Deeper Than the Scars
AuthorHouse
Messy, raw, and real
aren't the words most of
us use when we say
what's good about our
churches. But what if they
were? Author Lee Schott
found out, serving a

beautiful church inside
the Iowa women's prison.
A lifelong church person,
she discovered more
church, and greater
faithfulness, in this most
unlikely setting, with room
for people the church has
often overlooked. She
shares the lessons she
has learned there, with
the hope that church
leaders outside of prison
might be inspired,

equipped, and
encouraged to loosen the
fettters that keep our
churches so closed off.
We'll explore church
characterized by honest
relationship, protection of
the vulnerable, radical
welcome, and healthy
boundaries. Practical
application for the local
church context and
discussion questions for
group study are included

throughout.

Has to Be Love Albert
Whitman & Company

"Rising above the scars is the true account of Johnnetta McSwain's triumphant life journey. Born to an alcoholic mother and absent father, the odds were unceremoniously stacked against her even as she drew her first breath, By the innocent age of five, she was viciously raped and incessantly battered by her three uncles while she was in custody of her grandparents. After battling extreme,

traumatic experiences of child abuse and neglect and self destruction, Johnnetta McSwain beat all odds and not only narrowly escaped poverty, self destruction, prison, death, but has broken every generational cycle and is a symbol and voice of survival." -- Page 4 of cover.

This qualitative journey

explores how literature informs and challenges my understanding of teaching and learning. Insights, questions, and conflicts are revealed through a series of essays in which my evolving teacher identity is illuminated through literature and imagination. Hopefully reading this portrayal of literature, which has been a source of educational insight and imagination for me, will be of use to other educators as they reflect on their own teaching. The primary

works of literature used to facilitate this journey are: *The Red Badge of Courage* (1895), *Les Miserables* (1862), and *American Idiot* (2004); *Light in August* (1932), *Seinfeld* scripts (1991-98), and *Frankenstein* (1818); and *The Odyssey*, *Night* (1960), and *The Souls of Black Folk* (1903). By delving beneath my exterior 'teacher mask,' a collage of images, anecdotes, reflections, aspirations, and fears is exposed. As a resource for pre-service teachers or a reflective exercise for

veteran teachers, this study aims to benefit educators by providing a new pathway through which to better understand their intrinsic identities as teachers. Each chapter concludes with "Recommendations for Reflection" that readers are encouraged to consider individually and/or collectively. The spirit of daydreams allows me to integrate literature, autobiography, and imagination through inventive and inspired discourses with literary figures, using authentic

quotations as content for original commentaries that further examine the intrinsic nature of teacher identity. My hope is that this journey will inspire other educators to further reflect on realities and possibilities of what it means to be a teacher. *Bring Yourself* Pantheon Ruined. Tortured. Broken. What could have been the perfect childhood, turned into a hell that the devil himself would shy away from. I was forced to deal with an evil that would make the darkest of souls cringe. Lily Noel was

scarred but beautiful. She was perfectly flawed and everything that I needed. Attraction bordered on obsession. Passion bordered on ecstasy. Addiction bordered on insanity. Nothing could get in the way of our love. Nothing...

Made for This Moment

Scarlett Elizabeth Nell Waverly has a story to tell and it's as big as her name. Like most stories, hers is divided into interwoven parts. The first part starts when she's young and her family

buys a beach house on the Florida Gulf Coast. That's where she meets and falls in love with Julian Rose, a handsome biracial boy with a scarred face and a whacky, secret-keeping family. Just like her own. But not quite. Young Lizzie Nell's family disapproves of her friendship and budding romance with Julian Rose and they take drastic measures at keeping them apart. Julian also has a story, a story as magical as his haint blue eyes, only he's still trying to figure out where it

starts and how it ends. Not long after he turns nine and learns a little about his mother's disappearance, Julian sets out to write her messages, stuffing them inside empty rum bottles and tossing them into the Gulf. Although he doesn't yet know it, there is magic in his words, a magic as remarkable as his connection to the little girl down the beach. As time moves on, and the two blossom into adolescence, Lizzie Nell can no longer live the life her family has chosen for her. She runs

away-from school, from her unrelenting mother, and even from her name-setting out for New Orleans where she and Julian have planned to make a life together. But some things have a way of finding us, like our scars, the truth, and despondent mothers. The first book in a two-part series, **THE SCARS WE CHOOSE** is a coming-of-age story about how we define love, the ways in which we cope when overcoming adversity, and the consequences that can arise when we

allow other people, places, and events to affect our decisions, and ultimately, our happiness.

