### **We Were On a Break**

John Wiley & Sons  
THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirty

poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

The summer bestseller from the immensely popular Lindsey Kelk  
[I Heart London \(I Heart Series, Book 5\)](#)

HarperCollins UK

Real life can be a real mess. Feelings of anxiety can attack, overwhelm, and drag us down. We want to turn away from others and rely on ourselves to escape the situation. But God will not let go of you. He will meet you in the midst of your darkness, in the place where you think you are farthest from Him. Author Lindsay Hausch is no stranger to real-life struggles with anxious thoughts. She knows that, even with the power of God's grace, overcoming anxious thoughts is not as simple as praying enough or having enough faith. Instead, the struggle can be a training ground for spiritual growth. God's love for you is present. So take heart, He promises that His grace is sufficient.

Angela's planning her very own fairytale of New York...

*I Heart Christmas (Part One: Chapters 1-5)* (I

*Heart Series, Book 6)*

Abrams

As the entire Malory family gathers at Haverston to celebrate the season, a mysterious present arrives anonymously. The gift is an old journal -- a tender and tempestuous account of the love affair between the second Marquis, Christopher Malory, and a dark gypsy beauty named Anastasia, who seeks a love match with a non-gypsy in order to save herself from a prearranged marriage to a brute. Though the dashing English lord Anastasia sets her sight upon burns for the exquisite, exotic miss, Christopher could never consent to wed such a lowborn lady. But miracles have been known to happen in this season of peace and giving and love, as two extraordinary people separated by circumstance of birth begin a passionate dance of will and wiles. And in the miraculous blossoming of a glorious romance at a long ago Christmastime, there are wise and well-learned lessons that will enrich the hearts of the Malory descendants -- and, indeed, of everyone who has ever dreamed.

HarperCollins

In the same way that Love Does has struck a deep chord with adults, kids will experience God in new and thrilling ways and see that living out our faith certainly isn't boring! With this book, children will laugh, dream, and be inspired to make a difference for God, and they'll learn to: take ownership of their mistakes and forgive others for their mistakes. never give up--no matter how scared they are. put their faith into action by spending time with--and acting more like--Jesus. Kids everywhere will love Bob and Lindsey's stories about how love does. With childlike faith, enthusiasm, and great whimsy, young hearts will feel instantly connected to a love that acts as much as it feels. Children will walk away with a sense of wonder at how great God is and will feel empowered to do things that will make a tangible difference in the world. As a little boy with a big personality and even bigger dreams, Bob Goff had lots of questions, and they didn't go away when he grew up. It wasn't until he learned just how big and wild and wonderful God is that he began to find answers. Once Bob learned about the deep

goodness of God, he began to learn about the great power God gives His kids when they live a life full of love for others. Bob and Lindsey invite kids to get to know God better and to see the world as a place designed to be changed as we put our faith in action.

During a drought in the early 1900s, a large, loving African American family finds a delicious way to earn the money they need to save their family farm.

**I Heart Christmas (Part Two: Chapters 6-12) (I Heart Series, Book 6)**

HarperCollins

"[Tramuta] draws back the curtain on the city's hipper, more happening side—as obsessed with coffee, creativity, and

brunch as Brooklyn or Berlin." —*My Little Paris*  
The city long-adored for its medieval beauty, old-timey brasseries, and corner cafés has even more to offer today. In the last few years, a flood of new ideas and creative locals has infused a once-static, traditional city with a new open-minded sensibility and energy. Journalist Lindsey Tramuta offers detailed insight into the rapidly evolving worlds of food, wine, pastry, coffee, beer, fashion, and design in the delightful city of Paris. Tramuta puts the spotlight on the new trends and people that are making France's capital a more whimsical, creative, vibrant, and curious place to explore than its classical reputation might suggest. With hundreds of striking photographs that capture this fresh, animated spirit—and a curated directory of Tramuta's favorite places to eat, drink, stay, and shop—*The New Paris* shows us the storied City of Light as never before. "The author's vibrant and precise command of English frames this lively collection of insights about cultural change and stories regarding multiple chefs and merchants."

