American Military
History provides the
United States Army-in
particular, its young
officers, NCOs, and
cadets-with a
comprehensive but
brief account of its

past. The Center of
Military History first
published this work in
1956 as a textbook for
senior ROTC courses.
Since then it has gone
through a number of
updates and revisions,
but the primary intent
has remained the
same. Support for
military history
education has always
been a principal
mission of the Center,
and this new edition of

an invaluable history furthers that purpose. The history of an active organization tends to expand rapidly as the organization grows larger and more complex. The period since the Vietnam War, at which point the most recent edition ended, has been a significant one for the Army, a busy period of expanding roles and missions and of fundamental organizational changes. In particular, the explosion of missions and deployments since 11 September 2001 has necessitated the creation of additional, open-ended chapters in the story of the U.S. Army in action. This first volume covers the Army's history from its birth in 1775 to the eve of World War I. By

1917, the United States was already a world power. The Army had sent large expeditionary forces beyond the American hemisphere, and at the beginning of the new century Secretary of War Elihu Root had proposed changes and reforms that within a generation would shape the Army of the future. But world war—global war—was still to come. The second volume of this new edition will take up that story and extend it into the twenty-first century and the early years of the war on terrorism and includes an analysis of the wars in Afghanistan and Iraq up to January 2009.

High-flying history is brought to life in this

suspenseful story of an unknown and daring pilot named Jack Knight, who in 1921 flew his biplane straight into a blizzard over America's heartland and saved the US Air Mail Service in the process. When Jack Knight takes off in his biplane from North Platte, Nebraska, in 1921, hundreds of people crowd the airstrip. Is Jack transporting a famous passenger? Is he ferrying medicine for a sick child? Nope--Jack has six sacks of mail. For the past few years, biplanes like Jack's have been flying the mail only during daylight hours. Flying after dark is risky and crashes are too common, so lawmakers decide to cut funding for the US Air Mail Service. Outraged

officials and pilots want to prove that flying the mail is best, so they concoct a plan--a coast-to-coast race. But when a crash, exhaustion, and a snowstorm ground three of the planes, Jack Knight becomes the race's only hope. All he has to do is fly all night long, leaning out of the plane to see, and navigate a blizzard over land he's never covered with an empty fuel tank. Will Jack pull it off and save the Air Mail Service?

A Midsummer-night's Dream First Second

First Second is very proud to present Nursery Rhyme Comics. Featuring fifty classic nursery rhymes illustrated and interpreted in comics form by fifty of today's preeminent cartoonists and illustrators, this is a groundbreaking new entry in the canon of nursery rhymes treasuries. From New Yorker cartoonist Roz Chast's "There Was a Crooked Man" to Bad Kitty author Nick Bruel's "Three Little Kittens" to First Second's own Gene Yang's "Pat-a-Cake," this is a collection that will put a grin on your face from page one and keep it there. Each rhyme is one to three

pages long, and simply paneled and lettered to ensure that the experience is completely accessible for the youngest of readers. Chock full of engaging full-color artwork and favorite characters (Jack and Jill! Old Mother Hubbard! The Owl and the Pussycat!), this collection will be treasured by children for years to come.

What Are Little Girls Made Of? Astra Publishing House

"In another life, she was my forever." An unexpected tragedy leaves Professor Nathaniel Hunt a widower alone with a newborn baby. He hires a nanny. She's young, but well-qualified, with a simple life, a crazy name obsession, and a boyfriend she met at

the grocery store. Over time, he discovers she knows things about him-things that happened before she was born-like a hidden scar on his head, his favorite pizza, and how he cheated on a high school Spanish test. She speaks familiar words and shares haunting memories that take him back to over two decades earlier when he lost his best friend in a tragic accident. "I'm afraid of what's going to happen when you realize I'm not her." *Transcend* is a sexy, mind-bending journey that uncovers possibilities, challenges beliefs, and begets the age-old question: is there life after death? *Holding You* Simon and Schuster
 "In the murky London gloom, a knife-wielding gentleman prowls the

midnight streets with his faithful watchdog Snuff - gathering together the grisly ingredients they will need for an upcoming ancient and unearthly rite. And all manner of players, both human and undead, are preparing to participate."--Publisher.

