Peer Mediation Harper Collins

An irrepressible new girl dethrones the reigning recess bully by becoming her friend in this infectious playground romp. Mean Jean was Recess Queen and nobody said any different. Nobody swung until Mean Jean swung. Nobody kicked until Mean Jean kicked. Nobody bounced until Mean Jean bounced. If kids ever crossed her, she'd push 'em and smooch 'em, lollapaloosh 'em, hammer 'em, slammer 'em, kitz and kajammer 'em. Until a new kid came to school! Parents and teachers will appreciate the story's deft handling of conflict resolution (which happens without adult intervention). "A lively story about the power of kindness and friendship" -- Publishers Weekly "A lighthearted look at a serious topic in schools and on playgrounds everywhere..." -- School Library Journal "Great for reading aloud and joining in." -- Booklist
Conflict Resolution in the Classroom Workbook Strategic Book Publishing & Rights Agency

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there,

Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

A foolish knight is certain that his side of the wall is the safe side in this clever, amusingly meta picture book by the acclaimed creator of *It's Only Stanley*. There's a wall in the middle of the

book, and our hero—a young knight—is sure that the wall protects his side of the book from the dangers of the other side—like an angry tiger and giant rhino, and worst of all, an ogre who would gobble him up in a second! But our knight doesn't seem to notice the crocodile and growing sea of water that are emerging on his side. When he's almost over his head and calling for help, who will come to his rescue? An individual who isn't as dangerous as the knight thought—from a side of the book that might just have some positive things to offer after all!

The Legend of Rock Paper Scissors Tricycle Press

A rare look at emotional bullying among boys from the best-

selling author of *My Secret Bully*. D.J.'s friend Vince has a habit of teasing D.J. and then saying, "Just kidding!" as if it will make everything okay. It doesn't, but D.J. is afraid that if he protests, his friends will think he can't take a joke. With the help of his father, brother, and an understanding teacher, D.J. progresses from feeling helpless to taking positive action, undermining the power of two seemingly harmless words. Trudy Ludwig takes another look at relational aggression, the use of relationships to manipulate and hurt others, this time from the boy's point of view. Back matter includes discussion questions, a "dos and don'ts of teasing" list, and a resource guide for parents and teachers. Endorsed by Full Esteem Ahead, The Hands & Words Are Not For Hurting Project, and The Ophelia Project.
