 Dear Lady Truelove, I am a girl of noble family, but I am painfully shy, especially in my encounters with those of the opposite sex . . . For Clara Deverill, standing in for the real Lady Truelove means dispensing advice on problems she herself has never managed to overcome. There's nothing for it but to retreat to a tearoom and hope inspiration strikes between scones. It doesn't—until Clara overhears a rake waxing eloquent on the art of “honorable” jilting. The cad may look like an Adonis, but he's about to find himself on the wrong side of Lady Truelove. Rex

Galbraith is an heir with no plans to produce a spare. He flirts with the minimum number of eligible young ladies to humor his matchmaking aunt, but Clara is the first to ever catch his roving eye. When he realizes that Clara—as Lady Truelove—has used his advice as newspaper fodder, he's infuriated. But when he's forced into a secret alliance with her, he realizes he's got a much bigger problem—because Clara is upending everything Rex thought he knew about women—and about himself. . . .

Good To Be Bad Skye Warren & Annika Martin

A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation,

Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to

gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves

will ultimately end up paying. Contains strong adult content and language. ABOUT THE ORIGINAL BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational book

that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without

the need to mask your appearance. Riverford Shifters Collection: Vol . One (Books 1 - 2) Amelia Wilde
 Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different

man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

But fate has other plans for him, and when Audrey once again lands in his path, it's only too easy to fall back into their easy rhythm. And

then their easy banter. And of course, each other's arms. He tells himself nothing has changed. She still wants forever, and he still thinks tomorrow is long enough. But watching her search isn't as easy as he thought it would be, and now Dylan must figure out if he's really the love Scrooge he professes to be or if he's been Fate's willing victim all along.

“The blend of romance and cozy mystery will please lovers of all things Scottish.”

—Kirkus ‘Tis the season to be jolly, but in Moosetookalook, Maine, Christmas cheer is in short supply due to a snowless winter that’s keeping skiers and shoppers at a distance. Fortunately, Liss MacCrimmon of the Scottish Emporium has a plan . . . Liss’s brainstorm focuses on Tiny Teddies, the hot new toy of the season. Every store across the country is out of stock—except a few wee establishments in good ol’ Moosetookalook. The first sign of something amiss occurs when the last Tiny Teddy is summarily executed: shot

through the heart in the display window of greedy toy store owner Gavin Thorne. But the Teddy's demise is just a precursor to the eerily similar murder of Gavin himself. Now, with the Twelve (or, in Scots terms, the Daft) Days of Christmas rapidly approaching, Liss has a plate full of things worse than haggis to contend with, starting with a stockroom packed with poultry (don't ask), and ending with a killer who'd like to see Liss's goose well and fully cooked . . . "A picturesque location, a bit of romance, some suspense, and a cast of appealingly quirky characters."
