Determined to save
her family home from
creditors, a young and
naive Juliet runs off to
New York City with her
five younger sisters,

seeking her fortune as
a star of silent films.
Original.

*Journey to the Land of
Promise* Bantam

Are you walking
through a dark season
of pain and loneliness,
causing you to wonder
where God is in all
this? During my dark
season, God revealed
to me I am not alone
and I know that you

are not alone either. My journey prompted me to write my own story. I titled it *Through the Wilderness to the Promised Land*. Often when pain is great, we tend to focus on the suffering and our faith begins to waver. We must focus on the omniscience and omnipresence of God and fight to remember that God has given us exceedingly great and precious promises that He is always with us and that we are never alone. With Him everything is possible! The Bible is filled with many of His promises for us to lean on in our brightest seasons and our darkest nights. Hold onto these truths. Begin to believe that hope and healing are here.

Walking the Bible
Bloomsbury Publishing

In this *New Studies in Biblical Theology* volume, Oren Martin demonstrates how, within the redemptive-historical framework of God's unfolding plan, the land promise to Israel advances the place of the kingdom that was lost in Eden, anticipating the even greater land, prepared for all of God's people, that will result from the person and work of Christ.

Angel of War B&H Publishing Group
"Martin Fletcher, who headed up NBC TV's Tel Aviv News Bureau, knows his territory and it shows on every page. *Promised Land* is a great sweeping epic, reminiscent of Leon Uris' *Exodus*; a moving story of triumph and tragedy, new love and historic hate, expertly told by a cast of

unforgettable characters. Fletcher's writing is superb and rises to the level of importance that this story demands and deserves. Historical novels don't get much better than *Promised Land*." —Nelson DeMille, #1 New York Times bestselling author of *The Cuban Affair* *Promised Land* is the sweeping saga of two brothers and the woman they love, a devastating love triangle set against the tumultuous founding of Israel. The story begins when fourteen-year-old Peter is sent west to America to escape the growing horror of Nazi Germany. But his younger brother Arie and their entire family are sent east to the death camps. Only Arie survives. The brothers reunite in the nascent

Jewish state, where Arie becomes a businessman and one of the richest men in Israel while Peter becomes a top Mossad agent heading some of Israel's most vital espionage operations. One brother builds Israel, the other protects it. But they also fall in love with the same woman, Tamara, a lonely Jewish refugee from Cairo. And over the next two decades, as their new homeland faces extraordinary obstacles that could destroy it, the brothers' intrigues and jealousies threaten to tear their new lives apart. *Promised Land* is at once the gripping tale of a struggling family and an epic about a struggling nation. *A Healing Journey with Jesus* HarperCollins

What does it mean to be pilgrims in a confusing world? In this BST volume, Raymond Brown explores how the book of Numbers offers a picture of a better life. He shows how its message is eminently suited to our world today, a world without firm spiritual and moral foundations. We see how God provides for the basic needs of life: to be loved, to be free, to be certain.

AuthorHouse
The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the

Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

My Promised Land
Crown

Tiberian Hasidism provides a model of an intensive contemplative life that is particularly

appealing to contemporary spiritual seekers for many reasons. This volume focuses on the teachings of R. Abraham haCohen of Kalisk ripe for excavation, offering an authentic roadmap to future contemplative pathways ripe for our age.

The Triumph and Tragedy of Israel

Shadow Mountain

Both a heart-racing adventure and an uplifting quest, *Walking the Bible* describes one man's epic odyssey—by foot, jeep, rowboat, and camel—through the greatest stories ever told. From crossing the Red Sea to climbing Mount Sinai to touching the burning bush, Bruce Feiler's inspiring journey will forever change your

view of some of history's most storied events.

