ASHLEY HARPER

Lord of the White Hell Scholastic Inc.

As a child, Luke's mother often tells him the story of the Dumb House, an experiment on newborn babies raised in silence, designed to test the innateness of language. As Luke grows up, his interest in language and the delicate balance of life and death leads to amateur dissections of small animals – tiny hearts revealed still pumping, as life trickles away. But as an adult, following the death of his mother, Luke's obsession deepens, resulting in a haunting and bizarre experiment on Luke's own children.

"Do you want to be perfect?" That's what Danny asked Celia the night he turned her into a vampire. Three months have passed since, and immortality didn't transform her into the glamorous, sexy vamp she was expecting, but left her awkward, lonely, and working at a Florida gas station. On top of that, she's a giant screw-up of an immortal, because the only blood she consumes is from illegally obtained hospital blood bags.

The Hod King HarperCollins

A New York Times–bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as “a shining light.” *Fire from Heaven* is a gripping account of the formative years of Alexander's life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic Persian Boy centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander's disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed,

challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure—I intend to find out.

A love so forbidden, it would shake the heavens ... My father called them messengers. He once told me they walked among us, and that somewhere in this dark and godless city, there shined a faint sliver of hope. I had only to look for the signs. Well, I've spent my whole life investigating the inexplicable, and all I've found are the unsettling vestiges of iniquity - the evidence of another world shrouded by the obscure. Purgatory to some, where depravity hides in shadows, and girls like me are little more than delicious bites of temptation. Others call it Nightshade. This peculiar place is where I first met the cold and callous recluse living in a decaying cliffside cathedral. Jericho Van Croix is the epitome of everything I've been told to fear. A raven-winged harbinger who wears intrigue like a warm black cloak. An enigma that I'm determined to unravel - even if it means getting closer than I should. One touch is forbidden. Even so much as a kiss would be my demise. But the sin on his lips burns me up like a wild flame, and his growing infatuation weakens my resolve. Giving him what he wants, though, will mean no chance for redemption, or escape. What's worse is, the signs I've followed yet failed to see all these years begin to unmask a terrifying reality: That falling may be my only saving grace.
