collects  
 profound and  
 prophetic  
 essays on the  
 Internet age's  
 media-  
 saturated  
 disaster  
 coverage and  
 our addiction  
 to viewing and  
 discussing the  
 world's ills.

We stare at our phones. We keep multiple tabs open. Our chats and conversations are full of the phrase “Did you see?” The feeling that we’re living in the worst of times seems to be intensifying, alongside a desire to know precisely how bad things have gotten—and each new catastrophe distracts us from the last. The *Unreality of Memory* collects provocative, searching essays on

disaster culture, climate anxiety, and our mounting collective sense of doom. In this new collection, acclaimed poet and essayist Elisa Gabbert explores our obsessions with disasters past and future, from the sinking of the Titanic to Chernobyl, from witch hunts to the plague. These deeply researched, prophetic meditations question how the world will end—if indeed

it will—and why we can’t stop fantasizing about it. Can we avoid repeating history? Can we understand our moment from inside the moment? With *The Unreality of Memory*, Gabbert offers a hauntingly perceptive analysis of our new ways of being and a means of reconciling ourselves to this unreal new world. “A work of sheer brilliance, beauty and bravery.”

Sean Greer, author of *Less Than 3 Willows* Aladdin Formerly a publication of The Brain Store Teachers and students can use these simple memory techniques for recalling names, faces, facts, formulas, definitions, foreign language words, correct spelling, lists, and more. *In Memory of Memory* Ballantine Books “A heartfelt tale of an exceptional girl.” —BCCB

“Poignant...heartwarming.” —School Library Journal Fish in a Tree meets The Thing About Jellyfish in this heartfelt middle grade debut about long-buried secrets, the power of memory, and the bond between a girl and her grandmother. All Lulu Carter wants is to be seen. But her parents are lost in their own worlds, and Lulu has learned the hard way that having something as rare as HSAM—the

ability to remember almost every single moment in her life—won’t make you popular in school. At least Lulu has Gram, who knows the truth about Lulu’s memory and loves her all the more for it. But Gram has started becoming absentminded, and the more lost she gets, the more she depends on Lulu...until Lulu realizes her memory holds the very key to fixing Gram’s forgetfulness.

Once Lulu learns that trauma can cause amnesia, all she needs to do to cure Gram is hunt down that painful moment in Gram's life. With her friends Olivia and Max, Lulu digs into Gram's mysterious past. But they soon realize some secrets should stay buried, and Lulu wonders if she ever knew Gram at all. It's up to Lulu to uncover the truth before the only person who

truly sees her slips away. The Memory of Things Penguin A NEW YORK TIMES BESTSELLER "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." -- Washington Post Universally acclaimed, rapturously reviewed, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as

Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). Her story of trauma and transcendence illuminates a culture biased to protect perpetrators, indicting a criminal justice system designed to fail the most vulnerable, and, ultimately, shining with the courage required to move through suffering and live a full and beautiful life. Know My Name will

forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. *Memory Speaks* Delacorte Press Allowing herself to be hypnotized, fifteen-year-old Kira reveals

memories of another time and place that may eventually cost her and her mother their lives.

**Escape from Memory**

Vintage "[A] gripping, emotional story set in the part of history we'll never forget." - New York Daily News On the morning of September 11, 2001, sixteen-year-old Kyle Donohue watches the first twin tower come down from the window of Stuyvesant High School. Moments

later, terrified and fleeing home to safety across the Brooklyn Bridge, he stumbles across a girl perched in the shadows, covered in ash, and wearing a pair of costume wings. With his mother and sister in California and unable to reach his father, a NYC detective likely on his way to the disaster, Kyle makes the split-second decision to bring the girl home. What follows is their story, told in

alternating points of view, as Kyle tries to unravel the mystery of the girl so he can return her to her family. But what if the girl has forgotten everything, even her own name? And what if the more Kyle gets to know her, the less he wants her to go home? The Memory of Things tells a stunning story of friendship and first love and of carrying on with our day-to-day living in the midst of world-changing tragedy and

unforgettable pain—it tells a story of hope. Know My Name Reaktion Books From the #1 New York Times bestselling author of the Sisterhood of the Traveling Pants series, The Here and Now is an epic star-crossed romance about a girl who might be able to save the world . . . if she lets go of the one thing she's found to hold on to. Follow the rules. Remember what happened.

Never fall in love. The world Prenna James comes from is in ruins. She and the others who escaped are here to prevent humanity's destruction. But if they don't follow The Rules, everything that matters will be gone: Friends. Families. Dreams. Love. Ethan Jarves can never know Prenna's secret. That she's not from another place. She's from another time. "This gripping story is set in a world unlike

any other and inhabited by beautifully imagined characters that stay with you long after the last page.”  
 – Sara Shepard, bestselling author of *Pretty Little Liars* “An appealing romantic thriller . . . [also] a potent reminder that we inherit the future we buy with our actions today.”—Cassandra Clare for the *New York Times Book Review* “Fast-paced, gripping, and romantic.”—Publishers

Weekly “Lightning-paced . . . like a cinematic blockbuster.”  
 —Kirkus Reviews “The Here and Now could just as easily sit among the time-travel sci-fi, coming-of-age, or romantic thrillers of YA. Honestly, even though I really don't know how to categorize it, I loved it.”—Happily Ever After/USA Today  
*The Memory Police* Atlantic Books  
 “But while these three struggle for mortal

political power, others are discovering that the psychic abilities of the Wraeththu and their sisters, the Kamagrian, are far greater, and far stranger, than any of them had ever supposed.”--