Escaping Persecution in Russia, a Family Flees to Safety Through Post War-ravaged Europe A

Child's Story of the Book of Mormon Zionism . . . promotes the narrative that the Nazi holocaust is exceptional in human history - despite it being one of many holocausts from Native Americans North and South to Armenia and Rwanda. It sets Jews apart from the victims and survivors of other genocides instead of uniting us with them . . . Billions of US dollars flow annually to Israel to sustain the occupation and Israel's sophisticated and brutal army. The war machine they fund is a

leader in the global arms industry, which drains resources craved by a world in desperate need of water, food, health care, housing and education. - International Jewish anti-Zionist Network Charter . . . Palestinian dispossession and occupation are by design. Zionism has meant profound trauma for generations, systematically separating Palestinians from their homes, land, and each other. Zionism, in practice, has resulted in massacres of Palestinian people, ancient villages and olive groves destroyed, families who live just a mile away from each other separated by checkpoints and walls, and children holding

onto the keys of the homes from which their grandparents were forcibly exiled . . . - Jewish Voice for Peace in its "Approach to Zionism" What will be seared into the consciousness of the world will be the image of Israel as a blood-stained monster, ready at any moment to commit war crimes and not prepared to abide by any moral restraints . . . - Uri Avnery, former Zionist Irgun

Black Migrants in Northern Cities and Labor Markets

Thomas Nelson
The blend of scholarship and artistry of the DVD documentary Journey of Faith (Maxwell Institute, 2006) continues in expanded form in the book Journey of Faith: From

Jerusalem to the Promised Land. Containing numerous threads of historical detail and scholarly insight not included in the DVD, this visually stunning look at the Book of Mormon prophet Lehi's trek through the harsh Arabian desert reflects a synergistic collaboration of talented scholars, artists, and photographers seeking to illuminate an epic event in scriptural history and situate it in a real-world setting. Aside from assembling commentary and images from the DVD, this book includes a foreword by the editors, their reflections on the project in two separate chapters, additional commentary by scholars, an appendix

on the famed Incense Trail across the Arabian Peninsula, and a bibliography.

At Play in the Promised Land

Fulcrum Publishing
This text has been a popular introduction to the Pentateuch for over fifteen years, offering a unique alternative to the critical approaches that focus on the composition of these books rather than the actual content. With this new edition, T. Desmond Alexander keeps the book fresh and relevant for contemporary students by updating the references and adding material that reflects recent pentateuchal research as well as the author's maturing judgments. The result is a revision that will prove valuable for many years to come.

From Jerusalem to the Promised Land

Waterbrook Press
A Middle East advisor examines efforts to broker peace between Israel and its Arab neighbors; tackles complex issues of history, religion, culture, domestic politics, national security, and foreign policy; and offers practical solutions for the future.

Journey Into the Promised Land

Dundurn
It's one thing to say homosexuality is wrong, but it is far more difficult to leave it behind. This is the story of one woman's struggle as she relates it to the Israelites' journey to the Promised Land.

From Tiberias, with Love InterVarsity Press
Fear, drama,

suspense... and hope. Amid the ruins and chaos left by the Second World War, a family sets out from a small town in Russia to escape the uncertainty of living under the iron fist of Stalin. Their arduous journey takes them through Poland and then Germany, where they hear first-hand accounts of the holocaust where millions of Jews and others were exterminated only a few years earlier... and then on to France and England. A few years later, the son Simon, and his wife Rose visit Israel after discovering their Jewish roots and heritage. They arrive just in time to experience the dramatic Six Day War when the surrounding Arab nations attempt to destroy Israel. You

will be kept wondering how this family can possibly survive as they flee the only home they've ever known. This powerful story is based on the true accounts of friends and strangers that the author has woven into fascinating fiction.

An Introduction to the Pentateuch Jolly Fish Press

It's not enough for us to have a destination in mind and a desire to get there, we must walk! We have to walk with purpose and with determination, but the devil isn't going to make it easy. He's going to discourage us by filling the wilderness with threats and dangers, or he'll create an oasis as delightful as possible to lure us in and keep us from moving ahead. It takes

strength to resist the temptations and to keep walking. Sometimes, though, the wilderness is difficult because that's the nature of the wilderness. Life can be hard; it can be cruel even. In those times, when our sorrow tells us to push away, it takes faith to reach for the Father's hand and keep walking, trusting that God is always present and feels the pain of his children. I took a random poll not too long ago and asked people what they thought was the greatest challenge to daily Christian living. The overwhelming answer was "time." Most of the responders said that the day goes by so quickly that before they know it, it's time for bed and they've not done

anything to strengthen their relationship with God, grow their faith, or share Jesus Christ with some- one else. We have to decide to make our spiritual lives a priority. The goal of this study is to help us become intentional in our daily spiritual walk. We make choices every day of our lives. We choose when to wake up, what to wear, what we eat, how we will respond to people, and what we will do for exercise. We also choose how we will live for Christ each day. We can choose how we will walk!

