9 Essential Convictions for Every Pastor

Thomas Nelson

Philippians is the most personal letter Paul wrote to a church. In it, he addresses many challenging aspects of the Christian life such as joy, humility, and spiritual unity. Respected preacher and Bible teacher, John MacArthur, presents yet another comprehensive and compelling commentary in his New Testament Series. Readers will find this resource indispensable for their study of this excellent epistle.

What Is Authentic Faith? Thomas Nelson
Life as Kim and Krickitt Carpenter knew it was shattered beyond recognition on November 24, 1993. Two months after their marriage, a devastating car wreck left Krickitt with a massive head injury and in a coma for weeks. When she finally awoke, she had no idea who Kim was. With no recollection of their relationship and while Krickitt experienced personality changes common to those who suffer head injuries, Kim realized the woman he had married essentially died in the accident. And yet, against all odds, but through the common faith in Christ that sustained them, Kim and Krickitt fell in love all over again. Even though Kim stood by Krickitt through the darkest times a husband can ever imagine, he insists, "I'm no hero. I made a vow." Now available in trade paper with a new chapter and photo insert, *The Vow* is the true story that inspired the major motion picture of the same name starring Rachel McAdams (*The Notebook*), Channing Tatum (*Dear John*), Sam Neill (*Jurassic Park*), and Academy Award

winner Jessica Lange.

Presents the texts of the Old and New Testament, along with commentaries and lists of biblical scripture about prophecy in the Bible.

El Manual Biblico MacArthur Grupo Nelson

MacArthur writes that when naturalistic and atheistic presuppositions are being aggressively peddled as if they were established scientific fact, Bible-believing Christians "ought to expose such lies for what they are and oppose them vigorously." With this book readers can find answers to the tough questions and learn what the Bible says about how our universe began.

The Battle for the Beginning Editorial Portavoz

This package contains the complete two-volume set of First Corinthians and Second Corinthians from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. In First Corinthians and Second Corinthians, respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. MacArthur explores these issues by giving a verse-by-verse analysis in context and providing points of application for passages, illuminating the biblical text in practical and relevant ways. Both volumes form yet another set of comprehensive and compelling

commentaries in his New Testament series, and are a must-have for every pastor's library.

The Apologetics Study Bible Grupo Nelson

A first-time mother, a prostitute, an introverted young woman, sisters with opposite personalities. Who were these women? Ordinary women for sure, but used by God in ways they never could have imagined . . . made extraordinary because of their life-changing faith in God. La Biblia de Estudio MacArthur-RV 1960

Thomas Nelson

A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it's been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping

you from a fulfilling—and correct—relationship with God. It's powerful. It's controversial. And with new eyes you'll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE "We have been bought with a price. We belong to Christ. We are His own possession." Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC

The Gospel According to Jesus

Thomas Nelson

From master-expositor and Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the good news of Jesus. The apostle Paul penned a number of very pithy, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, president of the Master's University and Seminary, and longtime pastor at Grace Community Church, tackles such questions as, What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. The Gospel According to Paul is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers.

The first edition of *The Gospel According to Jesus* won wide acclaim in confronting the "easy-believism" that has characterized some aspects of evangelical Christianity. Over the past 50 years, a handful of books have become true classics, revered worldwide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur's *The Gospel According to Jesus* is one of those books. In *The Gospel According to Jesus*, MacArthur tackles the idea of "easy believism," challenging Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th anniversary edition of MacArthur's provocative, Scripture-based book contains one new chapter and is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing Why Jesus is both Savior and Lord to all who believe.

The Murder of Jesus Holman Bible Publishers

The question of the "historical Adam" is a flashpoint for many evangelical readers and churches. Science-and-theology scholar Loren Haarsma--who has studied, written, and spoken on science and faith for decades--shows it is possible both to affirm what science tells us about human evolution and to

maintain belief in the doctrine of original sin. Haarsma argues that there are several possible ways of harmonizing evolution and original sin, taking seriously both Scripture and science. He presents a range of approaches without privileging one over the others, examining the strengths and challenges of each.