My Reading Life

Orion Children's Books
 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe

and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if

not his life then surely his sanity. In *My Reading Life*, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life

will find here the greatest defense of that credo. BONUS: This ebook edition includes an excerpt from Pat Conroy's *The Death of Santini*. Rogue Knight Nan A. Talese

This gentle introduction to discrete mathematics is written for first and second year math majors, especially those who intend to teach. The text began as a set of lecture notes for the discrete mathematics course at the University of Northern Colorado. This course serves both as an introduction to topics in discrete math and as the "introduction to proof" course for math majors. The course is usually taught with a large amount of student inquiry, and this text is written to

help facilitate this. Four main topics are covered: counting, sequences, logic, and graph theory. Along the way proofs are introduced, including proofs by contradiction, proofs by induction, and combinatorial proofs. The book contains over 360 exercises, including 230 with solutions and 130 more involved problems suitable for homework. There are also Investigate! activities throughout the text to support active, inquiry based learning. While there are many fine discrete math textbooks available, this text has the following advantages: It is written to be used in an inquiry rich course. It is written to be used in a course for future math teachers.

It is open source, with low cost print editions and free electronic editions.

If you could see into the future - would you look? Jenni Green doesn't have a choice. On her way to visit her best friend, Autumn, Jenni suddenly finds she's been transported exactly one year forward in time. Now she discovers that in the year that's gone by, tragedy has struck and her friendship with Autumn will never be the same again. But what caused the tragedy? How did Jenni skip a year? And can she find her way back to the past to try to change what lies ahead? With humour - and her customary light touch - the author of the EMILY

WINDSNAP books plays a fascinating game with time, and explores the changes that take place in friendships and families in the aftermath of a disaster.

David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically - - from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's

horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partners to the policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened.

Blue Moon

HarperCollins
 One of the earliest great stories of English literature after *Beowulf*, *Sir Gawain* is the strange tale of a green knight on a green horse, who rudely interrupts King Arthur's Round Table festivities one Yuletide, challenging the knights to a wager. Simon Armitage, one of Britain's leading poets, has produced an inventive and groundbreaking translation that "helps] liberate *Gawain* from academia" (*Sunday Telegraph*). *Sir Gawain and the Green Knight (A New Verse Translation)*

 Think you know your nursery rhymes? Then think again! In this witty reworking of some nursery rhymes, Georgie Porgie doesn't

dare to make the girls cry, Little Bo-Peep's sheep are all present and accounted for, thank you, and it's a female doctor, of course, who fixes Humpty Dumpty. With the combination of clever rhymes and charming, witty illustrations, this remixed nursery rhyme collection is the perfect gift book for any child (or adult!), to read aloud or enjoy alone.

A Season in the Highlands Jewel E Ann
Working-class stories are not always tales of the underprivileged

and dispossessed. *Common People* is a collection of essays, poems and memoir written in celebration, not apology: these are narratives rich in barbed humour, reflecting the depth and texture of working-class life, the joy and sorrow, the solidarity and the differences, the everyday wisdom and poetry of the woman at the bus stop, the waiter, the hairdresser. Here, Kit de Waal brings together thirty-three established and emerging writers who invite you to experience the world through their eyes, their voices loud and clear as they reclaim and redefine what it means to be working class. 1001 Children's Books You Must Read Before You Grow Up is the perfect introduction to the very best books of childhood: those books that have a special place in the heart of every reader. It introduces a wonderfully rich world of literature to parents and their children,

offering both new titles and much-loved classics that many generations have read and enjoyed. From wordless picture books and books introducing the first words and sounds of the alphabet through to hard-hitting and edgy teenage fiction, the titles featured in this book reflect the wealth of reading opportunities for children. Browsing the titles in 1001 Children's Books You Must Read Before You Grow Up will take you on a journey of discovery into fantasy, adventure, history, contemporary life, and much more. These books will enable you to travel to some of the most famous imaginary worlds such as Narnia, Middle Earth, and Hogwart's School. And the route taken may be

pretty strange, too. You may fall down a rabbit hole, as Alice does on her way to Wonderland, or go through the back of a wardrobe to reach the snowy wastes of Narnia.

