Some differences between
Catholicism and
Protestantism can be
tricky to grasp, but one of
them just requires the
ability to count: Catholic
bibles have seventy-three
books, whereas Protestant
bibles have sixty-six - plus
an appendix with the
strange title Apocrypha.
What's the story here?
Protestants claim that the
medieval Catholic Church
added six extra books
that had never been
considered part of the Old
Testament, either by Jews

or early Christians.
Catholics say that the
Protestant Reformers
removed those books,
long considered part of
Sacred Scripture, because
they didn't like what they
contained. In *Why
Catholic Bibles Are Bigger*,
Gary Michuta presents a
revised and expanded
version of his
authoritative work on this
key issue. Combing the
historical record from pre-
Christian times to the
Patristic era to the
Reformation and its
aftermath, he traces the
canon controversy
through the writings and
actions of its major
players.

A Christian Manifesto

Multnomah

This is a lively account of
one of the most important
and overlooked themes in
American education.
Beginning in the colonial
period and working to the
present, Gaither describes
in rich detail how the
home has been used as
the base for education of
all kinds. The last five
chapters focus especially
on the modern
homeschooling movement
and offer the most
comprehensive and
authoritative account of it
ever written. Readers will
learn how and why
homeschooling emerged
when it did, where it has

been, and where it may
be going. Please visit

In 2009, the Good News
Club came to the public
elementary school where
journalist Katherine
Stewart sent her children.
The Club, which is
sponsored by the Child
Evangelism Fellowship,
bills itself as an after-
school program of "Bible
study." But Stewart soon
discovered that the Club's
real mission is to convert
children to fundamentalist
Christianity and
encourage them to
proselytize to their
"unchurched" peers, all
the while promoting the
natural but false
impression among the
children that its activities
are endorsed by the
school. Astonished to
discover that the U.S.
Supreme Court has
deemed this -- and other
forms of religious activity
in public schools -- legal,
Stewart set off on an
investigative journey to
dozens of cities and towns
across the nation to
document the impact. In
this book she
demonstrates that there
is more religion in

America's public schools today than there has been for the past 100 years. The movement driving this agenda is stealthy. It is aggressive. It has our children in its sights. And its ultimate aim is to destroy the system of public education as we know it.

Worthy Books

Tired of just doing your duty in the bedroom? This book is for you. Do you want to have all (and I mean all) that God designed for a wife's sexual pleasure? This book is very practical. Do you want calming tools to bring down your levels of fear and anxiety when intimate with your husband? This book gives step-by-step instructions for reducing fear and worry and even wrong attractions. Wonder how to strengthen your core muscles for better orgasms? There is a chapter for you. Ever consider what foods to eat for improved sexual responses? Again, a chapter by a registered dietitian spells it out. If you are single, widowed, or divorced, there is a chapter for you too. Just go straight to the last chapter, which guides you into greater spiritual and emotional intimacy with

your Bridegroom, Jesus Christ. The topic of sexual intimacy is taboo in the church. Women who struggle with sexual dissatisfaction do not know where to get help. From *Duty to Delight: Sexual Intimacy for the Whole Woman* is a treasure trove of biblical knowledge and wisdom for the church. In this powerful and passionate book, biblical counselor Eileen Scipione takes us on a necessary and adventurous biblical journey to teach Christian women how to develop physically, emotionally, and spiritually into becoming more fulfilled sexual beings. Shannon Kay McCoy Eileen Scipione offers a biblical approach to sexuality, openly discussing topics that seem off-limits to many. She unapologetically offers wisdom that many young women wished their mothers had openly discussed with them. Contrasting the cultural misconceptions of monogamous sexual union as drab and dull, she provides the beauty of biblical sexual intimacy filled with pleasure and purpose. Dr. Dale Johnson, Director of ACBC

About The Author The author is a committed follower of Christ and an

experienced biblical counselor. She was a pastor's wife for several years, and then her husband George helped launch CCEF. Eileen was a pioneer in the homeschooling movement in New Jersey and also in home birthing. She has five grown children and two grandchildren. She earned her BS in education for the visually impaired and also earned her ThM in biblical counseling at Reformed Presbyterian Theological Seminary. A conference and retreat speaker for many years, Eileen loves to use her gifts for those who want biblical and practical help for spiritual, emotional, and even physical challenges. Now a widow, she senses a call on her life to sharing the secrets of her own enriched and intimate marriage of forty-seven years.

STAN PERSKY is a writer, commentator on the media, and a professor of philosophy at Capilano University in North Vancouver. Originally from Chicago, he settled in Vancouver after a tour as a merchant marine. He is the author of twenty-one books, which include *At the Lenin Shipyard: Poland and the Rise of the Solidarity Trade Union;*

Buddy's: Meditations on Desire; Then We Take Berlin: Stories from the Other Side of Europe; and *Topic Sentence: A Writer's Education*. He has won the Hubert Evans Non-Fiction Prize of the BC Book Prizes (2006) and was awarded the Lieutenant Governor's Award for Literary Excellence in 2010. The contributors to this festschrift in honour of Stan Persky include Thomas Marquard, Alberto Manguel, Nadya Al-Wakeel, Myrna Kostash, Scott Watson, George Stanley, Slavenka Draculic, Hedwig Wingler-Tax, John Dixon, John Giorno, Pierre Coupey, John Ralston Saul, Don Akenson, Norbert Ruebsaat, David Farwell, Robin Blaser, Tom Sandborn, Brian Fawcett, Gerald Stanley, Daniel Gawthrop, Sharon Thesen, and George Bowering. Their essays, poems, artwork, and commentaries address concerns familiar to Stan Persky, whose life as a public intellectual has led him to write poetry, award-winning works of creative non-fiction, and to be at the forefront of many of contemporary society's most significant battles: death and mortality, the plight of our

