HARTMAN SONNY

Electric Eden Rowman & Littlefield

A revealing investigation into the life of a reclusive cult genius. Syd Barrett was Pink Floyd's founder, singer, guitarist and principal composer, who left the group in 1968 amidst tales of acid-induced madness. Barrett's brief flash of erratic brilliance is now the stuff of rock legend, and his post-Floyd recordings have become cult classics. Revised in 2006, this book draws on years on research to relate the story of an epic rock tragedy.

Crazy Diamond - Syd Barrett and the Dawn of Pink Floyd History Press

Today, 16-18 Beak Street is a burger bar, but don't let the muddy grey of the whitewashed oak walls deceive you. This building was once filled with dancing showgirls in glitzy costumes, performing to over 100 people a night. For this corner of Soho once housed Murray's Cabaret Club; night after night it forged fantasies for deadened aristocrats, served dishes of dreams to Arab businessmen, and provided refuge for hounded celebrities.Founder Percival 'Pops' Murray

introduced London to the 'Cabaret Floorshow', hiring an army of dancers, musicians and seamstresses to make sure that everything was perfect - from the dancers' painted nails and intricate costumes, to the polished wood walls and the gleaming glass stage. However, the spell was broken in 1963 when the Profumo Scandal erupted - a love triangle between a Murray's showgirl, Britain's Minister of War, and a Soviet spy, all at the height of the Cold War.Here, Benjamin Levy tells the story of Murray's founding and the tales of the dancers both before and after their time at the club, the work that went into the shows and - in dazzling photographs and designs - reveals the recently discovered costumes that were worn in London's most glamorous floorshow.

Remember Me: Pink Floyd in Objects tells the story of the great psychedelic rock band through items that they created, instruments they played, music they wrote and posters, photographs and props from their amazing stage shows. A strange collection of vehicles, posters, tickets, instruments, records and press cuttings come together to tell the story of decades of music in a new and innovative way. The history of Pink Floyd has been related before... but never like this.

[Untold Rock Stories from the Hipgnosis Archive](#) Victoria & Albert Museum

Describes the development of the iconic Pink Floyd album and subsequent film, all created in close collaboration with the author's art studio, and provides commentaries by the director of the film and the band members.

The Art of Pink Floyd The Wall is a sumptuously illustrated book, collecting Gerald Scarfe's iconic work for Pink Floyd. First The Wall was an album, then it was a stage show, a film - now there will be the definitive book, which will be a work of art in its own right. This large, landscape-format

book, presented in a stunning slipcase designed by Scarfe, is packed with photos, drawings and designs which will incorporate the iconic imagery of The Wall alongside new and previously unseen material. Forty years on, The Wall has lost none of its impact, and its themes are more relevant than ever. Presenting the phenomenal artwork as it has never been seen before, The Art of Pink Floyd The Wall is a must-have for any Pink Floyd fan.

The Man Behind the Wall Musica e spettacolo

Catch a rare inside glimpse of one of the world's most revered guitarists, David Gilmour, and his iconic Black Stratocaster. Written by David's personal guitar technician and the band's chief backline tech since 1974 - the only man to know Pink Floyd's equipment better than the band - this expanded edition contains new information as well as many unpublished photographs, recently come to light, that further chart the Black Strat's illustrious history. Amending and elaborating on the previous edition, it also continues the story where the last one left off with all the latest live appearances, information, and photographs - including David testing the Fender Black Strat replica models; performances with David Bowie, Jeff Beck, and others; and much more.

Pink Floyd - Guitar Signature Licks Macmillan

Self-proclaimed rock historians will delight in the scope and detail of this all-inclusive encyclopedia of Pink Floyd. A close study of each album is accompanied by an exhaustive listing of their songs, cover art, production credits, recording and sales information, and U.S. and U.K. release dates. The promotional art of each concert and tour is also provided, along with details on independent solo concerts and albums produced by individual band members, six appendices providing the dates of every performance arranged in chronological order, and an equipment appendix describing the make and model of every Pink Floyd amplifier, guitar, and cymbal since the band's creation. This new edition features thousands of new band-related facts and a bonus CD featuring a rare version of "Interstellar Overdrive" and tracks from the British sci-fi band Hawkwind.

