 A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary achievement

'Takes the Malayalam novel to new heights and fresh possibilities'
 HINDU What makes us human? Twelve people accompany an anthropologist to a deserted island, cutting off all relations with the outside world. There, an experiment begins. They are not to use any known languages and must begin anew – to explore and find out if they can achieve in twenty-five years what humanity has achieved over generations. Twenty-five years later, only three of the thirteen have survived. As these three survivors recount their tale, what emerges is a story of humanity returned to its primitive roots, bereft of attachment, and not nearly as utopian as was expected. Award-winning writer T. D. Ramakrishnan's debut novel, translated for the first time to English, explores through a powerfully imaginative conceit the meaning of relationships, attachments, love, hate and anger. Above all, it seeks to answer the question: what does it mean to be human?

Naalukettu Forever

Late at night, Kumarasurar's phone rings shrilly. His teenage son is calling. What could he want? A seemingly simple demand torments Kumarasurar, who fears it might put his finances--and perhaps his son's life--in jeopardy. As a father's anxieties unravel, his memories undermine his self-worth and imaginary scenes of damnation taunt him. Estuary brings alive the different ways--absurd and endearing by turns--in which a man and his young son navigate the contemporary world. In the process, it peels back the layers of Kumarasurar's loneliness: the hurt of a married man whose wife cares only for the happiness of their child, the endless monotony of an office job, and the struggle of the salaried middle-class to give their children the best chance of success. Perumal Murugan's latest novel, his first in an urban setting, is also a razor-sharp parody of everything from e-commerce to the fitness industry, art appreciation to political manipulation, cram schools to social networks. Through a meditative exploration of a father's emotional landscape, Murugan tells of a world wrecked by unchecked consumerism and an obsession with growth, where technology overrides common sense and degrees don't guarantee education. And, with characteristic tenderness, he also weaves in a way to redemption. --Goodreads summary

Eli And The Mystery Of The Hallowshine Dragon Notion Press

First published in Malayalam in 1973, My Story, Kamala Das' sensational autobiography, shocked readers with its total disregard for mindless conventions and its fearless articulation of a subject still considered taboo. Depicting the author's intensely personal experiences in her passage to womanhood and shedding light on the hypocrisies that informed traditional society, this memoir was far ahead of its time and is now acknowledged as a bona fide masterpiece.

Kudiyattam Theatre and the Actor's Consciousness Pan Macmillan

Ann Marie reads fragments of her dead husband's unfinished book, and the many love letters he sent her, and in them the social and political events of the time. As she ponders over the writing and the years that the brilliant Jithendran squandered working for a toy company that makes drum-playing monkeys, the narrative gives way to the sweeping saga of a village by the river Periyar. Grappling with issues of equality, love, caste, religion and politics, Thachanakkara is a microcosm of twentieth-century Kerala. Told through the history of three generations of a feudal Nair family, this sprawling story is reminiscent of the craft of Gabriel Garcia Marquez's One Hundred Years of Solitude and has the scale of Sunil Gangopadhyay's Those Days. Manushyanu Oru Amukham is an artistic meditation on human existence and is a contemporary classic.

A runaway bestseller in Quebec, with foreign rights sold to 15 countries around the world, Kim Thúy's Governor General's Literary Award-winning Ru is a lullaby for Vietnam and a love letter to a new homeland. Ru. In Vietnamese it means lullaby; in French it is a small stream, but also signifies a flow - of tears, blood, money. Kim Thúy's Ru is literature at its most crystalline: the flow of a life on the tides of unrest and on to more peaceful waters. In vignettes of exquisite clarity, sharp observation and sly wit, we are carried along on an unforgettable journey from a palatial residence in Saigon to a crowded and muddy Malaysian refugee camp, and onward to a new life in Quebec. There, the young girl feels the embrace of a new community, and revels in the chance to be part of the American Dream. As an adult, the waters become rough again: now a mother of two sons, she must learn to shape her love around the younger boy's autism. Moving seamlessly from past to present, from history to memory and back again, Ru is a book that celebrates life in all its wonder: its moments of beauty and sensuality, brutality and sorrow, comfort and comedy.