Mixed Holiday House Magic and danger abound in the second book in a series of “fanciful, action-packed adventure” (Publishers Weekly, starred review) from the #1 New York Times bestselling author of the Fablehaven and Beyonders series. Cole Randolph never meant to come to The Outskirts, but when his friends were kidnapped on Halloween he had to try and save them. Now he’s trapped in a world that lies between wakefulness and dreaming, reality and imagination, life and

death. Cole’s hunt for his lost friends has led him to the kingdom of Elloweer. Accompanied by new friends Mira, Twitch, and Jace, Cole teams up with the resistance movement and joins the search for Mira’s sister Honor. But Elloweer has grown unstable. A mysterious enemy is wiping out towns, leaving no witnesses or survivors. And an infamous rebel known throughout the kingdom as the “Rogue Knight” is upsetting the balance of power. With enemies in pursuit, Cole and Mira must resort to a fascinating new kind of magic to protect themselves. Every move is filled with danger as Cole and his friends try to outwit the High King, who will stop at nothing to regain what he has lost.

“Tell anyone who asks that you’re half-black and half-white, just like David Hasselhoff from Knight Rider.”—Angela’s mother “Love has no color,” insist Angela Nissel’s parents, but does it have a clue? In this candid, funny, and poignant memoir, Angela recounts growing up biracial in Philadelphia—moving back and forth between black inner-city schools and white prep schools—where her racial ambiguity and doomed attempts to blend in dog her teen years. Once in college, Angela experiments with black activism (hoping to find clarity in extremism), capitalizes on her “exotic” look at a strip club, and ends up with a major case of the

blues (aka, a racial identity problem). Yet Angela is never down for the count. After moving to Los Angeles, she discovers that being multiracial is anything but simple, especially in terms of dating and romance. By turns a comedy of errors and a moving coming-of-age chronicle, *Mixed* traces one woman’s unforgettable journey to self-acceptance and belonging. Praise for *Mixed* "Mixed is a hilarious must-read for anyone searching for the enchanting path to self-discovery. Angela Nissel's precise account of living the mixed race experience not only hit home with me, but the journey is deliciously enlightening and heart-rending at the same time. It's a journey well worth

taking."—Halle Berry “I love Angela Nissel's writing. Reading *Mixed* was like getting a letter from a best friend I forgot I had. How ironic that a book written by someone who felt like no one "got" her will surely be one of those rare books everyone gets- black, white, both, neither. Hilarious, sweet, and honest, *Mixed* is the perfect read if you've ever felt like the one standing on the outside—and let's face it, who hasn't?"—Jill Soloway, author of *Tiny Ladies in Shiny Pants* "If David Sedaris was a straight biracial female, this is the book he'd write. This book is so funny I've already started telling people I helped Angela write it."—Bill Lawrence, creator of *Scrubs* “Nissel is humorous, poignant,

and proud yet also empathetic and generous as she recounts her constant struggle to answer the perennial question persons of mixed race seem required to ask of themselves in our society-where do I fit in?... All readers stand to learn from her account.”—Booklist “Colorful anecdotes, marvelous dialogue and a thoughtful narrative make this memoir a delight.”—Kirkus Reviews (starred review)

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway*:

Beyond the Goal by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-

country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's Dairy Queen and Miranda Kenneally's Catching Jordan."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus

Reviews “[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. Heldring writes with insight and restraint.”—The Horn Book
Cinderella and the Beanstalk Villard
Karla Sheehan follows the rule of the law. As a police constable in London she knows a criminal when she sees one. Lee Cross fits the description with his tattoos and bad boy attitude. He’s everything she should

avoid, yet his flirtatious charm manages to break past her defenses. Lee’s entire family have a reputation with the police and Karla knows she should stop what’s between them before it goes too far. The trouble is, she’s starting to develop feelings for Lee, feelings that make her reckless enough to risk her job. The closer she gets to him, the more she sees the true extent of his illegal activities. Before long Karla has to make a big decision, but should she follow her head or her heart?