Book One Canterbury Press

Discovering My Scars is a moving account of a young woman's struggle with unexplained depression that leads her to cope with self-injury. One dramatic day in her college dorm, self-injury lands her in the surreal world of a psych ward for 74 hours. Those traumatic hours define her life for many years, until she comes to see the trauma

through the lens of self-forgiveness, ongoing recovery, and God's grace of revelation. Within **Discovering My Scars**, Stephanie Kostopoulos makes herself vulnerable and invites readers into her reality with raw and visceral depictions of non-suicidal self-injury. The journey encapsulates life during her 20's, while stepping back to childhood, revealing abuse that explains the events of her young adult life. **Discovering My Scars** commands attention and has a powerful message

that lies in Stephanie's first-person experience and authenticity. It is packed with revelations about what can underlie inexplicable anxiety and depression, and lets readers know it's okay to "discover your own scars," through the process of ongoing recovery and forgiveness.

A Life Redefined Natalie J. Reddy

Years ago, Clara survived a vicious bear attack. She's used to getting sympathetic looks around town, but meeting strangers is a different

story. Yet her dreams go far beyond Knik, Alaska, and now she's got a secret that's both thrilling and terrifying--an acceptance letter from Columbia University. But it turns out her scars aren't as fixable as she hoped, and when her boyfriend begins to press for a forever commitment, she has second thoughts about New York. Then Rhodes, a student teacher in her English class, forces her to acknowledge her writing talent, and everything becomes even more confusing--

especially with the feelings she's starting to have about him. Now all Clara wants to do is hide from the tough choices she has to make. When her world comes crashing down around her, Clara has to confront her problems and find her way to a decision. Will she choose the life of her dreams or the life that someone she loves has chosen? Which choice is scarier?

Intuitive Animal

Connections is a heartwarming true story about the lessons learned from abandoned dogs after author, Jadi Kindred, saved them from euthanasia. Based on her abiding love and compassion for her animal friends, this book shares the countless ways that these homeless dogs have shifted her thinking, awakened her telepathic and intuitive capabilities and revealed an unexpected dimension of human-animal communication. Shared through a series of

moving anecdotes about her early fostering experiences, the author takes readers on her inspiring journey, often surprising, of deepening relationships with these rescued dogs ... each with their own lessons of healing. Lessons that will uplift, enlighten and provide readers with a rich context for personal growth.

Discovering My Scars

Springer

The cross of Christ has long been a historic and revered religious icon as well as a divine dividing

line within humanity. The powerful Pure Flix film Do You Believe? ushers the timeless question of the meaning of the cross to a deeply personal place: What does it mean to me? Is it only a symbol or truly salvation? The Do You Believe? Devotional is a 40-day journey centered around the eternal evidence and powerful proof of the great love of God with the sacrifice offered for humanity associated with only One, His Son, Jesus Christ. In the film, a challenging question is brought before

our politically correct culture: If you were accused of being a Christian, would there be enough evidence to convict you? Regardless of your own answer to such a question, or the place in life you may find yourself, these 40 days can be an investment into your future and more importantly, your eternity as you pursue a deeper level of faith for yourself. The *Do You Believe?* Devotional book is a daily walk through the word of God with inspiring quotes from the film. It offers a

respite from the rush of life and the peace and hope made available only through the cross. *Inspiring Poems to Feed Your Soul* Zondervan The Devil's Dust MC has a list of new threats to the club's lifestyle. Dani, to prove her loyalty, is trying to embrace a part of herself that she never knew existed until now. A sinful beast lurking beneath her surface has been awakened and is ready to eliminate anyone that stands in its way. Looking at her stained hands, she rinses the

blood from them. She resigns herself to innocence lost and welcomes her thirst for more blood. After a breathtaking turn of events, Shadow is looking at life in a different perspective. Not knowing who he can trust or who he can forgive has left him feeling desolate and alone. As Shadow is laying behind his rifle, he wonders if he can pull the trigger to eliminate the threat. He takes a deep breath and squeezes the trigger, the rifle recoil ignites the fuel that drives

him. Retaliations will be required. Boundaries will be shattered. Redemption will be lost. Betrayal so deep, yet they still yearn for one another. Can Shadow overlook Dani's transgressions? Can Dani overlook the mistrust that Shadow has placed upon her?

