The new edition of The Rough Guide to Ecuador is a comprehensive guide to this culturally and ecologically diverse country, straddling both hemispheres. It includes in-depth information on Ecuador's varied wildlife and vibrant indigenous communities, plus coverage of some of the most awe-inspiring scenery in South America - from the Amazon rainforest to the heights of the Andes, via beautiful, sandy beaches. We cover all of Ecuador's highlights, from colonial cities to off-the-beaten track villages, snowcapped volcanoes to rolling cloudforests, plus details on the best festivals throughout the year. As well as coverage of mainland Ecuador - including in-depth chapters on the two main cities Quito and Guayaquil - we have a section dedicated to the Galápagos Islands, the world's best wildlife destination. With detailed, accurate maps, inspiring photography, insider reviews on the best hotels and restaurants and reliable transport and safety advice throughout, The Rough Guide to Ecuador will ensure you won't miss a thing during your trip.

Lexicon ecclesiasticum Latino-Hispanicum ... opus novum ... denuo ... plus dimidia parte auctum, etc Apa Publications (UK) Limited

This illustrated work is intended to acquaint readers with the early maps produced in both Europe and the rest of the world, and to tell us something of their development, their makers and printers, their varieties and characteristics. The authors' chief concern is with the appearance of maps: they exclude any examination of their content, or of scientific methods of mapmaking. This book ends in the second half of the eighteenth century, when craftsmanship was superseded by specialized science and the machine. As a history of the evolution of the early map, it is a stunning work of art and science. This expanded second edition of Bagrow and Skelton's History of Cartography marks the reappearance of this seminal work after a hiatus of nearly a half century. As a reprint project undertaken many years after the book last appeared, finding suitable materials to work from proved to be no easy task. Because of the wealth of monochrome and color plates, the book could only be properly reproduced using the original materials. Ultimately the authors were able to obtain materials from the original printer Scotchprints or contact films made directly from original plates, thus allowing the work to preserve the beauty and clarity of the illustrations. Old maps, collated with other materials, help us to elucidate the course of human history. It was not until the eighteenth century, however,

that maps were gradually stripped of their artistic decoration and transformed into plain, specialist sources of information based upon measurement. Maps are objects of historical, artistic, and cultural significance, and thus collecting them seems to need no justification, simply enjoyment.

Art Deco Postcards Abrams

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Prepare the exiting and flavorful cuisine of the American Southwest with this easy-to-follow Santa Fe cookbook. Nestled at the foot of the Sangre de Cristo Mountains, Santa Fe has the spirit of the Native American, Spanish, Mexican and Anglo-American settlers who built it—and an exciting cuisine to match. Some of today's hottest Santa Fe chefs are incorporating the region's staple ingredients—rice, beans, squash and chiles—into mouthwatering new tex-mex dishes. Authentic Southwestern recipes include: Mexican Corn Chowder from The Pink Adobe Restaurant Carne Adovada from Marie's New Mexican Kitchen Rack of Lamb with Heirloom Bean Ragout from Santecafe Orange-marinated Chicken Fajitas from Santa Fe School of Cooking Red Corn Rubbed Chicken from Inn of the Anasazi Chilean Sea Bass Napoleon from La Casa Sena Taco-nolis from Cafe Pasqual's Food of Santa Fe offers the best of Southwest cooking, New Mexico's traditional dishes, and a sampling of today's cooking innovations. Introductory essays provide the historical and geographical context of the cuisine, and glossaries of unusual ingredients, along with illustrated how-to sections, are included.

