Become acquainted with the Voice that has spoken from a fire and a cloud; with visible signs and an invisible Spirit; through a burning bush and burning hearts. Translating God serves as an inspirational guide book that puts God's great love back into prophetic ministry as a primary goal full of real life stories that articulate the culture of love behind God's heart for the prophetic. So much of the prophetic ministry is esoteric and a free for all in which people throw down the God card on anything they "feel," but this book brings balance without taking away the desire to see the powerful nature of God displayed. On top of that, it's biblically based and is supported by scripture throughout each story, driving home the book's message of activating the ability to hear God's voice for each reader. Through a thought-provoking prophetic ministry philosophy and Shawn's glorious successes and very real failures, you will be inspired and equipped to: learn how to hear God for yourself and others, grow through simple focused steps, take great risks, stay accountable, love people well, grow in intimacy with the Lord. As an internationally known prophetic voice who has ministered to thousands--from political leaders to those on the streets--Shawn shares everything he has learned about the prophetic in a way that is totally unique and refreshing. Shawn aims for the higher goal of loving people relationally, not just pursuing the gift or information, and he activates you to do the same. Start to reshape the world around you with God's love today.

For years now the most common prayer request I have had from believers is their desire to hear the voice of God and to know God's will for their lives. The most commonly asked question I have heard is "How do I hear God's voice?" Nothing should be more alarming for believers than not getting a Word from the Lord. Think about it. How will we ever know what God truly desires for our lives if we cannot hear from Him? On the other hand, some believers do hear from the Father and receive answers, but have a hard time believing it is God because the answer comes in ways they might not have expected. When we do not hear God's voice, we become uncertain of what to do next when faced with good and bad choices. One of the reasons we don't seek to hear and follow God's voice is that the wrong life choices don't look so bad when we are in the flesh and not listening to the Father. The problem many times is the mental, emotional and spiritual parameters in which we limit God. We limit the ways God might speak to us if we confine God in our box of how He must work and speak. We must be willing to change the way we think about how to hear from the Father. If we are open to hearing God only one way, then we are limiting our ability to hear from Him. We need to stop trying to limit "HOW" He will speak to us and just tune our ears to "WHAT" He is saying. This book is designed to be a beginning course for believers who are learning to hear the voice of the Father. This book is not necessarily meant to be for those who seem to regularly and clearly hear from the Father on behalf of all believers. This is book 1 of a series entitled, "So, You Want To Hear The Voice Of God?" The author sets out to prepare the reader to hear from the Father. This is intended for the whole body of Christ, as they humbly experience the privilege and joy of hearing the voice of the Father. Join us as we walk the journey of seeking our Lord's face together and discovering the many ways of communing and hearing the voice of God, our heavenly Father.

Many of us do not trust our own thoughts, feelings, and desires when it comes to discerning God's will. Instead we look outside ourselves to determine what God wants from and for us. In *God's Voice Within*, spiritual director Mark E. Thibodeaux, SJ, shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources, but from God working through us. *God's Voice Within* is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment--specifically Ignatian discernment--a daily practice. Ultimately, *God's Voice Within* teaches us to discern what is at the root of our actions and emotions, which in turn allows us to respond to God's promptings inside us rather than unconsciously reacting to life around us.