First Nations peoples, gay liberation, desire, the alternative media, the philosophy of language, Plato, history, ideas and the act of thinking, and, above all else, friendship. [God's Big Picture](#) Revell Drawing from a study of courtship media and ethnographic work at purity retreats and home-school conventions across the Midwest, this is the first inquiry into modern Christian courtship, an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married. Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures, Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood: single young women work to embody ideals of "luminous femininity" and model themselves after archetypes such as the "Proverbs 31 woman," the "stay-at-home-daughter," and the "mission-minded girl," and courting couples strive to "guard their hearts" against premature

emotional intimacy. Nonetheless, participants report that courtship, like other relationships, inevitably carries an element of risk, and it ultimately fails to offer a substantial challenge to the to the sexist realities of youth dating culture.

Life Notebook

This book explores how verbal blessings can change and restore difficult relationships, highlighting the great power of the living God to work in our daily lives. The spoken blessing is a powerful spiritual weapon with enduring impact. By giving spoken blessings, we can see healing brought to aching souls and restoration brought to bruised relationships. Such wonders are accomplished by the power of God's Spirit through the agency of spoken blessings, just as Scripture affirms: "Death and life are in the power of the tongue." Our words have the power to crush or to heal, to break bones or to plant a tree of life where none has grown before. And these dynamics of the spoken blessing may be truer today than ever. Mr. Gothard's timely message brings this awareness to us in a helpful and

encouraging way. "Death and life are in the power of the tongue." Proverbs 18:21 What if spoken blessings could grant freedom from years of bitter hurts? What if they could break down the walls that divide husband from wife, parent from child, and friend from friend? Our words have lasting impact not only for harm, but also for great good. By speaking blessings, we can help bring healing to aching souls and restoration to bruised relationships. Let Bill Gothard share with you the secret of spoken blessings, and embark on a rich family tradition that brings harmony and closeness beyond anything you've previously experienced. Story Behind the Book While dealing with layer after layer of hurts, fears, and barriers that teenagers experience with their parents and God, I often heard cruel statements by a parent during a time of anger. Statements like "I wish you were never born" or "You'll never amount to anything" were like deadly poison affecting everything in that teenager's life. Such is the power of a verbal curse. However, more powerful have been the

verbal blessings of a parent to a son or daughter. They have been like sources of refreshment and energy that have guided the goals and decisions of those who received them. With such lasting results from the life-and-death power of the tongue, it was essential to me that this book be written.

Kathryn Joyce's

fascinating introduction to the world of the patriarchy movement and Quiverfull families examines the twenty-first-century women and men who proclaim self-sacrifice and submission as model virtues of

womanhood—and as modes of warfare on behalf of Christ. Here, women live within stringently enforced doctrines of wifely submission and male headship, and live by the Quiverfull philosophy of

letting God give them as many children as possible so as to win the religion and culture wars through demographic means.

"A prescription for explosive and effective prayer" —Pat Boone "The Power of Crying Out will bless and inspire you with a deeper understanding of God's grace and power.

Bill Gothard's book has reawakened in me a strong desire to cry out to my Lord with passion and expectancy." —Dr. Gary Smalley, counselor and bestselling author When members of the early church cried out to God in urgent need, the place shook with the power of their supplication. In this compelling vision for modern-day supplication, Bill Gothard recognizes the key truth that only God's almighty power can rescue His children in times of distress. Using illustrations from Scripture and testimonies from everyday people, Gothard demonstrates the power of crying out—and how God can shake the world of those who cry out to Him today. His compelling teaching will revolutionize the way you pray—for all time!

Quiverfull Springer Nature Murray analyses a crucial period in American religious history, with particular attention to the major theme of the nature of religious revival. He rejects the common identification of revival & revivalism, showing that the latter differed from the former both in its origins & in its implications. Whereas in the earlier period, revival was understood as supernatural & heaven-sent, in the later period the ethos was much more man-centred & the methods employed much closer to the manipulative. The change in perspective can be summed up by saying that revival was first viewed as OEsent down, but later seen as OEworked up. A pivotal figure in the change & a major promoter of the new methods, was Charles Grandison Finney (1792-1875). Murray traces developments from the time of Samuel Davies (1763-61), through the age of the Second Great Awakening, to the New York Awakening of 1857-8. In addition to Davies & Finney, major leaders whose names recur in these pages include Archibald Alexander (1772-1851) of Princeton Theological Seminary, Edward D. Griffin (1770-1837) & Asahel Nettleton (1783-1844). Arnold Dallimore An outstanding biography, scholarly, yet popularly written, of the leading preacher of the eighteenth-century evangelical revival. Whitefield (1714-70) is acknowledged to have made a greater impact on evangelical Christianity on both sides of the Atlantic than any other preacher of the eighteenth century. The first volume traces the early career of Whitefield to the end of 1740, at which point the twenty-six-year-old was already the most brilliant and popular preacher of the time, and had already, at age 24, commanded the largest congregations yet seen in America. The second volume traces the doctrinal conflict with John and Charles Wesley, Whitefield's visits to Scotland and Wales, as well as the American colonies, and the emergence of a Calvinistic branch of Methodism. Also provided are details of Whitefield's marriage, friendships, ceaseless labours and early death aged 55. The two-volume set casts new light on Whitefield's early life in Gloucester, religious conditions in England at the commencement of his preaching ministry, his influence on the Great Awakening of 1739-40 in America, his relationships with the Wesleys, his philanthropic endeavours and his impact on all classes of English society including the aristocracy.
