CABRERA HOWE

Course In Microeconomic Theory KrepsDavid M. Kreps has developed a text in microeconomics that is both challenging and "user-friendly." The work is designed for the first-year graduate microeconomic theory course and is accessible to advanced undergraduates as well.A Course in Microeconomic Theory - amazon.comAmong the graduate textbooks, this is the most suited for self study - though not as comprehensive in coverage as Microeconomic Theory, this text guides the reader through the hard core material in an easy and engaging style - of course, the treatment is rigorous and mathematical, but Kreps prose flows and it feels more like a set of lecture notes than a textbook. The chapters on game theory are particularly good.A Course In Microeconomic Theory by David M. KrepsThe work is designed for the first-year graduate microeconomic theory course and is accessible to advanced undergraduates as well. Placing unusual emphasis on modern noncooperative game theory, it provides the student and instructor with a unified treatment of modern microeconomic theory — one that stresses the behavior of the individual actor (consumer or firm) in various institutional settings.A Course in Microeconomic Theory | Princeton University PressDavid M.
