BRENDEN GOODMAN

Spirit-Filled Jesus Crossway
 ABOUT THE WRITER Success is a beneficiary of prophetic declarations from men of God; when I was in Nigeria and in America. I believe that God speaks to his people through prophets. I have tons of testimonies, there are catalogues of testimonies from others who believe and declare prophetic utterances from Prophet, like Bishop David Oyedepo on their lives and over there situations. God has decorated my life by obeying instructions from this man of God and declaring over my life his declarations. I am married and blessed with three wonderful children.

Making Marriage Work American Federation of Astr

Over the last decade, author and activist Astra Taylor has helped shift the national conversation on topics including technology, inequality, indebtedness, and democracy. The essays collected here reveal the range and depth of her thinking, with Taylor tackling the rising popularity of socialism, the problem of automation, the politics of listening, the possibility of rights for the natural and non-human world, the future of the university, the temporal challenge of climate catastrophe, and more. Addressing some of the most pressing social problems of our day, Taylor invites us to imagine how things could be different while never losing sight of the strategic question of how change actually happens. Curious and searching, these historically informed and

hopeful essays are as engaging as they are challenging and as urgent as they are timeless. Taylor 's unique philosophical style has a political edge that speaks directly to the growing conviction that a radical transformation of our economy and society is required.

Expect A Miracle Random House
 #1 NEW YORK TIMES BESTSELLER • “The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon.”—Andrew Solomon, author of *The Noonday Demon*
 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • The New York Times Book Review • Time • NPR • The Economist • The Paris Review • Toronto Star • GQ • The Times Literary Supplement • The New York Public Library • Kirkus Reviews It is worse, much worse, than you think. If your anxiety about

global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “epoch-defining book” (The Guardian) and “this generation’s Silent Spring” (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today’s.

LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD “*The Uninhabitable Earth* is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet.”—Farhad Manjoo, *The New York Times* “Riveting. . . . Some readers will find Mr. Wallace-Wells’s outline of possible futures alarmist. He is indeed alarmed. You should be, too.”—*The Economist* “Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘eerily banal language of climatology’ in favor of lush, rolling prose.”—Jennifer Szalai, *The New York Times* “The book has potential to be this generation’s *Silent Spring*.”—*The Washington Post* “*The Uninhabitable Earth*, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book.”—Alan Weisman, *The New York Review of Books*

The Magic of Thinking Big Amazon Digital Services LLC - KDP Print US

“Sepsis strikes up like a fire in the forest, kills quickly, switching off the lights of life in hours, tearing limb from limb, leaving a shaking and humiliated half of you alive to grin and bear it like a wounded animal.” The true story of a couple whose love is tested to its limit after their perfect life falls apart in a single moment. When Tom puts his small daughter to bed one chilly December evening, he has everything he could ever want - the house of his dreams, the life of a writer, a beautiful wife and a second baby on the way. By the next morning all of this is in jeopardy as Tom

succumbs to the devastating illness that is sepsis. This is the incredible story of a family coming to terms with a life-changing diagnosis while battling to hold their family and their marriage together.

Remake the World Simon and Schuster “There are lots of reasons to feel bad about national politics. Mark Gerzon provides some well-thought-out, reality-based reasons to feel better.” — James Fallows, National Book Award-winning author of *Breaking the News* In this era of poisonous partisanship, *The Reunited States of America* is a lifesaving antidote. At a time when loyalty to party seems to be overpowering love of country, it not only explains how we can bridge the partisan divide but also reveals the untold story of how some of our fellow citizens are already doing it. This book, a manifesto for a movement to reunite America, will help us put a stop to the seemingly endless Left-Right fistfight while honoring the vital role of healthy political debate. Mark Gerzon describes how citizens all over the country—Republicans, Democrats, and independents—are finding common ground on some of the most divisive and difficult issues we face today.

Financial Peace Ballantine Books

From award-winning comedian, director, writer, and producer David Steinberg comes the totally original, utterly blasphemous, and hysterically funny memoir of a young man who emerged from a traditional Jewish childhood to become an international star—all because, it seems, he kept God in stitches. David Steinberg was raised in Winnipeg, Canada, by parents who expected little from him. And no wonder. Instead of studying Talmud in order to become a rabbi, he chose to major in Martin and Lewis with a minor in basketball. As David imagines the story of his life (since his success otherwise makes no sense), God one day spotted him on the playground and decided that this young man with no ambition could go far with His help. Sure enough, God soon had David on network TV and Broadway, and selling out nightclubs across the country—as well as being pursued by hot starlets. *The Book of David* is David Steinberg's hilarious trip down memory lane, assuming that the lane has a biblical address. This wild riff on the Old Testament is guaranteed laughter.

Promised Land Metro Books

Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly. This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing. Contrary to popular stereotypes

of flamboyant, fraudulent, anti-medical “faith healing” televangelists who preach a materialistic, “health and wealth” gospel, handle serpents, or sensationally “exorcize” demons, this book offers a more nuanced portrait. The collected essays illumine local variations, hybridities, and tensions in practices on six continents, and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources. This is the first book of its kind. Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation. This volume's distinguished, international team of contributors includes sociologists, anthropologists, historians, political scientists, theologians, and religious studies scholars from North America, Europe, and Africa. Read together, these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today—globalization, pentecostalism, and healing—each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways.