—Forbes “As the culinary scene in Paris evolves, a new palate of flavors and styles of eating have emerged, redefining what is ‘French cuisine.’ The New Paris documents these changes through the lens of bakers, coffee roasters, ice cream makers, chefs, and even food truck owners. A thoughtful, and delicious, look at how Paris continues to delight and excite the palates of visitors and locals.”

—David Lebovitz, author of *My Paris Kitchen*  
**Sweet Potato Pie**  
 Bloomsbury Publishing  
 Brought together across time by a love of story, three women in England fight to defy expectations, dream new dreams, and welcome love into their lives. As a counselor, Sophia Barrett is trained to help people cope with their burdens. But when she meets a new patient whose troubles mirror her own, she realizes she hasn’t dealt with the pain of her recent past. After making a snap decision to get away for the summer, Sophia moves overseas to an apartment above a charming bookstore in Cornwall, England. She is hopeful she will find peace there surrounded by her favorite thing: great literature. Bookstore

owner Ginny Rose is desperate to save her business without asking for help from a husband who’s decided to take a break from their marriage. Ginny never imagined she’d be solely responsible for keeping afloat her husband’s dream, but the unexpected friendship with her new renter has her feeling more optimistic. Between the two of them—and Ginny’s brother-in-law, William—the bookstore might stand a chance. Then Sophia finds a notebook in the bookstore that contains journal entries from Emily Fairfax, a governess who lived in Cornwall more than 150 years ago. Sophia learns that Emily harbored a secret passion for becoming an authoress—as well as a deep love for her childhood friend, Edward, whose station she dared not dream to touch. Eager to know more of Emily’s story, Sophia goes on a quest—dragging Ginny and William with her—to discover the heart of the woman behind the beautiful entries. Soon Ginny’s need to save the bookstore becomes more than a way to save her marriage, and Sophia finds new purpose of her

own. Together they find that sometimes both heartache and hope can reach across the centuries. “A historical mystery and sweet modern day story entwined to offer a message of healing, hope and second chances set in charming Cornwall.” —Rachel Linden, author of *The Enlightenment of Bees* “In a delightful weaving of past and present, Lindsay Harrel creates authentic characters around a moving story that both inspires and encourages. *The Secrets of Paper and Ink* is about broken people, second chances, hope, and—my personal favorite—the incredible power of story.” —Heidi Chiavaroli, Carol award-winning author of *Freedom’s Ring* and *The Hidden Side* “In *The Secrets of Paper and Ink*, Lindsay Harrel explores the power of love—and how it influences us to make choices that bless others, as well as ourselves. Or sometimes, we can do just the opposite and make choices that harm us and others—all the while calling it love. Harrel pens an honest, true-to-life novel that’s woven through with the Truth that offers hope when our decisions—or the

decisions of the ones we love—wreck our dreams for happily ever after.”  
 —Beth K. Vogt, Christy-award winning author  
**A Novel** HarperCollins (Piano/Vocal/Guitar Songbook). This collection features over 20 popular modern Christmas songs by today's top artists arranged for piano and voice with guitar chord frames. Includes:

*The Blue Book of Grammar and Punctuation*  
 Thomas Nelson  
 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • ONE OF GQ'S TOP 50 BOOKS OF LITERARY JOURNALISM IN THE 21st CENTURY •  
 The heartrending story of

a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey  
 Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the

Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

### **I Heart Christmas** Two Lions

The perfect book for Sex and the City fans, *I Heart New York* by Lindsey K. Kelk truly celebrates the city that never sleeps. The delightful story of a young woman who flees London and her cheating boyfriend to rediscover her sexy, stylish, confident self while building a new life in the

greatest city in the world, I Heart New York is funny, sunny, and sexy, a big hearted, Big Apple treat for Sofia Kinsella, Emily Griffin, and Anna Maxted readers.

Songs Lulu Press, Inc  
2019 Green Earth Book Awards - Long List The art and writing of Gwen Frostic are well known in her home state of Michigan and around the world, but this picture

book biography tells the story behind Gwen's famous work. After a debilitating illness as a child, Gwen sought solace in art and nature. She learned to be persistent and independent--never taking no for an answer or letting her disabilities define her. After creating artwork for famous Detroiters and for display at the World's Fair and helping to build WWII bombers, Gwen moved

her printmaking business to northern Michigan. She dedicated her work and her life to reminding people of the wonder and beauty in nature.
