 Booster will help you to achieve it.

AQA GCSE (9-1) Combined Science Trilogy Student Collins Publishers

Specifically tailored for the 2016 AQA GCSE Science (9-1) specifications, this third edition supports
 your students on their journey from Key Stage 3 and through to success in the new linear GCSE
 qualifications. This series helps students and teachers to monitor progress, while supporting the
 increased demand, maths, and new practical requirements.

GCSE Biology for AQA (grade 9-1) HarperCollins UK

This Workbook will support and motivate students working towards grades 6-7 students to reach
 their full potential and achieve success with targeted questions and support. Exam Board: AQA Level
 & Subject: GCSE Science First teaching: September 2016 First exams: June 2018 - Provides plenty of
 practice opportunities for short- and long-answer questions on every topic - Helps students improve
 and focus their answers with worked examples - Further support from hints and tips on how to
 structure answers, provide the right level of detail and more The range of questions available
 encourages students to develop their skills in applying and analysing as well as recall. The workbook
 provides coverage of maths and practical skills as well as synoptic questions. Frequent support notes
 provide hints and tips on strategies for decoding questions (for example by identifying key words in
 the question), key terminology, and how to write explanations and give the right amount of detail.
