The Murder on the Links is a work of detective fiction by Agatha Christie, first published in the US by Dodd, Mead & Co in the same year and in the UK by The

Bodley Head in May 1923. It features Hercule Poirot and Arthur Hastings. The UK edition retailed at seven shillings and sixpence (7/6), and the US edition at \$1.75. The story takes place in northern France, giving Poirot a hostile competitor from the Paris Sûreté. Poirot's long memory for past or similar crimes proves useful in resolving the crimes. The book is notable for a subplot in which Hastings falls in love, a development "greatly desired on Agatha's part... parcelling off Hastings to wedded bliss in the Argentine." Reviews when it was published compared Mrs Christie favourably to Arthur Conan Doyle in his Sherlock Holmes mysteries. Remarking on Poirot, still a new character, one reviewer said he was "a pleasant contrast to most of his lurid competitors; and one even suspects a touch of satire in him."

With his career still in its formative years, we learn many things about how Poirot came to exercise those famous 'grey cells' so well. Fourteen of the eighteen stories collected herein are narrated by Captain Arthur Hastings—including what would appear to be the earliest Poirot short

story, 'The Affair at the Victory Ball,' which follows soon on the events of *The Mysterious Affair at Styles*. Two of the stories are narrated by Poirot himself, to Hastings. One, 'The Chocolate Box,' concerns Poirot's early days on the Belgian police force, and the case that was his greatest failure: 'My grey cells, they functioned not at all,' Poirot admits. But otherwise, in this most fascinating collection, they function brilliantly, Poirot's grey cells, challenging the reader to keep pace at every twist and turn.

"This crime is so complicated that it must be quite simple," declares Hercule Poirot. But there's a murderer on the loose, and time is ticking away....

### *The Voice in the Dark* Harper Collins

Hercule Poirot is called on to investigate the murder of a brother and sister, in this classic Agatha Christie mystery now available in an updated edition with a foreword Sophie Hannah. "He was murdered, wasn't he?" When Cora Lansquenet is savagely murdered, the extraordinary remark she had made the previous day at her brother Richard's funeral suddenly takes on a chilling significance. At the reading of Richard's will, Cora was clearly heard to say, "It's been hushed up very nicely, hasn't it. But he was murdered, wasn't he?" Did Cora's accusation a dark truth that sealed her own fate? Or are the siblings' deaths just tragic coincidences? Desperate to know the truth, the Lansquenet's solicitor turns

to Hercule Poirot to unravel the mystery. For even after the funeral, death isn't finished yet . . .

When Hercule Poirot and his sidekick Arthur Hastings arrive in the French village of Merlinville-sur-Mer to meet their client Paul Renauld they learn from Paris police that he has been found that morning stabbed in the back with a letter opener and left in a newly dug grave adjacent to a local golf course. Among the plausible suspects are Renauld's wife Eloise, his son Jack, an unknown visitor of the previous day, Renauld's immediate neighbor Madame Daubreuil, and the mysterious "Cinderella" of Hasting's recent acquaintance—all of whom Poirot has reason to suspect. Poirot's powers of investigation ultimately triumph over the wiles of an assailant whose misdirection and motives are nearly—but not quite—impossible to spot. Contains a character key, a detailed biography, and an illustrated list of notable Poirot portrayals. Agatha Christie is the "Queen of Mystery" and the world's best-selling mystery writer. Over the course of more than half a

century she wrote eighty crime novels and short story collections, nineteen plays, and several poetry collections. Her books have sold more than a billion copies in the English language and another billion in a hundred other languages. Agatha Christie died in 1976. title: *The Murder on the Links - Agatha Christie*