 Gaps Tor Books  
 An exploration of life at the margins of history from one of Russia's most exciting contemporary writers  
 Shortlisted for

the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary

Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir,

travelogue, and historical documents—S tepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory. *The Next Together* Simon and Schuster A woman with no name. A wild, abandoned island. A family desperate for answers. A debut thriller like no other. On a small Greek island,

a woman comes ashore with no memory of who she is, where she's from, or how she came to be shipwrecked there. Worse, she has no way of leaving. As she's nursed back to health by the island's only inhabitants, four friends on an annual retreat, she detects tensions between the group that suggest not all is quite as it seems. Her new acquaintances each appear

to be hiding something-- something that may relate to the mystery of her identity. Meanwhile, in a pretty suburb on the outskirts of London, Eloise, the mother of a newborn and a toddler, vanishes into thin air. Her husband, Lochlan, is desperate to find her--but as the police look into the disappearance, it becomes clear that Lochlan and Eloise's marriage was not the perfect union

it appeared. As Lochlan races to discover his wife's whereabouts, Eloise enacts an investigation of her own. What both discover will place lives at risk and upend everything they thought they knew about their marriage, their past, and what lies in store for the future. *Map of Memory Lane* Harvard University Press Children are naturally curious.

Sometimes they have BIG questions. MAP OF MEMORY LANE is a heartwarming story that gently introduces the topic of loss while celebrating the simple moments we share with those we love. Remember Meli Raine An instant New York Times bestseller • A New York Times Notable Book of 2022 • Named a Best Book of 2022 by People, TIME Magazine, The Washington Post, USA Today, NPR, Los Angeles Times, and Oprah Daily, and more • A Reese's Book Club Pick • New York Times Paperback Row Selection From the #1 bestselling author of Little Fires Everywhere, comes the inspiring new novel about a mother's unshakeable love. "It's impossible not to be moved." —Stephen King, The New York Times Book Review "Riveting, tender, and timely."

—People, Book of the Week "Thought-provoking, heart-wrenching . . . I was so invested in the future of this mother and son, and I can't wait to hear what you think of this deeply suspenseful story!" —Reese Witherspoon (Reese's Book Club Pick) Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books

in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her—only that her books have been banned—and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a

quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. Our Missing Hearts is an old story made new, of the ways supposedly

civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.

*The Memory Thief*  
 Henry

Holt  
 The story that you have asked me to tell you does not begin with the pitiful ugliness of Lloyd’s death. It begins on a long-ago day in August when the sun seared my blistered face and I was nine years old and my father and mother sold me to a strange man.  
 Memory, the narrator of Petina Gappah’s *The Book of Memory*, is an albino woman languishing in Chikurubi Maximum Security

Prison in Harare, Zimbabwe, after being sentenced for murder. As part of her appeal, her lawyer insists that she write down what happened as she remembers it. The death penalty is a mandatory sentence for murder, and Memory is, both literally and metaphorically, writing for her life. As her story unfolds, Memory reveals that she has been tried and convicted for the murder of

Lloyd  
Hendricks, her  
adopted  
father. But  
who was Lloyd  
Hendricks?  
Why does  
Memory feel  
no remorse for  
his death? And  
did everything  
happen  
exactly as she  
remembers?

Sammie  
McCoy is a girl  
with a plan:  
graduate at  
the top of her  
class and get  
out of her  
small town as  
soon as  
possible.  
Nothing will

way--not even  
the rare  
genetic  
disorder the  
doctors say  
will slowly  
steal her  
memories and  
then her  
health. So the  
memory book  
is born: a  
journal written  
to Sammie's  
future self, so  
she can  
remember  
everything

from where she stashed her study guides to just how great it feels to have a best friend again. It's where she'll record every perfect detail of her first date with longtime-crush Stuart, a gifted young writer home for the summer. And where she'll admit how much she's missed her childhood friend Cooper, and the ridiculous lengths he will go to make her laugh. The memory book will ensure

Sammie never forgets the most important parts of her life--the people who have broken her heart, those who have mended it--and most of all, that if she's going to die, she's going to die living. This moving and remarkable novel introduces an inspiring character you're sure to remember, long after the last page. *Remember Every Time* Penguin This thrilling

YA fantasy debut follows seventeen-year-old Etta Lark as she navigates the underworld of Craewick to pull off the heist of a lifetime. A YALSA (The Young Adult Library Services Association) Teens' Top Ten Book for 2020, Mansy crafts a grim reality where memories are worth their weight in gold. In the city of Craewick, memories reign. The power-obsessed ruler of the city, Madame, has

cultivated a society in which memories are currency, citizens are divided by ability, and Gifted individuals can take memories from others through touch as they please. Seventeen-year-old Etta Lark is desperate to live outside of the corrupt culture, but she grapples with the guilt of an accident that has left her mother bedridden in the city's asylum. When Madame

threatens to put her mother up for auction, a Craewick practice in which a "criminal's" memories are sold to the highest bidder before being killed, Etta will do whatever it takes to save her. Even if it means rejoining the Shadows, the rebel group she swore off in the wake of the accident years earlier. To rescue her mother, Etta must prove her allegiance to the Shadows by stealing a memorized

map of the Maze, a formidable prison created by the bloodthirsty ruler of a neighboring Realm. Etta faces startling attacks, unexpected romance, and, above all, her own past as she uncovers a conspiracy that challenges everything she knew about herself and the world around her. In a place where nothing is what it seems, can Etta ever become more than a memory thief? Perfect for

fans of high-stakemagical heists such as: Leigh Bardugo (Six of Crows) Victoria Aveyard (Red Queen) Roshani Chokshi (The Gilded Wolves)	"Mansy's debut will delight fantasy readers who revel in fully developed settings and unusual powers."- Booklist "A welcome addition to the	YA fantasy canon, The Memory Thief is a suspenseful page-turner, delightfully chock full of unexpected twists and turns."- Shelf Awareness
