Samita Sarkar thought she was destined to spend her entire life running. Never giving herself a moment's rest, she studied hard and graduated from university with top grades, and then promptly began a tireless job search. But although she thought that she had done everything by the book, life still hadn't given her any answers. She knew that God had a plan, but what was it? Stricken

with anxiety while facing midsummer heat and sizable life decisions, the thrifty twenty-something Canadian-who had never before travelled for travel's sake-purchased a discount bus ticket for what she thought would be a few weeks of reprieve in The United States. Embarking on her journey with nothing but a small suitcase, a broken handbag, a killer manicure and a copy of "The

Bhagavad Gita," Samita would spend her days wandering streets and beaches, and her nights in jostling buses or on cramped couches. Marvelling at the beauty around her, Samita finally discovered what the world has to offer to those who stop running, while learning lessons that would set the course of the rest of her life.

A Novel of Forgiveness
This is the story of Brida, a young Irish girl, and her quest for knowledge. She has long been interested in various aspects of magic but is searching for something more. Her search leads her to people of great wisdom, who begin to teach Brida about the spiritual world. She meets a wise man who dwells in a forest, who teaches her about overcoming

her fears and trusting in the goodness of the world; and a woman who teaches her how to dance to the music of the world, and how to pray to the moon. As Brida seeks her destiny, she struggles to find a balance between her relationships and her desire to become a witch. This enthralling novel incorporates themes that fans of Paulo Coelho will recognize and treasure—it is a tale of love, passion,

mystery, and spirituality from the master storyteller. *The Authorized Biography* HarperCollins How do we find the courage to always be true to ourselves—even if we are unsure of who we are? That is the central question of international bestselling author Paulo Coelho's profound new work, *The Witch of Portobello*. It is the story of a mysterious woman named Athena, told

by the many who knew her well—or hardly at all. Like *The Alchemist*, *The Witch of Portobello* is the kind of story that will transform the way readers think about love, passion, joy, and sacrifice. *The Fifth Mountain* Simon and Schuster A classic masterwork of spiritual tension and realization from Paulo Coelho, this powerful story of one man's battle with self-doubt and fear is now

available in a beautiful new package from HarperOne. An essential volume alongside Coelho's other bestselling and influential books, such as *The Alchemist*, *The Pilgrimage*, *Brida*, and *The Winner Stands Alone*, the searing and unforgettable narrative in *The Valkyries* asks the questions most central to all literature—and all of humanity's quest for understanding. Why is it that we destroy

the things we love most? And how can we learn to let go of the past and believe in the future? *An Encounter with Angels* Harper Collins Paulo Coelho: A Warrior's Life is the first-ever biography of the man whose books have sold an astounding 100 million copies worldwide, making him one of the bestselling authors of all time. Paulo Coelho's life begins with a complicated birth in Rio de Janeiro, Brazil,

in August 1947. He was known as the "boy who was born dead" and who ultimately survived against all odds. Before he became internationally known as a worldwide bestselling author, Paulo lived many different lives. He flirted with suicide, was committed by his parents to insane asylums, suffered the brutality of electric shock therapy, dove into drugs, tried several varieties of sex, met the

devil, spent time in prison, helped revolutionize Brazilian rock with musician Raul Seixas, and finally rediscovered his faith in 1986 as he walked the sacred Road to Santiago de Compostela, a medieval pilgrim's route between France and Spain. Coelho would later describe this life-changing spiritual experience in his first book, *The Pilgrimage*. The following year, *The Alchemist* established

his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now, for the first time, discover the life story of one of the most widely read and adored authors of our time. *The Pilgrimage ; By the River Piedra I Sat Down and Wept* Harper Collins From South America to Holland to Nepal—a new journey in the company of

Paulo Coelho, bestselling author of *The Alchemist*. Drawing on the rich experience of his own life, bestselling author Paulo Coelho takes us back in time to relive the dreams of a generation that longed for peace. In *Hippie*, he tells the story of Paulo, a young, skinny Brazilian man with a goatee and long, flowing hair, who dreams of becoming a writer, and Karla, a Dutch woman in her twenties who has been

waiting to find a companion to accompany her on the fabled hippie trail to Nepal. After meeting each other in Amsterdam, she convinces Paulo to join her on a trip aboard the Magic Bus that travels from Amsterdam to Istanbul and across Central Asia to Kathmandu. As they embark on this journey together, Paulo and Karla explore a love affair that awakens them on every level and leads to choices and

decisions that will set the course for their lives thereafter.

 “A highly original, moving, and ultimately life-affirming book.” – Sunday Mirror (London)
 Twenty-four-year-old Veronika seems to have everything – youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She

takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho’s own life, *Veronika Decides to Die* questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman

at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

Inspired by true events, All Sorrows

Can Be Borne is the story of Noriko Ito, a Japanese woman faced with unimaginable circumstances that force her to give up her son to save her husband. Set in Hiroshima, Osaka, and the badlands of eastern Montana and spanning the start of World War II to 1982, this breathtaking novel is told primarily in the voice of Noriko, a feisty aspiring actress who fails her audition to enter the

Takarazuka Theater Academy. Instead, she takes the "part" of a waitress at a European-style tearoom in Osaka where she meets the mysterious and handsome manager, Ichiro Uchida. They fall in love over music and marry. Soon after Noriko becomes pregnant during their seaside honeymoon, Ichiro is diagnosed with tuberculosis destroying their dreams.

Noriko gives birth to a healthy baby boy, but to give the child a better life, Ichiro convinces her to give the toddler to his older sister and her Japanese-American husband, who live in Montana. Noriko holds on to the belief that this inconceivable sacrifice will lead to her husband's recovery. What happens next is unexpected and shocking and will affect Noriko for the rest of her life.

Eighteen years later, her son enlists in the U.S. Navy and is sent to Japan. Finally, he is set to meet his birth mother, but their reunion cracks open the pain and suffering Noriko has endured. With depth and tenderness, *All Sorrows Can Be Borne* is a harrowing and beautifully written novel that explores how families are shaped by political and economic circumstances, tremendous loss and
