Can islam and democracy exist side by side? Is Islam compatible with democracy? The text examines one of the most frequently-asked and yet misguided questions. Democratic ethos should not and cannot be deduced from some essence of religions supposedly inscribed in the scriptures. Rather, they are the outcome of political struggles that push Islam toward democratic or authoritarian directions. Asef Bayat offers a new approach to examine Islam and democracy arguing how the social struggles of diverse Muslim populations, those with different interests and orientation, render Islam to embrace democratic ideas or authoritarian disposition. "Islamism" and "post-Islamism" are discussed as representing two contrasting movements which have taken Islam into different, authoritarian and inclusive, political directions.

This timely book explores how the Malays and Muslims in general are faced with challenges in the fields of business, economy and politics, in the modern era of globalisation. These research findings can help the Muslim community to enhance international integration, particularly in Malaysia and Southeast Asia. In this work, scholarly and expert authors explore Islamic perspectives on communication, art and culture, business, and law and policy. They respond to the need to uphold and strengthen the culture, arts and heritage of the Malays. Readers are invited to explore the challenges for the Malay and Muslim world and to evolve strategies to ensure competitiveness, dynamism and sustainability. Topics such as Islamophobia, drug trafficking, savings behaviours and the role of social media are addressed. These reviewed papers were presented at the International Conference on Islamic Business, Art, Culture & Communication 2014, held in Melaka, Malaysia. They have the potential to strengthen aspects of

Islamic economy and leadership, if translated into action plans. This book represents essential reading for scholars of Islamic studies and will be of interest to those examining Southeast Asia and the Malay world.

How Yiddish Changed America and How America Changed Yiddish Bloomsbury Publishing

Every American needs to understand the threat to America's safety and prosperity posed by China's reemergence as a world power. Unlike our other economic and military rivals, China is the only country big enough and with enough human resources to compete with us everywhere in the world. From the point of view of Beijing, China has a long history of dominating the world, and the past century of Western dominance is only a temporary blip. Their strategy to overtake America involves using spying, extortion, lawsuits, economic infiltration, intellectual property theft, propaganda and sabotage to weaken the United States and strengthen China. Gingrich's research will show that it is clear Chinese leaders are following this strategy to the letter, and that it is working as planned. It is possible for America to respond to the Chinese effort but doing so will require many big changes and hard choices for our leaders in government and private sector. That is why it is vital to build an understanding of the China challenge so there is consensus and political support to be what must be done. Newt Gingrich's TRUMP VS CHINA will serve as a rallying cry for the American people and a plan of action for our leaders in government and the private sector. Written in a language that every American can understand, but still rich in detail and accurate in fact, TRUMP VS CHINA will lay out China's multi-pronged attack

against the United States and what we must do to combat it.

SUKSES adalah ketika kita mendapatkan apa-apa yang Skita inginkan. Sementara bahagia, adalah ketika kita mampu menikmati yang kita miliki dengan berbagi dan memberikan apa yang kita dapatkan. Seseorang bisa sukses, tetapi belum tentu bahagia. Di sisi lain, seseorang bisa saja merasa bahagia meski menurut pandangan umum dia belum sukses. Sukses tidak menjamin bahagia apalagi tidak sukses, lebih tidak menjamin bahagia. REZEKI yang paling besar adalah ketika kita merasakan kenikmatan iman. KESUKSESAN yang paling tinggi adalah ketika kita memiliki akhlak yang mulia. KEBAHAGIAAN yang paling dalam adalah ketika kita dapat berbagi dan memberi. INVESTASI yang menguntungkan adalah ketika dalam berbagai keadaan kita dapat dengan ikhlas berinfak dan sedekah. Sukses itu penting tapi bersyukur jauh lebih bahagia. Jangan menunggu bahagia baru kita bersyukur tapi bersyukurlah kepada Allah maka kita akan bahagia.

