautiful young princess. Now, marooned without hope of rescue, David is swept into a world of steam-powered airships, treacherous pirates, brutal savages, bloodthirsty monsters, royal machinations, and plots within plots, where matters of strength and honor are most often

settled with the clash of swords. As he struggles to learn the strange ways of this new world and who he can trust, one thing becomes clear to him: he must put aside his growing feelings for Her Highness and do everything in his power to return her to her family, even though this means giving her up to the prince she's pledged to marry. Told in a relentlessly fast-paced and breathless style, SCOUT'S HONOR is an exciting modern homage to the classic tales of planetary

romance made famous by writers such as Edgar Rice Burroughs and Leigh Brackett, as well as the cliffhanger-driven energy of the early science fiction movie serials. If you like your heroes unabashedly heroic, your heroines feisty and true, and your plots filled with dangers, twists, turns, and double-crosses upon triple-crosses, you'll enjoy SCOUT'S HONOR.

**Century of Honor** Henry Holt and Company (BYR) Elliot Gabaroché is very clear on what she isn't going to do this summer.

1. She isn't going to stay home in Sacramento, where she'd have to sit through her stepmother's sixth community theater production of *The Importance of Being Earnest*. 2. She isn't going to mock trial camp at UCLA. 3. And she certainly isn't going to the Air Force summer program on her mother's base in Colorado Springs

Peter Applebome grew up obsessed by box scores, so when his son, Ben, joined Little League he happily assumed he'd be spending Ben's childhood at the ballfield. But what Ben really liked was hiking and camping-and when he joined the local Scout troop Applebome reluctantly went along for the ride. As someone who had never made a fire except in a gas grill and tied knots only in his

shoelaces, Applebome was an unlikely recruit. Taking us from the low points to the unexpected triumphs and through all the trekorees and derbies in between, Applebome hikes the trail from tenderfoot skeptic to proud Scout dad. Offering affectionate portraits of the motley group of boys in the troop, he also laces his very funny narrative with an informal but fascinating history of Scouting and grapples with the modern-day controversies that will help determine Scouting's

future.

Scout's Honor: A Father's Unlikely Foray Into the Woods Feiwei & Friends

Where is Lee Harvey Oswald's body? The Kennedy assassination is a rat's nest of conspiracy theories: mafia involvement, the second gunman, government cover-up... but the most important chapter of this sordid tale may just be the theory that the body buried at Oswald's Rose Hill gravesite is not actually Lee Harvey himself. Meet the ragtag group of "useful idiots"

who are unwittingly brought together to clean up the crime of the century – a wannabe cowboy from Wisconsin, a Buddy Holly-idolizing (former) car thief, a world-weary Civil Rights activist ready for revolution, and a failed G-Man who still acts the part – and specifically, regarding the matter of Oswald’s body. [Legacy of Honor](#) B&H Publishing Group commemorates the centennial celebration of the LDS-BSA partnership, and documents significant events, people, and

milestones of the past century. The book was compiled by Church and Scouting historians under the direction of the LDS Young Men General Presidency and the LDS-BSA Relationships Director. Never before shared documents, historical photos, and memorabilia of the past 100 years are included. *On My Honor* Penguin The Scout's Outdoor Cookbook emphasizes the best food preparation and techniques currently used in scouting. Thoroughly covered are recipes

employing time-tested cooking methods using Dutch ovens, pots and pans, grills, and open fire. Many outstanding no-cook dishes are also provided.  "No criminal in American  
 society is more despised  
 than the man who has sex  
 with children. This is his  
 story. He offends us, but  
 it's time to listen. Hardly a  
 week goes by without  
 news of yet another  
 respected adult -  
 Scoutmaster, teacher,  
 priest, or pop singer -  
 accused of child  
 molesting. Into this uproar  
 steps Scout's Honor,  
 which systematically  
 examines the history of  
 sexual abuse in America's

most revered youth group  
 and tells us what we  
 should know about men  
 whose desires seem too  
 bizarre to understand."  
 "Through a computer  
 analysis of nearly 2000  
 previously secret files on  
 child-abusing Scout  
 leaders; through  
 interviews with molesters,  
 victims, investigators, and  
 top Scout officials; and by  
 digging through court

 Scout documents, author  
 Patrick Boyle traces  
 sexual abuse from  
 Scouting's roots to today's  
 headlines."--BOOK

In this young adult novel  
by award-winning author  
Anna-Marie McLemore,  
two non-binary teens are  
pulled into a magical  
world under a lake - but  
can they keep their worlds  
above water intact?

