Hot, beautiful, and cocky is not all you'll get after meeting Echo! He's up for a challenge and set on stealing the Runes series title "Best Book Crush!" ~ Julia Hendrix @ As You Wish Reviews Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. The chemistry between them is mind-blowing. The connection defies logic. Even better, the souls leave her alone when he is around. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful, and cocky. He is also a soul reaper. A Grimmir. A Goodreads Best Romance “Fans of *The Devil Wears Prada* will flip over *Love on Lexington Avenue*.” —Karen Hawkins, New York Times bestselling author From New York Times bestselling author Lauren Layne comes the second delightfully charming installment in the Central Park Pact series, following a young widow whose newfound cynicism about love is challenged by a sexy, rough-around-the-edges contractor. There are no good men left in New York City. At least that’s Claire Hayes’s conviction after finding out her late husband was not the man she thought he was. Determined to rid her home of anything that reminds her of her cheating husband, Claire sets out to redesign her boring, beige Upper East Side brownstone and make it something all her own. But what starts out as a simple renovation becomes a lot more complicated when she meets her bad-tempered contractor Scott Turner. Scott bluntly makes it known to Claire that he only took on her house for a change of pace from the corporate offices and swanky hotels he’s been building lately, and he doesn’t hesitate to add that he has no patience for a pampered, damaged princess with a penchant for pink. But when long workdays turn into even longer nights, their mutual wariness morphs into something more complicated—a grudging respect, and maybe even attraction... Filled with laugh-out-loud scenes that blend perfectly with the touching friendships Layne brings to life on the page, this “hugely entertaining” (USA TODAY) novel is perfect for fans of Lauren Weisberger.

A Sons of the North Romance novel from Sandra Lake, author of *The Warlord's Wife*, who takes readers to 12th-century Scandinavia where two hearts clash in furious passion... The daughter of a Northern warlord, Katia is known as the Iron Princess for her mettle in battle. Headstrong and defiant, she instigates sword duels on a whim with little regard for her own safety. Raised in an atmosphere of mistrust and deceit, he rejects the concept of husbandry and wants a life of purpose and sacrifice in the pursuit of security for the Baltic Sea.
