of Thorns
Penguin
The second
novel in a
brilliant
fantasy trilogy
from the
international
bestselling
author of
Prince of
Thorns.

Behind its
walls, the
Convent of
Sweet Mercy
has trained
young girls to
hone their
skills for
centuries. In
Mystic Class,
Novice Nona
Grey has

begun to learn the secrets of the universe. But so often even the deepest truths just make our choices harder. Before she leaves the convent, Nona must choose which order to dedicate herself to—and whether her path will lead to a life of prayer and service or one of the blade and the fist. All that stands between her and these choices are the pride of a thwarted assassin, the designs of a would-be

empress wielding the Inquisition like a knife, and the vengeance of the empire's richest lord. As the world narrows around her, and her enemies attack her through the system she is sworn to, Nona must find her own path despite the competing pulls of friendship, revenge, ambition, and loyalty. And in all this only one thing is certain: there will be blood. *Beneath Cruel Fathoms*

Penguin Books one and two of the critically-acclaimed debut fantasy trilogy *The Broken Empire* by Mark Lawrence. This bundle includes *Prince of Thorns* and *King of Thorns*. [Bloodchild](#) Tor.com Already a publishing sensation in England, *The Red Wolf Conspiracy* marks the debut of a remarkably gifted young writer. Robert V. S. Redick has been compared to

Philip Pullman, George R. R. Martin, and China Miéville, among others, and like them he is a spellbinding storyteller, unafraid to sail his imagination into uncharted waters. With *The Red Wolf Conspiracy* he launches the first book of a trilogy destined to take its place among the classics of epic fantasy. *The Imperial Merchant Ship Chathrand* is the last of her kind. Six hundred years old, the secrets of her

construction long forgotten, the massive vessel dwarfs every other sailing craft in the world. It is a palace with sails, a floating outpost of the Empire of Arqual. And it is on its most vital mission yet: to deliver a young woman whose marriage will seal the peace between Arqual and its mortal enemy, the secretive Mzithrin Empire. But the young woman in question—Thasha, the daughter of the Arquali

ambassador—has no intention of going meekly to the altar. For the ship's true mission is not peace but war—a war that threatens to unleash an ancient, all-consuming evil. As the dark conspiracy at the heart of the voyage unfurls, Pazel Pathkendle, a lowly tarboy with an uncanny gift, will find himself in an unlikely alliance with Thasha and her protectors: Hercól, a valet who is more

than he appears; Dri, the queen of a race of tiny stowaways who have their own plans for the great ship; and Ramachni, a powerful sorcerer from another world. Arrayed against them are the Chathrand's brutal captain, Nilus Rose; the Emperor's spymaster and chief assassin, Sandor Ott; and the enigmatic Dr. Chadfallow, a longtime friend to Pazel's family whose kind

words may hide a vicious betrayal. As the Chathrand navigates treacherous waters to complete its mission, Pazel, Thasha, and their allies—including a singularly heroic rat—must also navigate a treacherous web of intrigue to uncover the secret of the legendary Red Wolf. Praise for *The Red Wolf Conspiracy*: “What can I say about a book as exciting and fresh as *The Red Wolf*

Conspiracy? I can't remember when I've been so enthralled. Maybe when I first read Philip Pullman. This is one terrific read.”—Terry Brooks
 “Wonderfully inventive—Robert Redick is an extraordinary talent.”—Karen Miller, author of *The Innocent Mage*
Red Sister
 Penguin
 This is not a hoax. Jim
 This was a real person, who wrote *The Eye of Argon* in all seriousness as

a teenager, and published it in a fanzine, *Osfan* in 1970. But the story did not pass into the oblivion that awaits most amateur fiction. Instead, a miracle happened, and transcribed and photocopied texts began to circulate in science fiction circles, gaining a wide and incredulous audience among both professionals and fans. It became the ultimate samizdat, an

underground classic, and for more than thirty years it has been the subject of midnight readings at conventions, as thousands have come to appreciate the negative genius of this amazing Ed Wood of prose.