Everyone who lives near  
the lake knows the stories  
about the world  
underneath it, an ethereal  
landscape rumored to be  
half-air, half-water. But  
Bastián Silvano and Lore  
Garcia are the only ones  
who've been there.  
Bastián grew up both  
above the lake and in the  
otherworldly space  
beneath it. Lore's only  
seen the world under the  
lake once, but that one  
encounter changed their  
life and their fate. Then  
the lines between air and  
water begin to blur. The  
world under the lake drifts

above the surface. If  
Bastián and Lore don't  
want it bringing their  
secrets to the surface with  
it, they have to stop it,  
and to do that, they have  
to work together. There's  
just one problem: Bastián  
and Lore haven't spoken  
in seven years, and  
working together means  
trusting each other with  
the very things they're  
trying to hide.

Welcome to Sandy Point,  
Oregon: a sleepy beach  
town that's home to a  
giant anchor statue, a

sometimes-karaoke-bar, and Frosty's questionably legendary Sunday Sundae Surprise. A town Jo, Autumn, and Bianca thought they'd left far behind when they graduated high school, finally moving on to greener pastures than the midway point for tourists heading to the Goonies house. But life seldom goes according to plan. Bianca Boria-Birdy, former prom queen and valedictorian, has always been an overachiever. As she juggles managing the family tattoo parlor,

caring for her grandmother, and adjusting to a new marriage, Bianca's schedule becomes stricter than ever, with no room for disruption. What she really needs is a vacation, but not even Bianca Boria-Birdy can achieve the impossible. Autumn Kelly used to be an actress. Now she teaches drama at Sandy Point High. She may have had to kiss her movie-star dreams goodbye, but molding the next generation of performers has given her life meaning in a whole

new way. Until the sudden reappearance of her ex-best friend throws everything off-balance. Jo Freeman has it all together. With a cool job in Silicon Valley, connections at the trendiest fitness studios, and a down payment on her dream condo, she's well on her way to reaching every one of her goals before thirty. Or she was, before she got fired and landed right back home with her parents and teenage sister. When Jo finds an old bucket list in her childhood bedroom,

it sets the three women on a path that brings them closer to one another with each task. And it just might lead to a life none of them could have planned.

“Librarians often say that every book is not for every child, but *The True Blue Scouts of Sugar Man Swamp* is” (The New York Times). Meet Bingo and J’miah, raccoon brothers on a mission to save Sugar Man Swamp in this rollicking tale and National Book Award Finalist from Newbery

Honoree Kathi Appelt. Raccoon brothers Bingo and J’miah are the newest recruits of the Official Sugar Man Swamp Scouts. The opportunity to serve the Sugar Man—the massive creature who delights in delicious sugar cane and magnanimously rules over the swamp—is an honor, and also a big responsibility, since the rest of the swamp critters rely heavily on the intel of these hardworking Scouts. Twelve-year-old Chap Brayburn is not a member of any such organization. But he loves the swamp

something fierce, and he’ll do anything to help protect it. And help is surely needed, because world-class alligator wrestler Jaeger Stitch wants to turn Sugar Man swamp into an Alligator World Wrestling Arena and Theme Park, and the troubles don’t end there. There is also a gang of wild feral hogs on the march, headed straight toward them all. The Scouts are ready. All they have to do is wake up the Sugar Man. Problem is, no one’s been able to wake that fellow up in a decade

or four... Newbery Honoree and Kathi Appelt's story of care and conservation has received five starred reviews, was selected as a National Book Award finalist, and is funny as all get out and ripe for reading aloud. *The Scoutmaster's Other Handbook* Turtleback Books From #1 New York Times bestselling author Brandon Sanderson, *Words of Radiance*, Book Two of the Stormlight Archive, continues the immersive fantasy epic that *The Way of Kings*

began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is

active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge,

she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war

leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. *Running Toward Danger* is the first book that tells the extraordinary saga of Scouting's Honor Medal recipients — and how the award itself transformed American life. It is the product of extensive original research into the BSA's national archives, vintage newspaper accounts, and interviews of recent recipients. The

narrative includes more than 150 accounts of the most remarkable — and hair-raising — Honor Medal rescues of the last century. Also, it uncovers the crisis in the early days of the award that ultimately changed the direction of Scouting and brought intensive first aid, lifesaving, and safety training to the nation's youth. *Running Toward Danger* is filled with extraordinary characters. First among equals is the buckskinned sophisticate, co-founder of Scouting, and friend of U.S.

presidents, Daniel Carter Beard, who created the Honor Medal — and then nearly drove it to disaster. But there also are hundreds of young men and women who find themselves in the most terrifying situations imaginable, fly into action, and not only to survive but also to save others in the process. It is a narrative that swings from a lonely, lightning-scorched mountain top to an isolated farmhouse, to crowded urban neighborhoods, to shark-filled waters — each story

presenting its own dangers that demands a clear-minded and smart strategy, requiring an abundance of bravery from its young rescuers. For Scouts and their families these stories are the best lesson imaginable on what makes Scouting great — and what the character-building training programs of the Boy Scouts of America develop in young people. But this also is a book for all Americans that celebrates the courage and resourcefulness of our

nation's youth. You never will forget these remarkable stories of young people who, when met with the ultimate challenge, don't hesitate to run toward danger to help others.
