A Soul Remembers Hiroshima Ozark Mountain Publishing
Has Nostradamus predicted the coming Apocalypse along with a
thousand other great events? Published here are the hard to find
original English translations from 1672 to help answer that
question.

A Novel Amer West Pub & Dist

Originally printed in 1989 each edition has added updates of
events predicted by Nostradamus that have occurred since the

last edition. For this newest edition regressionist and psychic
researcher Dolores Cannon has written an extensive addendum
that covers evidence of the fulfilment of the prophecies predicted
by Nostradamus. Secret weapons computers the World Wide Web
and the New Science of Nano-technology are included among the
new topics covered. Nostradamus broke through to our time
period by a one-in-a-million chance contact through hypnosis. In
this series the master himself explains the puzzles he carefully
concealed in code within his famous quatrains or prophecies.
Contains 136 quatrains.

Conversations with Nostradamus: Volume 1 Ozark Mountain
Publishing

The first major literary presentation of Nostradamus's Prophecies, newly translated and edited by prizewinning scholars The mysterious quatrains of the sixteenth-century French astrologer Nostradamus have long proved captivating for their predictions. Nostradamus has been credited with anticipating the Great Fire of London, the rise of Adolf Hitler, and the September 11 terrorist attacks. Today, as the world grapples with financial meltdowns, global terrorism, and environmental disasters—as well as the Mayan prediction of the apocalypse on December 21, 2012—his prophecies of doom have assumed heightened relevance. How has The Prophecies outlasted most books from the Renaissance? This edition considers its legacy in terms of the poetics of the quatrains, published here in a brilliant new translation and with introductory material and notes mapping the cultural, political, and historical forces that resonate throughout Nostradamus's epic, giving it its visionary power.

Conversations with Nostradamus. Vol. 3 Macmillan

The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself, plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space/time continuum by her use of regressive hypnosis, to bring us warnings of events to come. This volume continues to work through various subjects and completes the interpretation of all the known prophecies.

The Search for Hidden, Sacred Knowledge Ozark Mountain Publishing

In 1562, Michel de Nostradamus led a small party on an expedition deep into the hostile Desert of Barbary, now known as

the Sahara. Without any knowledge of what they might find, the small party had entered the vast desert in search of a miracle. In the present day, Dr. Zara Delacroix enlists the help of Sam Reilly to hunt for answers about a book she believes was buried in the Sahara centuries earlier to protect humanity from some great catastrophe. This ancient manuscript was named The Book of Nostradamus. . .

She has pierced the veil of the space/time continuum to bring us the warnings of the events to come by Nostradamus exactly how he has seen them.

The Lost Book of Nostradamus Penguin

The persistent memory of a horrible death, that reached across time and space, and caused a 22 year old American girl to seek past-life therapy, revealed the dramatic story of a Japanese man who was killed in the atomic bombing of Hiroshima. There have been many stories of pain, death and destruction told by survivors of the Hiroshima bombing. This is the eyewitness account of one who did not survive! This case revealed startling information about the Japanese side of the war. Research into the bombing also revealed terrible truths that the public was not

aware of at the time of this dramatic ending of World War II.

Nostradamus Ozark Mountain Publishing

Mass Dreams of the Future Simon and Schuster

Nostradamus' prophecies have fueled bestselling books ever since he first published them in 1555. Unlike some authors, I'm not claiming to have broken a secret code or discovered lost books of prophecies. But I do claim to know the history, mythology, geography, astronomy, and biblical references Nostradamus uses to describe future events. This is my second book on Nostradamus - my fourth on a wider range of prophecy - and I feel confident that my "outrageous" claims are the most realistic interpretation of what Nostradamus wrote. Nostradamus' most common theme is the military invasion of Europe by an Islamic alliance of nations in the early 21st century. Iran and Turkey are mentioned most often, along with many other Muslim nations that unite to invade Southern and Western Europe. The United States is initially unable to help. Nostradamus repeatedly tells us that the war between Islam and Christianity progresses slowly into a world war lasting about 27 years in total. It ends no later than 2029, but could go nuclear much sooner. At least four cities will be nuked, including New York and Rome. Nostradamus did not see up to the year 3797. He knew the world as we know it ends in the early 21st century, just after the war between Islam and Christianity ends. He repeatedly describes an Islamic

Antichrist and the fulfillment of all biblical end times prophecies during and immediately following the war, including a catastrophic pole shift that alters the surface of the Earth. Are you familiar with the prophecies in which Nostradamus described these future events? If the answer is "not yet" - read on and learn why Nostradamus said we would appreciate his predictions much more in the first half of the 21st century.

"A masterpiece of prophecy." —Whitley Strieber, author of "Communion" Prophets, such as Nostradamus, Stormberger and others introduced in this new and topical book accurately dated, detailed and forecast the coming of the First, the Second, and perhaps a "Third" World War. A new cold war between America and Russia "in our future" would merely be a short prelude to the threat of a civilization-ending nuclear exchange that no one saw coming. With open eyes we "walk into these great catastrophes," so they say. The danger begins when America and Russia display eagles as their national totems. That time is today. Read the prophets of world wars sound an alarm while there's still time to stop this war from happening. The future has another destiny. Edgar Cayce foresaw Russia becoming the "Hope of the World" with the help and support of American friendship. From citing future dangers to offering solutions, these prophets might show us a way to lasting peace.

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

Nostradamus and the Islamic Invasion of Europe Ozark Mountain Publishing

Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time. Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska-Canada region thousands of years ago? Starcrash indicates that aliens continued to come to Earth, some intentionally and by accident, throughout our history. In order to adjust to harsh conditions they were forced to interbreed with the local aborigines. This was the only way to insure the survival of their race. Does their blood still flow in the veins of certain American Indian tribes?

The twenty-fifth anniversary edition of this underground classic explores higher consciousness, human evolution, metaphysics, sacred geometry, the secret government, and more. Nothing in This Book Is True, But It's Exactly How Things Are details from a big-picture perspective the enormous infusion of higher dimensional energy that is dramatically raising the vibratory rate of the planet and everyone on it. Bob Frissell has greatly expanded upon the previous edition by including ten completely new chapters. Frissell also gives the details of the personal transformation that we must make if we are to survive and thrive, so we can "catch the ride" into higher consciousness in a way that enables Mother Earth to reach critical mass and become "lit from within." This is the story of nothing less than the birth of a new humanity and the cocreation of Heaven on Earth.

Between Death and Life New Age Books

Sequel to *Jesus and the Essenes*. The past-life memories of two women capture a true and compelling portrait of Jesus the man, from the healing miracles he performed to the gentle philosophy he preached. This is an INSIDER view, direct from Jesus' time,

deep in feeling tones and profound in implications, giving a sense of how things truly were. This book includes drawings of the Temple and Old Jerusalem, and includes scenes at the Temple in Jerusalem, visits to homes and leper colonies, political intrigues leading to the crucifixion, and also the personal feelings of those who met him. The realism of this information is astounding.
