Beethoven wrote 32 sonatas for piano. The final installment, Volume 4, edited by Stewart Gordon, contains Sonatas 25-32, written between 1809 and 1822 and published shortly thereafter. Of the eight sonatas in this volume, autographs exist in whole or in part for all but Op. 106, missing since World War II. This edition is based on the existing autographs and the first editions. Dr. Gordon discusses a variety of topics including Beethoven's life; the pianos of his time and their limitations; Beethoven's use of articulation, ornamentation, tempi; and the age-old challenge of attempting to determine the definitive interpretation of Beethoven's music. Valuable performance recommendations, helpful fingering suggestions and ornament realizations are offered in this comprehensive critical body of Beethoven's sonatas. Where performance options are open to interpretation, other editors' conclusions are noted, enabling students and teachers to make informed performance decisions. Titles: * Op. 79 ("Sonatine") * Op. 81a * Op. 90 * Op. 101 * Op. 106 ("Hammer-Klavier") * Op. 109 * Op. 110 * Op. 111

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. NEW YORK TIMES BESTSELLER • The beloved author of *The Handmaid's Tale* reimagines Shakespeare's final, great play, *The Tempest*, in a gripping and emotionally rich novel of passion and revenge. "A marvel of gorgeous yet economical prose, in the service of a story that's utterly heartbreaking yet pierced by humor, with a plot that retains considerable subtlety even as the original's back story falls neatly into place."—The New York Times Book Review Felix is at the top of his game as artistic director of the Makeshiweg Theatre Festival. Now he's staging a *Tempest* like no other: not only will it boost his reputation, but it will also heal emotional wounds. Or that was the plan. Instead, after an act of unforeseen treachery, Felix is living in exile in a backwoods hovel, haunted by memories of his beloved lost daughter, Miranda. And also brewing revenge, which, after twelve years, arrives in the shape of a theatre course at a nearby prison. Margaret Atwood's novel take on Shakespeare's play of enchantment, retribution, and second chances leads us on an interactive, illusion-ridden journey filled with new surprises and wonders of its own. Praise for Hag-Seed "What makes the book thrilling, and hugely pleasurable, is how closely Atwood hews to Shakespeare even as she casts her own potent charms, rap-composition included. . . . Part Shakespeare, part Atwood, Hag-Seed is a most delicate monster—and that's 'delicate' in the 17th-century sense. It's delightful."—Boston Globe "Atwood has designed an ingenious doubling of the plot of *The Tempest*: Felix, the usurped director,

finds himself cast by circumstances as a real-life version of Prospero, the usurped Duke. If you know the play well, these echoes grow stronger when Felix decides to exact his revenge by conjuring up a new version of *The Tempest* designed to overwhelm his enemies."—Washington Post "A funny and heartwarming tale of revenge and redemption . . . Hag-Seed is a remarkable contribution to the canon."—Bustle

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

Longlisted for the prestigious Miles Franklin Award, this “moving account of the depth of ordinary lives” (Library Journal, starred review) tells the story of a young Tasmanian girl and a Danish sailor and the brief encounter that leaves a lasting impact on both. Isla is a lonely girl who moves to Hobart with her mother and brother to try to better their lives. It’s not really working until they meet Bo, a crewman on an Antarctic supply ship, the Nella Dan, who shares stories about his adventures with them—his travels, bird watching, his home in Denmark, and life on board the ship. Isla is struggling to learn what truly matters and who to trust, while this modern Viking is searching to understand his past and to find a place in this world for himself. Though their time together is short, it is enough to change the course of both their lives. Praised for writing that is “vivid and distinct” (Library Journal, starred review) and “exquisite in its simplicity and eloquence” (Kirkus Reviews), Favel Parrett delivers a stunningly

beautiful novel—“spare but memorable” (Booklist)—about the remarkable and unexpected bond forged between strangers.
