 'The tubs' is a series of personal stories about the 356 Speedster and successors in New Zealand.
Porsche 911 (993) Delius Klasing Verlag Gmbh
 The aim of this innovative series is to provide modelmakers and car enthusiasts with a new standard of primarily visual reference of both full-size cars and their scale models. Each book contains detailed technical information imparted through drawings and photographs while the meticulously researched full-color profiles provides a complete reference for paint schemes and markings. In addition, every volume of the CarCraft series features summaries of design histories and operational careers, and reviews of available kits. Recognized as one of the most important sports cars in the history of the automobile, Porsche's 911 represents a vital story in the annals of the design and driving of the motor car. This new book delivers an innovative format to the car enthusiast by covering the engineering, design,

and modeling of Porsche's 911 series. A true icon, 911 is the designer legend and a driving tool par excellence: the 911 stemmed from the Porsche 356 yet created a new era and a new international definition of style amid a global motor sport record of success across race and rally events Here in CarCraft title Number Two, experienced automotive writer, industrial designer and Porsche enthusiast Lance Cole pays tribute to the car in a detailed yet engaging commentary. New photography, the design story, and full coverage of the modeling options in synthetic materials and die cast metals, create a narrative of vital interest. Porsche 997 2004-2012

 "The year 2021 is a momentous one for Porsche as the marque looks back on 70 complete years of competition in the world's greatest motor race. Packed with photography, narrative, and race results, Porsche at Le Mans is the definitive detailed illustrated history of this race legacy. Since the marque's memorable debut in 1951, Porsche has won outright at Le Mans more than any other

marque, with a record series of seven consecutive victories from 1981 to 1987. This beautifully designed and extensively illustrated book is the definitive history of Porsche's participation at Le Mans, chronicling both the works team cars and privateer entries. Readers will witness legendary Porsche models such as the 550 Spyder, 718 RSK, 904, 906, 907, 908, 910, 911, 917, 936, 935, 956, 962, and GT1-right up to the hybrid 919 that won from 2015 through 2017. In addition they will bear witness to the exploits of great drivers like Derek Bell, Herbert Muller, Mario Andretti, Jacky Ickx, Jo Siffert, Jochen Rindt, Mark Donohue, and Vic Elford, to name a few. Meticulously researched by noted Porsche historian Glen Smale, Porsche at Le Mans is created with full access to the Porsche archives in Stuttgart. The result is a treasure trove of history, photographs, and data indispensable to any serious Porsche or motorsport enthusiast"-- Motorbooks International The 993 version of the 911 is sometimes described as the King of Porsche". This book chronicles the

development, racing history and all ownership issues of the 993 in tremendous detail. Contains absolutely everything a 993 owner needs to know. Every model and version is included. Engines, transmissions, suspension and how to improve the performance are covered as well as the fixes for common problems, includes well over one thousand photographs, this book features incredibly in-depth information about all aspects of the Porsche 993. The essential companion for the 993 owner or would-be owner. Service Manual : Coupe, Targa, and Cabriolet : 1978, 1979, 1980, 1981, 1982, 1983 Bentley Pub The IROC Porsches details the creation and first season of the International Race of Champions, a series divined as a means to pit the world's top international racing drivers (from IndyCar, Formula One, sports car racing, and NASCAR) against one another to determine who was top dog. Model years 2004 to 2009 MotorBooks International This book provides a comprehensive list of all build specification codes

used by Porsche AG for the Porsche 911 series from model years 1989 to 2012. VIN, model type, country, exterior paint colour, interior colour combinations, material codes, and standard, special and Porsche Exclusive options for the 964, 993, 996 and 997 series are provided in detail. Option codes for other Porsche models built between 1978 and 2012 are also included if known to the author. This book will not only be of great value to current Porsche owners, but to potential Porsche purchasers as well. The buyer can use this handbook to confirm the accuracy of the seller's description by comparing the data in the book to what is advertised and what is actually installed, giving the buyer a much greater advantage. Information contained within the book will also help owners and buyers overcome problems caused by missing identification labels, and will free up time currently wasted trawling the internet for answers. **Porsche 911** Motorbooks This information-packed pocket book features production numbers, factory colors, options, specifications, engine

 -The first comprehensive homage to the Porsche R and RS models -From the first 911 R (1967) through the varying RS models, to the latest 911 R (2016) - Includes interviews with enthusiasts, racing drivers and customers -Presents portraits of unique collectors' items and race histories -Celebrates the 50th Anniversary of the Porsche 911 R in 2017 Porsche's sporting elite - the 911 R - more performance, less weight. As the first comprehensive homage to the R and RS models, this is a must-have for all Porsche 911 lovers. At auctions they rack up premium prices, but the makers of the 911 R never intended to create objects of speculation for maximum profit. Their main concern was developing vehicles that would appeal to customers because of their uncompromising sportiness. The story begins 50 years ago, when the first Porsche 911 R achieved five new long-distance world records in Monza; and goes on to the latest 911 R - a car that is aware of its history, with racing

stripes, houndstooth bucket seats, manual gear change, and a free-revving naturally aspirated engine. In between the first and the latest lie 50 years, numerous models, and a legion of fans.

Porsche Excellence
Motorbooks International

A unique and personal account of young designer's journey after joining that most

prestigious of marques, Rolls-Royce. Sometimes eccentric, often humorous, the workings of this uniquely British institution during a period of immense change are described in detail. Generously supported by previously unseen illustrations, the author's story, from his position as designer to Chief Stylist, pulls back the curtain concealing an idiosyncratic institution, motivated as much by pride as the bottom-line.