Buku ini menjelaskan tentang pentingnya pendidikan fase pra aqil baligh sebagai masa pembentukan segala aspek penting menjadi hamba Allah yang mukallaf. Bekal hidup sebagai

manusia dewasa yang mampu masuk dalam lingkungan sosial yang lebih besar dan memberi kemanfaatan bagi orang lain. Dalam Islam hanya dikenal dua fase perkembangan, fase pra aqil baligh dan aqil baligh. Ketika seorang anak telah memasuki usia baligh, berapa pun usianya, anak tersebut telah dikenai tanggung jawab seperti orang dewasa tanpa beda sama sekali. Dalam pandangan Islam setiap anak manusia diciptakan sesuai fitrah Islam. Tapi kenapa kemudian ada anak yang tumbuh sesuai harapan ada juga yang tidak? Karena fitrah ini bisa redup sesuai dengan kondisi lingkungannya. Lingkungan terdekat yang paling besar pengaruhnya pada anak adalah rumah, dan orangtua punya tanggung jawab dan berperan besar untuk mengarahkan anak berkembang sesuai fitrahnya. Buku Mendidik Anak Pra Aqil Baligh disajikan dengan contoh penyimpangan sosial yang meresahkan masyarakat untuk membuka wawasan berfikir orangtua agar lebih waspada dan sadar untuk senantiasa membersamai anak, membekali anak dengan akidah dan pendidikan yang cukup. Buku ini juga disajikan dengan contoh tokoh-tokoh terkenal yang sudah memberikan kontribusi pada ummat saat usianya masih muda.

A momentous and diverse anthology of the influences and inspirations of Yiddish voices in America—radical, dangerous, and seductive, but also sweet, generous, and full of life—edited by award-winning authors and scholars Ilan Stavans and Josh Lambert. Is it possible to conceive of the American diet without bagels? Or Star Trek without Mr. Spock? Are the creatures in Maurice Sendak’s *Where the*

Wild Things Are based on Holocaust survivors? And how has Yiddish, a language without a country, influenced Hollywood? These and other questions are explored in this stunning and rich anthology of the interplay of Yiddish and American culture, edited by award-winning authors and scholars Ilan Stavans and Josh Lambert. It starts with the arrival of Ashkenazi immigrants to New York City’s Lower East Side and follows Yiddish as it moves into Hollywood, Broadway, literature, politics, and resistance. We take deep dives into cuisine, language, popular culture, and even Yiddish in the other Americas, including Canada, Argentina, Cuba, Mexico, and Colombia. The book presents a bountiful menu of genres: essays, memoir, song, letters, poems, recipes, cartoons, conversations, and much more. Authors include Nobel Prize-winner Isaac Bashevis Singer and luminaries such as Grace Paley, Cynthia Ozick, Chaim Grade, Michael Chabon, Abraham Cahan, Sophie Tucker, Blume Lempel, Irving Howe, Paula Vogel, and Liana Finck. Readers will laugh and cry as they delve into personal stories of assimilation and learn about people from a diverse variety of backgrounds, Jewish and not, who have made the language their own. The Yiddish saying states: *Der mentsh trakht un got lakht. Man plans and God laughs.* *How Yiddish Changed America and How America Changed Yiddish* illustrates how those plans are full of zest, dignity, and tremendous humanity. Most of all, the book shows us that Yiddish, far from being an endangered language, is more vibrant than ever. Praise for *How Yiddish Changed America and How America Changed Yiddish*: “A wide-ranging, eclectic anthology of work by Yiddish writers. Stavans and Yiddish Book Center

