Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if je t'aime still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: une aventure. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer amoureux, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her amorous mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.

How the Prohibition law of 1920 made alcohol, savored in secret, all the more delectable when the cocktail shaker was forced to go “underground” “Roaring Twenties” America boasted famous firsts: women’s right to vote, jazz music, talking motion pictures, flapper fashions, and wondrous new devices like the safety razor and the electric vacuum cleaner. The privations of the Great War were over, and Wall Street boomed. The decade opened, nonetheless, with a shock when Prohibition became the law of the land on Friday, January 16, 1920, when the Eighteenth Amendment banned “intoxicating liquors.” Decades-long campaigns to demonize alcoholic beverages finally became law, and America officially went “dry.” American ingenuity promptly rose to its newest challenge. The law, riddled with loopholes, let the 1920s write a new chapter in the nation’s saga of spirits. Men and women spoke knowingly of the speakeasy, the bootlegger, rum-running, black ships, blind pigs, gin mills, and gallon stills. Passwords (“Oscar sent me”) gave entrée to night spots and supper clubs where cocktails abounded, and bartenders became alchemists of timely new drinks like the Making Whoopee, the Petting Party, the Dance the Charleston. A new social event—the cocktail party staged in a private home—smashed the gender barrier that had long forbidden “ladies” from entering into the gentlemen-only barrooms and cafés. From the author of *Gilded Age Cocktails*, this book takes a delightful new romp through the cocktail creations of the early twentieth century, transporting readers into the glitz and (illicit) glamour of the 1920s. Spirited and richly illustrated, *Jazz Age Cocktails* dazzles with tales of temptation and temperance, and features charming cocktail recipes from the time to be recreated and enjoyed.

The Fashion Insiders' Guides are carefully curated compendiums of the current hotspots, classic haunts, and hidden gems of the world’s greatest fashion destinations. A former Parisian living in New York, French Vogue correspondent Carole Sabas was often approached by friends and colleagues on their way to Paris for Fashion Week, looking for the best place for a quick facial, early morning yoga, or to meet a friend for a drink. So many people asked, in fact, that she produced a small guide filled with advice, which she gave out for free. Requests for more information and other cities came pouring in. Abrams is now making Sabas's Paris and New York guides available to everyone, with expanded content including chapters such as “Eating and Drinking,” “Beauty,” “Health,” “Shopping,” “Art,” and an eclectic selection of odds and ends called “Might Be Useful One Day.” Written with a light touch and in a friendly tone, each entry includes a description of the recommended spots with hints about when to go, who to ask for, and what to get, as well as location and contact information. The inclusion of additional advice from local fashion celebrities on their favorite places to frequent puts readers confidently in-the-know. Peppered throughout with drawings by a noted and local fashion illustrator, these beautifully designed guides will be the must-have accessories of the season.