What Doesn't Destroy Us Penguin

A pathbreaking work for the next stage of the #MeToo movement, showing how we can address sexual harms with fairness to both victims and the accused,

and exposing the sexism that shapes today's contentious debates about due process. Over the past few years, a remarkable number of sexual harassment victims have come forward with their stories, demanding consequences for their assailants and broad societal change. Each prominent allegation, however, has also set off a wave of questions – some posed in good faith, some distinctly not – about the rights of the accused. The national conversation has grown

polarized, inflamed by a public narrative that wrongly presents feminism and fair process as warring interests. Sexual Justice is an intervention, pointing the way to common ground. Drawing on core principles of civil rights law, and the personal experiences of victims and the accused, Alexandra Brodsky details how schools, workplaces, and other institutions can – indeed, must – address sexual harms in ways fair to all. She shows why these allegations cannot

be left to police and prosecutors alone, and outlines the key principles of fair proceedings outside the courts. Brodsky explains how contemporary debates continue the long, sexist history of “rape exceptionalism,” in which sexual allegations are treated as uniquely suspect. And she calls on readers to resist the anti-feminist backlash that hijacks the rhetoric of due process to protect male impunity. Vivid and eye-opening, at once intellectually rigorous and

profoundly empathetic, *Sexual Justice* clears up common misunderstandings about sexual harassment, traces the forgotten histories that underlie our current predicament, and illuminates the way to a more just world. [How to Harness the Power of Connection to Negotiate Fearlessly](#) Fastprint Publishing The instant #1 New York Times, Wall Street Journal, and USA Today bestseller The breakout poetry collection by #1 New York Times bestselling author

and presidential inaugural poet Amanda Gorman Formerly titled *The Hill We Climb* and Other Poems, the luminous poetry collection by #1 New York Times bestselling author and presidential inaugural poet Amanda Gorman captures a shipwrecked moment in time and transforms it into a lyric of hope and healing. In *Call Us What We Carry*, Gorman explores history, language, identity, and erasure through an imaginative and intimate collage. *Harnessing the*

collective grief of a global pandemic, this beautifully designed volume features poems in many inventive styles and structures and shines a light on a moment of reckoning. Call Us What We Carry reveals that Gorman has become our messenger from the past, our voice for the future.

Life Beyond the Scars: Finding Hope in Tragedy Dreamwright Publications, LLC
Called "powerful and provocative" by Dr. Ibram X. Kendi, author of the New York Times

bestselling *How to be an Antiracist*, this explosive book of history and cultural criticism reveals how white feminism has been used as a weapon of white supremacy and patriarchy deployed against Black and Indigenous women, and women of color. Taking us from the slave era, when white women fought in court to keep "ownership" of their slaves, through the centuries of colonialism, when they offered a soft face for brutal tactics, to the modern workplace, *White*

Tears/Brown Scars tells a charged story of white women's active participation in campaigns of oppression. It offers a long overdue validation of the experiences of women of color. Discussing subjects as varied as *The Hunger Games*, Alexandria Ocasio-Cortez, the viral BBQ Becky video, and 19th century lynchings of Mexicans in the American Southwest, Ruby Hamad undertakes a new investigation of gender and race. She shows how the division between innocent white

women and racialized, sexualized women of color was created, and why this division is crucial to confront. Along the way, there are revelatory responses to questions like: Why are white men not troubled by sexual assault on women? (See Christine Blasey Ford.) With rigor and precision, Hamad builds a powerful argument about the legacy of white superiority that we are socialized within, a reality that we must apprehend in order to fight. "A stunning and thorough look at White

womanhood that should be required reading for anyone who claims to be an intersectional feminist. Hamad's controlled urgency makes the book an illuminating and poignant read. Hamad is a purveyor of such bold thinking, the only question is, are we ready to listen?" —Rosa Boshier, *The Washington Post*
Anecdotes and Afterthoughts: Literature as a Teacher's Curriculum
 Inked Entertainment
 The growing disconnect between the instructions of Jesus and the actions of

his followers has caused a rift. Instead of reaching out beyond our walls, we hold tight to traditions that seem outdated. Instead of exploring other faith perspectives, we shake a judgmental fist at a secular society. Instead of engaging culture in their questions about what our lives should be like, we talk as if God only cares about the next life. As a result, our witness has become as divisive as sin itself. This book is a call to restore the trust that we have lost in our relationships with each

other and with God. Expounding on stories from the Bible, history, culture, and his own experiences, Fromholz explores the source of the disconnect and provides a blueprint for reconnection. A snowball fight between soldiers and students demonstrates that trust can overcome fear. The biblical story of Abraham and Sarai shows how restoring trust can restore faith in God. The author's seventeen-year search for his father sends a powerful message: new trust brings a new future.