academic director Lambert have assembled an impressive collection of essays, fiction, drama, memoir, poetry, cartoons, and interviews, all showing how 'Yiddish is so deeply woven into the fabric of the United States that it can sometimes be difficult to recognize how much it has transformed the world we live in today.'... Among all these are some stunners—e.g., 'Oedipus in Brooklyn,' a story by Blume Lempel (1907-1999) that begins with the line, 'Sylvia was no Jocasta.' Emma Goldman (1869-1940) writes fiercely about marriage, which she compares to an 'iron yoke.' In a poem about Coney Island, Victor Packer (1897-1958) writes, 'Beauty and crudity / Go hand in hand and / Launch a united front / Right there are on the sand.' [Cynthia] Ozick (b. 1928) compares Sholem Aleichem to Dickens, Twain, and Will Rogers. 'He was a popular presence, and stupendously so. His lectures and readings were mobbed; he was a household friend; he was cherished as a family valuable.' For readers unfamiliar with Yiddish writing, a revelation; for readers and aficionados of the language, a treasure." —Kirkus Reviews, Starred Review "For many people, this will be a poignant, surprising, and engrossing introduction to the epic survival story of a singular culture, requiring no foreknowledge of Yiddish, by two of the field's luminaries. For those of us whose grandparents spoke and understood, and whose parents only understood—no need to explain that we do neither—this book is the way back to a language that once meant everything." —Boris Fishman, author of *A Replacement Life* and *Savage Feast* "This volume is not a chronological exploration of the Yiddish language in America. Instead, the editors offer portions of some of the major works

of Yiddish literature, poetry, comics, and political thought, by writers including Isaac Bashevis Singer, Chaim Grade, Cynthia Ozick, and Sophie Tucker, among others. A delightful chapter concentrates on culinary offerings with some recipes included. Finally, a fascinating chapter focuses on the influence of Yiddish in Canada, Argentina, Cuba, Mexico, and Columbia, offering a glimpse of Yiddishkeit outside Eurocentric views. VERDICT A wonderful compilation sure to please new and old lovers of Yiddish culture, Jewish history, and linguistics." —Library Journal "Who could resist the lure of a jar of kosher dills on a bright yellow book cover? Not I. In addition to the pickles what the cover promised was a certainty that the work represented on its pages, between essays, fiction, poems, cartoons, etc., would be co-chosen by the indefatigable Ilan Stavans, whose work I have followed for years. Divided into six parts, starting with 'Politics and Possibilities' and ending with 'The Other Americas,' one cannot help but be amazed by the breadth of Yiddish documents that have been found and preserved from the past, while marveling at the more contemporary writers who have added richness and are keeping Yiddish alive. This book is utterly fascinating and a true cultural artifact." —Lucy Kogler, Literary Hub "Stavans and Lambert, both accomplished scholars, aspire to something far more substantial than the Yiddishisms and Jewish jokes that have come to be associated with Yiddishkayt in American pop culture.... [T]he reader is offered an astonishingly rich and diverse selection of poems, stories, memoirs, essays, plays, letters, conversations, recipes and reminiscences, as well as drawings, cartoons and posters by Yiddish artists,

each one refracting a different point of view and a different point of light.”

Generasi hari ini, maksudnya mahasiswa hari ini, memang sangat berbeda dengan generasi terdahulu. KAMMI tidak bisa dan tidak boleh terus menerus hidup di bawah bayang-bayang aktivis

98 yang lalu, mengingat organisasi ini lahir di tahun tersebut, kalau tak mau mati secara perlahan-lahan. Kalau tak mau mengubur diri dan peran sejarahnya. Anak-anak KAMMI tak bisa hanya mengepalkan tangan, mengangkatnya ke atas, dan berteriak: Hidup mahasiswa Indonesia! Hidup rakyat Indonesia! Mau tak mau, suka tak suka, harus ada yang diubah. Hal ini tak hanya berlaku untuk KAMMI saja, tetapi juga untuk seluruh organisasi yang menyebut dirinya sebagai gerakan mahasiswa. Tulisan-tulisan di buku ini mungkin akan memberi wacana dan ide baru, mempertegas ide yang sudah pernah muncul, atau bahkan meruntuhkan yang lama. Jika pembaca menemukan seolah ada ide yang terulang atau malah seolah bertentangan, tak perlu meracau, marah, dan membanting buku ini. Santai saja. Buku ini adalah tumpahan dari adanya keinginan perubahan-perubahan di tubuh KAMMI. Karena masih sebatas ide dan wacana, jadi santai saja. Kalau tak bersepakat, itu juga tak mengapa. Tak akan ada yang menjamin bahwa ide-ide di dalam buku ini akan direalisasikan. Tak akan pernah ada!