King of Thorns

In book two of the *Broken Empire* trilogy, the boy who would be king has gained the throne—but the crown is a heavy weight to bear... At age nine,

Prince Honourous Jorg Ancrath vowed to avenge his slaughtered mother and brother—and to punish his father for not doing so. At fifteen, he began to fulfill that vow. Now, at eighteen, he must fight for what he has taken by torture and treachery. Haunted by the pain of his past, and plagued by nightmares of the atrocities he has committed, King Jorg is filled with rage. And

even as his need for revenge continues to consume him, an overwhelming enemy force marches on his castle. Jorg knows that he cannot win a fair fight. Book Trust
A stunning new epic fantasy series following a young outcast who must fight with everything she has to survive, set in the same world as Red Sister. In the ice, east of the Black Rock, there is a hole into which broken children are thrown. Yaz's people call it the Pit of the Missing and now it is drawing her in as she has always known it would. To resist the cold, to endure the months of

night when even the air itself begins to freeze, requires a special breed. Variation is dangerous, difference is fatal. And Yaz is not the same. Yaz's difference tears her from the only life she's ever known, away from her family, from the boy she thought she would spend her days with, and has to carve out a new path for herself in a world whose existence she never suspected. A world full of

difference and mystery and danger. Yaz learns that Abeth is older and stranger than she had ever imagined. She learns that her weaknesses are another kind of strength and that the cruel arithmetic of survival that has always governed her people can be challenged.

One choice.
Two possible timelines. And a world hanging in the balance. It's the summer of 1986 and reluctant prodigy Nick Hayes is a student at Cambridge University, working with world-renowned mathematician Professor Halligan. He just wants to be a regular student, but

regular isn't really an option for a boy-genius cancer survivor who's already dabbled in time travel. When he crosses paths with a mysterious yet curiously familiar girl, Nick discovers that creases have appeared in the fabric of time, and that he is at the centre of the disruption. Only Nick can resolve this time paradox before the damage becomes catastrophic for both him

and the future of the world. Time is running out--literally. Wrapped up with him in this potentially apocalyptic scenario are his ex-girlfriend, Mia, and fellow student Helen. Facing the world-ending chaos of a split in time, Nick must act fast and make the choice of a lifetime--or lifetimes. Game on.

Blood of Heirs

HarperCollins UK

In the third exhilarating novel in this

dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but

some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the

Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark - the one the wise have sought for generations. But sometimes wanting isn't enough. The Girl and

Once a year on Dragon Day the fabled Dragon Gate is raised to let a sea dragon pass from the Southern Wastes into the Sabian

Sea. There, it will be hunted by the Storm Lords, a fellowship of powerful water-mages who rule an empire called the Storm Isles. Alas, this year someone forgot to tell the dragon which is the hunter and which the hunted. Emira Imerle Polivar is coming to the end of her tenure as leader of the Storm Lords. She has no intention of standing down graciously. She instructs an order of priests called the

Chameleons to infiltrate a citadel housing the mechanism that controls the Dragon Gate to prevent the gate from being lowered after it has been raised on Dragon Day. Imerle hopes the dozens of dragons thus unleashed on the Sabian Sea will eliminate her rivals while she launches an attack on the Storm Lord capital, Olaire, to secure her grip on power. But Imerle is not the only

one intent on destroying the Storm Lord dynasty. As the Storm Lords assemble in Olaire in answer to a mysterious summons, they become the targets of assassins working for an unknown enemy. When Imerle initiates her coup, that enemy makes use of the chaos created to show its hand.

Criminal Vol. 6: The Last Of The Innocent

Tordotcom
The searing conclusion of

the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors... They came against her as a child. Now they face the woman. The ice is advancing, the Corridor narrowing, and the empire is under siege from the Scithrowl in the east and the Durns in the west. Everywhere, the emperor's armies are in retreat. Nona Grey faces the

final challenges that must be overcome if she is to become a full sister in the order of her choice. But it seems unlikely that she and her friends will have time to earn a nun's habit before war is on their doorstep. Even a warrior like Nona cannot hope to turn the tide of war. The shiphearts offer strength that she might use to protect those she loves, but it's a power that corrupts. A final battle is

coming in which she will be torn between friends, unable to save them all. A battle in which her own demons will try to unmake her. A battle in which hearts will be broken, lovers lost, thrones burned.
