The Seventh-day Adventist Hymnal. Routledge
To millions, he was the rebellious Man in Black, the unabashed patriot, the redeemed Christian-the king of country music. But Johnny Cash (1932-2003) was also an uncertain country boy whose dreams were born in the cotton fields of Arkansas and who struggled his entire life with a guilt-ridden childhood, addictions, and self-doubt. *Johnny Cash: The Biography* explores many often overlooked aspects of the legend's life and career, uncovering

the origins of his songwriting and trademark boom-chicka-boom rhythm and delving into the details of his personal life, including his drug dependency, which dogged him long after many thought he'd beaten it. Scrupulously researched, passionately told, Johnny Cash: The Biography is the unforgettable portrait of an enduring American icon.

Over 150 Songs in the Key of "C" Genevox Music Group

This 230-page songbook contains all of the best and most beloved old-time gospel and traditional hymns and spirituals from the United States and England. Over 110 hymns are included in large-print format, with easy-to-read lyrics and guitar chords, perfect for singing and strumming in church, at home, on the back porch or around the campfire. The author created this book specifically for people who want to strum and sing the good old hymns - this book does not contain any sheet music notation or tablature, just the words and chords. A short informational snippet for each song, explaining some of its origin and history, is also included. Each song is given in two different keys (C and G), with capo information to help you find your best key for singing. This is a wonderful treasury of old-time Christian music perfect for session musicians or anyone wanting to learn more of

this beautiful music. From the author: "In choosing what songs to include, I primarily selected ones I remember from my own childhood, growing up in Baptist and Pentecostal congregations in northern Ohio. I have also included the more hymn-like Christmas carols in this collection, since the hymnals I grew up with did so. My hope is that this book will help you along your own musical journey, and will also help to keep these wonderful traditional Christian hymns and spirituals alive for generations to come. Music revivals come and go, and music is always evolving and changing, but some classics stand the test of time. This book is my effort to help ensure these songs will endure. Happy strumming!"