Through authentic, honest, and challenging prose, Fromholz examines the power trust has in freedom, forgiveness, and reconciliation. Recognizing that we are part of this culture and life around us, *Broken* will inspire us to be who we were always created to be, connected and restored, so that we can find—and multiply—hope. Ground Zero Delacorte Press
My life was adrift... Until I found her. Broken and bruised from an accident that nearly took my life,

Cora was the nurse who cared for me. She not only tended to my wounds, but for a brief time, she healed my heart as well. But, our lives were destined to take different paths and I never thought I'd see her again. Three years later when she moves into my small town, I can't help but wonder if the universe is trying to tell me something. Cora is seeking a new beginning. For years, I've been wandering the streets of this town, searching for something too. Maybe

she's the answer to my prayers.

Connections FriesenPress

The worst lies are the ones we tell ourselves. The lives of Maria and her three closest friends appear idyllic from the outside. These preschool moms have it all, from lavish homes and successful husbands to elegant luncheons ripe with gossip and exclusive parties everyone longs to attend. Behind closed doors, however, they are consumed with illicit affairs, monumental debt,

nervous breakdowns, and dark secrets. When an anonymous texter threatens to uncover the lies each of the women has fought to keep buried, they must band together to discover who is behind the vicious blackmail. As the pressure of being exposed grows and their carefully presented lives begin to unravel, their friendship fractures, leaving them to question even those they once held dear. Maria, Sissy, Sarah-Anne, and Lauren must face their demons head-on and race to discover

the identity of the anonymous texter before it's too late. Someone's life is depending on it. The Lies Between Us is a twisted Southern drama with deadly consequences and the perfect blend of Big Little Lies, Pretty Little Liars, and Desperate Housewives. Grab your copy today and discover the hottest new mystery everyone is talking about! *40-Day Devotional* Penguin
Nothing is as it seems. No one is safe. Wren is alive, but she's not happy about it. Not when she's in the

clutches of The Council and soul-linked to Darshan, a man whose misplaced loyalties have gotten far too many killed. From the moment she wakes up in the Council's fortress in the Mountains, she is desperate to find a way out and back to Misha and the Resistance. But this time there will be no rescue. Not when the Resistance thinks she's dead. Now a Commander in the Psi Army, Darshan is determined to protect those he cares for and stop the Council. But he can't do it alone. There

are still so many secrets he doesn't have answers to, and every choice he makes could be a death sentence to someone he loves. He and Wren soon realize that to get what they want they need to work together and play the parts the Council has set out for them. But can they trust each other? Or will one of them end up betraying the other? Misha believes he watched the woman he loves die the death that was meant for him and now he's bent on revenge. But his revenge is put on

hold when Psi begin attacking humans and draining them of blood. As he, Greta, and those left with the Resistance begin to investigate, things only get worse and more confusing. And soon the Psi attacks aren't the only ones they have to worry about. Because something worse is coming. Something that might make monsters of us all. Pre-Order now so you don't miss out on the explosive continuation of this supernatural conspiracy!

Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishoners alongside biblical theology to explore what the church has taught, and the harm

those teachings have caused.
The Scars I Bare Morgan James Publishing
How do you stand firm in your convictions in a world that's trying to pull you down? Madison Prewett helps you keep your standards high and your roots deep in this strikingly personal look at why you were made for this moment. When Madison Prewett competed on season 24 of *The Bachelor*, she was able to maintain her convictions not just because she was strong in

the moment of pressure but because she was strong in the moments of preparation. In *Made for This Moment*, Madison examines how the biblical story of Esther will prepare you to: Discover how to predecide who you want to be before you step into your Big Moments Claim your confidence so you can get out of the comparison game Learn strategies for dealing with your past so it won't hinder your present Break free from the labels others put on you Learn how to respond

to offense with grit and grace Discover how to be yourself whether anyone is looking or not Made for This Moment will appeal to fans of Sadie Robertson, Jordan Lee Dooley, and Annie F. Downs, as well as to Madison's faithful following from her remarkable Bachelor season. Readers who are eager to make wise choices in dating, career, and family will love Madison's authentic voice and real-life challenges, making this a great gift

for graduations, birthdays, or life transitions. Made for This Moment will help you navigate the complex realities of living in an age of social media and confusing standards. God's timing is not a mistake--you were made for such a time as this. Rising Above the Scars Metropolitan Books She's a wanderlust who is always dreaming of her next adventure! So, when Kelsey gets the experience of a lifetime to go to Hollywood, she was sure to go out with a

bang! Literally!! What started off as a red-carpet treatment down the streets of Hollywood Boulevard, would end in the emergency room, filled with fear, regret, and anxiety. Yet, this was just the beginning of a new adventure that Kelsey wasn't ready for, and one that would take her through twists and turns, for sure! Join her on the journey as she hopes to inspire someone on a similar path to navigate using their best guide, their heart!
