Com esta nova trilogia situada na bela povoação de Edilean, na Virgínia, Jude Deveraux conta-nos a história de três jovens mulheres, melhores amigas da faculdade, das suas vidas, dos seus amores e dos sonhos que pretendem realizar. Por sugestão da sua grande amiga Kim, Jecca Layton deixa de lado o mundo da arte de Nova Iorque para passar o verão entregue à sua paixão, a pintura, enquanto desfruta da unida comunidade artística de Edilean. O primo de Kim, Tristan Aldredge - o atraente e dedicado médico da povoação - sente há anos uma profunda atração pela «irmã» universitária da prima, embora até então só a tenha visto uma vez na vida; agora, Jecca sente-se cativada pelos encantos deste homem forte e sensível num verão de prazer sensual. Porém, quando as nuvens negras anunciam o regresso de Jecca à «vida real» e à grande cidade, os amantes devem tomar uma decisão: poderão sobreviver à separação? E qual dos dois sacrificará parte dos seus sonhos para poderem continuar juntos? Jude Deveraux é autora de uma vasta obra, com 40 títulos que marcaram presença na lista dos livros mais vendidos do New York Times. Os seus livros, bestsellers em vários países, já venderam mais de 60 milhões de exemplares em todo o mundo.

Machine-quilting pro Lori Kennedy has taught hundreds of quilters how to start and, more importantly, how to improve their machine quilting. Now she's packed her vast knowledge, and more than 150 up-close photos, into 25 hands-on lessons you can turn to anytime you need guidance. Each lesson has a practice session and questions to help you evaluate what worked and where you may need a bit more practice. Whether you stitch your way through a lesson a day or save them for weekend quilting time, you'll soon be building skills and confidence, and quilting your projects with ease. You'll learn: Why it's important to start doodling (page 19) How to prevent drag or resistance when quilting a big quilt (page 44) When to mark, and ways to avoid marking pitfalls (page 72) How to create focal points and contrast with your quilting (page 116)

Learn how to do quick and easy applique the Sew Quirky way for fun, sewn projects. This collection

of 12 designs for bright and bold machine applique patterns can be used to create bags, pillows, and quilts as well as to embellish clothes. Author, Mandy Murray, has a very unique style and that is reflected in her irreverent, humorous approach to designing, so whether it's a dachshund in a doughnut or a flamingo who likes to mingle, her designs can't fail to make you smile. This collection includes 12 projects for homewares and wearables. Choose from a fun floor cushion to an apron, table mats, wall hanging and even a dinosaur inspired applique design for a denim jacket. Mandy uses fusible applique to bring her designs to life and she explains this technique with step-by-step instructions and illustrations at the beginning of the book along with specific advice about getting the most from your sewing machine and using unusual fabrics - she loves to incorporate cork, vinyl and other eye catching fabrics into her designs. Other applique and piecing techniques covered include fussy cutting, layered applique, fabric selection and fabric 'auditioning' so you choose the best fabric for your project; how to get the right tension on your sewing machine and which feet to use, as well how to choose the right threads and needles for the best results. Other subjects covered include how to add hand embroidery and decorative stitches, quilting and finishing techniques and adding embellishments. Mandy also shares her techniques for different stitch styles, and shows you how to get exciting effects with even the most basic sewing machine. And she explains how to create her distinctive applique style using decorative stitches in the stitch library. The full-size applique patterns are included on a pull-out pattern sheet so you don't need to print them out and stick pages together, and all the applique templates are included at full-size so you can get going straight away once you've decided which design to tackle first! As well as the main techniques section there are 12 exciting projects to choose from. Mandy is known for her fun and quirky designs: a dachshund in a donut, an otter on an inflatable and a flamingo who likes to mingle all feature in this fun pattern collection which includes wall art, embellishments on clothing, cushions, quilts and an apron. The projects come together quickly and easily and make the perfect funky present for families and friends.

In an all-new trilogy set in blissful Edilean, Virginia, Jude Deveraux weaves together the tales of three young women, best friends since college, and the lives, loves, and dreams that await them. Sparks are flying between Jecca Layton and Dr. Tristan Aldredge. At the urging of her dear friend Kim, Jecca put the ruthless New York City art world on hold to spend the summer pursuing her

passion for painting while enjoying Edilean's tightly knit artistic community. For years, Kim's cousin Tris—the town's handsome and dedicated doctor—felt a deep connection to Kim's college "sister" Jecca, though they had met only once before; now, Jecca is swept off her feet by this strong, sensitive man in a summer of sensual delights. But when long shadows announce Jecca's return to "real life" and the big city, the lovers must decide: Can they survive the distance? And who will sacrifice the life they've created for themselves to be together?