"Architecture, Design and Craft in Toronto 1900-1940 " Penguin Two top of the line modern warriors, both orphaned in childhood, hunt one another throughout the cities and jungles of Latin America. As their hunt progresses, both discover they have been

lured into this contest by Jaguar, a great spiritual power of the Amazon. Their hunt for one another turns into an otherworldly spiritual ordeal orchestrated by magical powers of the Amazon, an ordeal in which the former methods and rules by which they have fought and survived as modern day warriors are useless. Both men are motivated by deep, unshakable love. John Ashbrook, ex Navy SEAL turned deep cover spy, is hunting for his missing mentor and best bud, Ronnie Bates. Bates is the only close tie Ashbrook has let in since his family died when he was a young boy. As Ashbrook tries to pick up Bates' trail, Bates begins appearing in Ashbrook's dreams, dropping clues that actually work in the real world. Bates' clues lead Ashbrook to Rafael Sanchez. Cast adrift on the harsh streets of Caracas Venezuela by the death of his parents at age 11, Rafael became a thief to provide for his 6 year old sister Maria. With his exceptional skills, athletic prowess and fierce courage Rafael rapidly shot up the ranks of the cartels, eventually becoming Pablo Escobar's top gun and right hand man. But Rafael now wants to break free from the darkness of his past life to find a new, decent life with Isabel Londono, a woman he loves passionately. Isabel believes Rafael is a successful businessman and knows nothing of Rafael's dark side, but begins to suspect that he may have one. Their relationship is threatened and pushed into crisis as she presses Rafael to confide in her, but Rafael resists as he knows there are powerful men that would kill her or worse to find him. Jaguar's power is irresistible as he draws the men into the battle of their lives, facing their ultimate match as warriors in each other. From its beginning to the end this hunt is a high tension guessing game for both men as nobody, not even the highly accomplished native seers the men consult, can fathom what Jaguar's ultimate design is. In a bizarre turn of events, Isabel unwittingly does the one thing that radically alters the fate of both men, proving that even in the great warrior Jaguar's world love and its power of redemption are formidable forces to be reckoned with. But even with that, the men's fierce battle will take them on an unforgettable journey into the realm of death. It is only here that Jaguar's final test will take place and his ultimate design will be revealed.

Everything Secret Degenerates Footprint Travel Guides A New York Times bestseller. "With pages of tips and twelve DIY projects, the book makes the free-spirited style easy to achieve." —Architectural Digest In *The New Bohemians*, LA-based designer Justina Blakeney defines the New Bohemians as creative individuals who are boutique owners and bloggers, entrepreneurs and ex-pats, artists and urban farmers. They embrace free-spirited, no-rules lifestyles and apply that attitude to all areas of their existence, including their homes. With little distinction between work and play, the new boho home often includes an

office, art gallery, showroom, photography studio, restaurant, or even a pop-up shop. The New Bohemians explores 20 homes located primarily on the East and West coasts. Exclusive interviews with the owners, 12 DIY projects created by Blakeney and inspired by objects found in the homes, and a "Plant-O-Pedia" offer insight into achieving this aesthetic. In addition, each home is accompanied by an Adopt-an-Idea section that offers general decor, styling, and shopping tips for easy duplication in your own home. "The New Bohemians is sure to inspire readers to create, to reuse, to grow, to let loose, and to invite some cool and collected energy into their own homes." —California Home+Design "A colorful and endlessly inspiring cover-to-cover read . . . From the dreamy homes of twenty stylesetters across the country to easy DIY projects, The New Bohemians is our new favorite coffee table book for home inspiration." —One Kings Lane "Fans of Justina's style will be glad to see [the book] reads like a how-to for finding one's own inner bohemian . . . the book is as functional as it is gorgeous." —Apartment Therapy

Food of Santa Fe (P/I) International Hal Leonard

Legendary FBI profiling pioneer John Douglas's theory is that once you figure out the motivating force driving a perpetrator, you've got a good chance of cracking the case. In THE ANATOMY OF MOTIVE he uses cases from his own career to illustrate his argument. He takes us further than ever before into the dark corners of the minds of arsonists, hijackers, serial and spree killers and mass murderers. THE ANATOMY OF MOTIVE analyses such diverse killers as Lee Harvey Oswald and Timothy McVeigh - and helps us learn to anticipate potential violent behaviour before it's too late.

The FBI's Use of Murderers as Informants : Third Report Chris Hedlund