Breaking Anxiety's Grip WaterBrook

“Von Drehle has chosen a critical year ('the most eventful year in American history' and the year Lincoln rose to greatness), done his homework, and written a spirited account.”—*Publishers Weekly*.”

The Reunited States of America Createspace Independent Publishing Platform

21 surgeries by age 13. Years in the hospital. Verbal and physical bullying from schoolmates. Multiple miscarriages as a young wife. The death of a child. A debilitating progressive disease. Riveting pain. Abandonment. Unwanted divorce... Vaneetha begged God for grace that would deliver her. But God offered something better: his sustaining grace.

The Scars That Have Shaped Me CreateSpace

The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your

attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

Bishop David Oyedepo's Prophetic Declarations Xulon Press

"Explains how the American middle class ballooned at mid-century until it dominated the nation, showing who benefited and what brought the expansion to an end"--

Book of David Harper Collins

In this book, Bishop Dag Heward-Mills teaches how tithing embodies the principles of wealth creation and the miracle of prosperity.

Revelation Macmillan

This book is a product of many years of painstaking examination conducted on the lifestyle of a revered personality, a pragmatic leader and prosperity exponent, Dr. David Olaniyi Oyedepo. Consider this book as the brightest ever-burning lamp of accumulated wisdom that will help you go places.

I Love Jesus, But I Want to Die Haymarket Books

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your

mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

The Poisonwood Bible Lampo

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives.

Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* **Breaking the Yoke of Financial Hardship** Simon and Schuster America, 1787. Ethan Saunders, once among General Washington's most valued spies, is living in disgrace after an accusation of treason cost him his reputation. But an opportunity for redemption comes calling when Saunders's old enemy, Alexander Hamilton, draws him into a struggle with bitter rival Thomas Jefferson over the creation of the Bank of the United States. Meanwhile, on the western Pennsylvania frontier, Joan Maycott and her husband, a Revolutionary War veteran, hope for a better life and a chance for prosperity. But the Maycotts' success on an isolated frontier attracts the brutal attention of men who threaten to destroy them. As their causes intertwine, Joan and Saunders—both patriots in their own way—find themselves on opposing sides of a plot that could tear apart a fragile new nation.

The Greater Journey Revell

* Beyond the Corporation is a book for our times. Offering inspiration and vision in the wake of financial Armageddon, it is the story of ordinary people who share the ownership of the businesses where they work. * The enterprises come in all sizes: from companies employing just a few dozen people, to large corporations: John Lewis in the UK, employing 70,000 'partners'; Mondragon, a highly entrepreneurial group of over 100 businesses in Spain, employing more than 100,000; and many examples in the US, some employing tens of thousands. It would be hard to imagine a better informed, more involved or more enthusiastic set of employees - sharing the efforts of making their companies successful, and sharing all of the rewards. Unusually in the corporate world, they control their own destinies - a situation beyond the dreams of most working people. * Erdal takes a hard look at those

who insist, in the teeth of the evidence, that shared ownership will never work - a sorry tale, he argues, of prejudice masquerading as economic thinking. The book contains detailed case studies as well as interviews with a range of people, whose inspiring stories of success fly in the face of received wisdom. These successes include: high levels of productivity; sustained rapid growth; fast-moving, innovative responses to changing worlds; high levels of investment aimed at long-term prosperity; and, above all, the sheer happiness employees experience in working together in businesses that they own together, sharing the wealth that they create. * At a time when the 'orthodox' corporate economy has been badly shaken, *Beyond the Corporation* makes essential reading.

The Whiskey Rebels Oxford University Press

God's original intent for marriage is enviable and imitable success. It was designed to work, not to hit the rocks, leaving "its victims" devastated and inconsolably heartbroken. But isn't that

the story in our world today? In this book, Pst (Mrs.) Faith Oyedepo renews her effort to see homes all around the world witness unprecedented change and harmony.

Unveiling tested secrets to making a marriage work, she passionately teaches that purposeful hard work is the only way to enjoy "happily ever after."

[Financial Astrology](#) Aapc Publishing

Satan Get Lost! Simon and Schuster
Award-winning film and television writer, producer and director David Brady's work is best known in Canada, but no stranger to U.S. and European audiences. He has been the President of four film and television production companies. All of his

work has been critically acclaimed, including two Golden Globe Nominations for Best Foreign Picture, Best Actor. Productions he has produced have 7 Canadian Academy Awards, a Banff Television Festival nomination and nearly a dozen US Film & Video Awards. He has produced for such networks as The Disney Channel, Discovery, The Smithsonian Channel, TLC, CBC, CTV, France 5, Fox Tel to name just a few. His road to success was filled with childhood trauma that led to substance abuse and massive debt. His book provides a simple 8 Step formula to help you find a solution to the effects of growing up in an alcoholic or dysfunctional family. David received an MFA from York University in Toronto and was an undergraduate and graduate student at Simon Fraser University in Vancouver, BC. David has been on the faculties of three universities, York and Ryerson University in Toronto and Capilano University in North Vancouver, British Columbia. His recent book *Aging With Dignity, Living With Grace* continues to garner 5 out of 5 Star Reviews on Amazon.com