A Promised Land, a Perilous Journey

Thomas Dunne Books
From 1940 to 1970,
nearly four million
black migrants left the
American rural South
to settle in the
industrial cities of the

North and West. Competition in the Promised Land provides a comprehensive account of the long-lasting effects of the influx of black workers on labor markets and urban space in receiving areas. Traditionally, the Great Black Migration has been lauded as a path to general black economic progress. Leah Boustan challenges this view, arguing instead that the migration produced winners and losers within the black community. Boustan shows that migrants themselves gained tremendously, more than doubling their earnings by moving North. But these new arrivals competed with existing black workers, limiting black-white

wage convergence in Northern labor markets and slowing black economic growth. Furthermore, many white households responded to the black migration by relocating to the suburbs. White flight was motivated not only by neighborhood racial change but also by the desire on the part of white residents to avoid participating in the local public services and fiscal obligations of increasingly diverse cities. Employing historical census data and state-of-the-art econometric methods, *Promised Land* revises our understanding of the Great Black Migration and its role in the transformation of American society.

Journey to a

Promised Land

Smyth & Helwys Pub
An instant New York Times bestseller!
Connect deeper with the Bible and your faith as Kathie Lee Gifford journeys with Messianic Rabbi Jason Sobel through Israel, studying the Bible in its Hebrew context. As a lifelong student of Scripture, Kathie Lee Gifford has always desired a deeper understanding of God's Word and a deeper knowledge of God Himself. But it wasn't until she began studying the biblical texts in their original Hebrew and Greek—along with actually hiking the ancient paths of Israel—that she found the fulfillment of those desires. Now you can walk with Kathie on a journey through the

spiritual foundations of her faith: The Rock (Jesus Christ): Hear directly from Kathie about her life-changing and ever-deepening connection with Jesus, the Lover of her soul. The Road (Israel): Explore dozens of ancient landmarks and historical sites from Israel, the promised land of God's covenant. The Rabbi (God's Word): Go beyond a Sunday-school approach to the Bible by digging into the original languages and deeper meanings of the Holy Scriptures. As you journey through The Rock, the Road, and the Rabbi, you'll also find additional content from Messianic Rabbi Jason Sobel throughout the book. Jason's insight into the Hebrew language, culture, and heritage

will open your eyes to the Bible like never before. Come! Begin your journey toward a deeper faith through The Rock, the Road, and the Rabbi.

The Lion Story Bible

Maxwell Institute Jakob Streit retells the stories of the Bible with colorful and compelling pictures that deepen the understanding of the stories' meaning. With his decades of Waldorf teaching with its storytelling curriculum, this master story teller brings the Old Testament to life. Geared to please nine and ten year olds, these books make wonderful class readers for fourth graders. A perfect balance is struck in these stories between reverent care in the accuracy of the tales and the vivid

embellishments that make the stories real. *Promised Land* Lion NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking *From Beirut to Jerusalem* has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as *My Promised Land*. Facing

unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in

the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious

Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a

small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for My Promised Land "This book will sweep you up in its narrative force and not let go of you until it is done. [Shavit's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East."—Simon Schama, Financial Times "[A] must-read book."—Thomas L. Friedman, The New York Times "Important and powerful . . . the least tendentious book about Israel I have ever

read."—Leon Wieseltier, The New York Times Book Review "Spellbinding . . . Shavit's prophetic voice carries lessons that all sides need to hear."—The Economist "One of the most nuanced and challenging books written on Israel in years."—The Wall Street Journal
Beyond the Lesbian Struggle Schocken Follow Abraham and his guardian angel as they face the forces of nature, men and demons on their perilous journey to the land that God has promised. A biblical novel of historical fiction and spiritual warfare.
