Discusses Parks' role in the Montgomery NAACP, her refusal to give up her bus seat to a white man, and the Montgomery bus boycott

A Picture Book of Martin Luther King, Jr. Penguin UK

The story of the bus--and the passengers who changed history. Like all buses in Montgomery, Alabama, in the 1950s, bus #2857 was segregated: white passengers sat in the front and black passengers sat in the back. Bus #2857 was an ordinary public bus

until a woman named Rosa Parks, who had just put in a long day as a seamstress, refused to give up her seat to a white passenger. Her arrest sparked the Montgomery Bus Boycott, a major event in the Civil Rights moment, led by a young minister named Dr. Martin Luther King, Jr. For 382 days, black passengers chose to walk rather than ride the buses in Montgomery. From the streets of Montgomery to its present home in the Henry Ford Museum, here is the remarkable story, a recipient of the Crystal Kite Award, of a bus and the passengers who changed history.

This story begins with shoes. This story is all for true. This story walks. And walks. And walks. To the blues. Rosa Parks took a stand by keeping her seat on the bus. When she was arrested for it, her supporters protested by refusing to ride. Soon a community of thousands was coming together to help one another get where they needed to go. Some started taxis, some rode bikes, but they all walked and walked. With dogged feet. With dog-tired feet. With boycott feet. With boycott blues. And, after 382 days of walking, they walked Jim Crow right out of town. . . . Andrea Davis Pinkney and Brian Pinkney present a poignant, blues-infused tribute to the men and women of the Montgomery bus boycott, who refused to give up until they got justice.

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the

Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. *Book One* spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

When Grandma was a little girl in Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the

"Whites Only" sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Elevelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.

"A searing and emotionally gripping account of a young black girl growing up to become a strong black woman during the most difficult time of racial segregation."—Professor Charles Ogletree, Harvard Law School "Provides important context for an important moment in America's history."—Associated Press When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the "Little Rock Nine," as they came to be known, would lead the nation on an even longer and much more turbulent path, one that

would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.