The Music's All that Matters Aurum

A comprehensive history of the iconic psychedelic rock band draws on interviews with its members as well as the group's friends, crew, and other colleagues to describe their rise during the 1960s and 1970s, their breakup, the death of Syd Barrett, and more.

The complete catalogue of design collective Hipgnosis, showcasing groundbreaking cover art created for iconic rock 'n' roll giants, including the Rolling Stones, Paul McCartney, Led Zeppelin, and Pink Floyd

Hal Leonard Publishing Corporation

"Hipgnosis was the design firm of choice for the biggest and best bands of the classic rock era.

Formed by Storm Thorgerson and Aubrey Powell in 1968, Hipgnosis was a graphic design studio

specializing in creative photography and working mainly in the music business designing album covers for many rock 'n' roll bands including Pink Floyd, Led Zeppelin, Genesis, 10cc, Yes, Peter Gabriel, Black Sabbath, Paul McCartney, Syd Barrett and Styx, amongst others. For a dozen years Hipgnosis created timeless rock iconography. This is the first book to document their output in detail, focusing on over 60 package designs - from cover to label - written about in entertaining detail by the men who created them. Also included are short essays by musicians (such as Pink Floyd's Nick Mason), artists (Peter Blake) and fellow designers (Paula Scher) on their favorite covers, plus a contextual commentary by Adrian Shaughnessy, as well as unseen photographs and ephemera."--BOOK JACKET.

35 Years Photographing 35 Minutes Backstage Univ. Press of Mississippi

Featuring 56 songs and a foreword by Pink Floyd's first manager, Peter Jenner, and an introduction by Rob Chapman (author of Syd Barrett: A Very Irregular Head), this beautifully illustrated and official book compiles Syd's extraordinary lyrics together for the very first time.

Pink Floyd Omnibus Press

The newest addition to the best-selling All the Songs series details the unique recording history of Pink Floyd, one of the world's most commercially successful and influential rock bands. Since 1965, Pink Floyd been recording sonically experimental and philosophical music, selling more than 250 million records worldwide, including two of the best-selling albums of all time *Dark Side of the Moon* and *The Wall*. While much is known about this iconic group, few books provide a comprehensive history of their time in the studio. In *Pink Floyd All the Songs*, authors Margotin and Guesdon describe the origin of their nearly 200 released songs, details from the recording studio, what instruments were used, and behind-the-scenes stories of the tensions that helped drive the band. Organized chronologically by album, this massive, 544-page hardcover begins with their 1967 debut album *The Piper at the Gates of Dawn*, the only one recorded under founding member Syd Barrett's leadership; through the loss of Barrett and the addition of David Gilmour; to Richard Wright leaving the band in 1979 but returning; to Roger Waters leaving in 1985 and the albums recorded since his departure, including their 2014 farewell album, *The Endless River*, which was downloaded 12 million times on Spotify the week it was released. Packed with more than 500 photos, *All the Songs* is also filled with stories fans treasure, such as Waters working with engineer Alan Parsons to employ revolutionary recording techniques for *The Dark Side of the Moon* at Abbey Road Studios in 1972 or producer Bob's Ezrin's contribution in refining Water's original sprawling vision for *The Wall*.

In March of 1964 director Richard Lester began shooting *A Hard Day's Night*, a black-and-white feature film starring the Beatles. With slapstick humor and a fantastic soundtrack, the movie imagines the excitement and chaos of thirty-six hours in the life of the Fab Four, and stars John Lennon, Paul McCartney, George Harrison and Ringo Starr, with Wilfrid Brambell portraying McCartney's grandfather. *The Making of A Hard Day's Night* is a collection of photographs and rare ephemera that documents the band on set and behind the scenes. This private archive captures the infectious energy and anarchic spirit of this groundbreaking film. An authoritative essay and lively captions by Beatles' historian Mark Lewisohn provide context and explores its impact and enduring legacy.

Comfortably Numb V & A Publishing