Apa realita internal umat Islam saat ini? Secara umum, realita internal saat ini yang terjadi di tengah-tengah kaum muslimin adalah; sikap pragmatis dalam hidup sehingga jauh dari nilai-nilai Islam, lemahnya semangat untuk menuntut ilmu, mudarnya tradisi keilmuan yang menjadi tonggak peradaban, dan rapuhnya kekuatan politik umat Islam. Semua realita itu membutuhkan jawaban dan keseriusan untuk mengubah nasib umat Islam yang tertinggal menjadi umat terdepan, umat yang maju dan kuat, baik dari segi keilmuan, budaya,

ekonomi, sosial dan politik. Karenanya, penulis buku ini memberikan langkah-langkah yang seharusnya dilakukan oleh kaum muslimin agar mampu mengembalikan kegemilangan dan kejayaan peradaban Islam yang dulu sempat menjadi cahaya yang terang bagi dunia. Di antara langkah-langkah tersebut adalah; menanamkan akidah yang kuat, mengembalikan semangat kaum muslimin untuk menuntut ilmu, mengokohkan basis-basis keilmuan, menghidupkan semangat ilmiah dalam menyelesaikan segala persoalan, dan menjaga adab sebagai orang yang berilmu. Selain itu, umat Islam juga harus dibangunkan kesadarannya dalam bidang politik, agar kekuasaan tak jatuh ke tangan orang-orang yang anti terhadap Islam. Karenanya, kekuatan politik umat Islam harus benar-benar kokoh dengan identitas yang jelas, tidak berbalut pragmatisme untuk mengejar keduniaan semata, dan harus diniatkan untuk menegakkan agama Allah. Jika tradisi keilmuan dalam tubuh umat Islam terjaga dengan kokoh, ekonominya kuat, politiknya hebat, kehidupan sosialnya teratur dan maju, insya Allah Islam akan menjadi lokomotif peradaban dan soko guru bagi dunia. Karena sejarah mencatat, saat peradaban Islam maju dan berkembang pesat, kemajuan dan perkembangannya menjadi rahmat bagi seluruh dunia. Buku ini adalah kumpulan esai-esai sosial politik yang ditulis oleh seorang aktivis, pengajar, dan juga wartawan. Sebagai sebuah kumpulan tulisan, buku ini sangat praktis untuk memahami peta permasalahan umat dan juga solusinya. This study addresses the issue of violence as it pertains to the Muslim Brotherhood and, more specifically, the Brotherhood's so-called Special Apparatus. Despite the Brotherhood's claim to be nothing but a religious and social advocacy movement, the formation of the Special Apparatus under the supervision of the Brotherhood's First Guide has been seen as evidence of the Group's institutionalization of

violence as a means of ensuring achievement of its goal of coming to power and establishing the "Islamic State" and, beyond this, offering what the Brotherhood's founder Hasan al-Banna referred to as "the exemplary model for the world." The Muslim Brotherhood's ideology has provided the intellectual foundations for a variety of contemporary Islamist groups from Al Qaeda to ISIS (the Islamic State of Iraq and Syria), which have drawn on such ideas in their justification of violence and terrorism throughout the world. This ongoing appeal to the Muslim Brotherhood's ideology has guaranteed the continuity of the Special Apparatus despite the blows it received from government security forces in the nineteen fifties and sixties. The Brotherhood's declared dissolution of the Special Apparatus and termination of its activities aside, the Group remains favorably disposed to the possession and use of force. From its point of view, the Muslim Brotherhood possesses a credibility and purity that set it apart from all other entities such that if it were to decide to use force, it would most certainly be in response to an urgent need. Depending on internal and external variables, the activity of the Special Apparatus currently takes a variety of forms, be they relevant to politics, intelligence-gathering, or public relations. Such activity also includes what is termed "defensive violence," represented by the unrest, vandalism of infrastructure and targeting of police forces that came in the wake of the late President Mohamed Morsi's ouster.
