 This trusted teacher resource and course text provides a comprehensive approach to assessing and building children's word knowledge (grades K-8). Kathy Ganske shows how carefully planned word study can improve students' reading and writing skills while fostering their appreciation of language. Complete instructions are provided for implementing

the Developmental Spelling Analysis (DSA), an easy-to-use assessment tool, and for tailoring instruction to learners' strengths and weaknesses. Numerous word lists, student work samples, and "Literature Links" are included, along with 27 reproducible forms. The large-size format facilitates photocopying. Purchasers also get access to a webpage where they can download and print the reproducible materials. New to This Edition: *Addresses the Common Core State Standards. *Incorporates additional activities and technology tips, plus updated research findings. *Chapter explaining the meaning of word study and its role in literacy instruction, including "Researcher Voices" perspectives from noted experts. *Ideas for making the most of small-group instructional time. *Expanded "Literature Links" book lists, now including informational texts. *DSA answer sheets have been enhanced for easier scoring and several new reproducibles added. See also the companion volumes from Ganske, Word Sorts and More, Second Edition: Sound, Pattern, and Meaning Explorations K-3 and

Mindful of Words, Second Edition: Spelling and Vocabulary Explorations, Grades 4-8, which provide a wealth of ready-to-use word study activities. *Prefixes & Suffixes Grade 5* Guilford Publications Titles in Barron's extensive Painless Series cover a wide range of subjects as they are taught on middle school and high school levels. These books are written for students who find the subjects unusually difficult and confusing--or in many cases, just plain boring. Barron's Painless Series authors' main goal is to clear up students' confusion and perk up their interest by emphasizing the intriguing and often exciting ways in which they can put each subject to practical use. Most of these books take a light-hearted approach to their subjects, often employing humor, and always presenting fun-learning exercises that include puzzles, games, and challenging "Brain Tickler" problems to solve. American English sound and letter patterns, homophones, prefixes and suffixes, and more are all presented with fun-to-solve "Brain Ticklers" to self-test students' learning progress. ATTENTION STUDENTS: You get a special FREE

bonus when you purchase your copy of Barron's Painless Spelling Barron's is taking Painless to the next level: FUN! Sealed inside your copy of Painless Spelling, you'll find a code that gives you access to a FREE app. Simply key in that code on your iPhone, iTouch, iPad or Android device, and you download a fun-to-play improve-your-spelling arcade game challenge that will reinforce

your skill in mastering correct spelling! **Painless Spelling** Learning Matters Published at a time when literacy and spelling are issues of topical concern, A Survey of English Spelling offers an authoritative, comprehensive, and up-to-date overview of this important but hitherto neglected area of the English language. The text brings together a

vast body of knowledge, both synthesised from diverse sources and original, unpublished research. The emphasis is on a functional exploration of the spelling regularities and markers that underpin literacy in English. An extensive database has been used throughout to provide a wealth of examples, statistics and analyses. The carefully signposted text and detailed
