The Play of the Diary of Anne Frank Puffin

“A brilliantly conceived and long overdue opening up [or deconstruction] of the Anne Frank story.” —James Clifford, Professor Emeritus, History of Consciousness Department, University of California As millions of people around the world who have read her diary attest, Anne Frank, the most familiar victim of the Holocaust, has a remarkable place in contemporary memory. Anne Frank Unbound looks beyond this young girl’s words at the numerous ways people have engaged her life and writing. Apart from officially sanctioned works and organizations, there exists a prodigious amount of cultural production, which encompasses literature, art, music, film, television, blogs, pedagogy, scholarship, religious ritual, and comedy. Created by both artists and amateurs, these responses to Anne Frank range from veneration to irreverence. Although at times they challenge conventional perceptions of her significance, these works testify to the power of Anne Frank, the writer, and Anne Frank, the cultural phenomenon, as people worldwide forge their own connections with the diary and its author. “This collection of brilliant essays offers fascinating and unexpected insights into the significance of Anne Frank’s iconic Holocaust-era diary from many disciplinary perspectives in the arts and humanities.” —Jan T. Gross, the Norman B. Tomlinson Professor of War and Society, Princeton University “This volume is a major contribution to scholarship regarding Anne Frank’s diary and its cultural influence . . . Highly recommended.” —Choice “Engrossing . . . The overall aim is to provide a greater understanding of the general and particular engagement with Anne Frank as a person, a symbol, an icon, an inspiration, and perhaps most polarizing, as one victim, not the victim of the Nazi holocaust.” —Broadside

The Biography A&C Black

Not since *The Diary of Anne Frank* has there been such a book as this: The joyful but ultimately heartbreaking journal of a young Jewish woman in occupied Paris, now being published for the first time, 63 years after her death in a Nazi concentration camp. On April 7, 1942, Hélène Berr, a 21-year-old Jewish student of English literature at the Sorbonne, took up her pen and started to keep a journal, writing with verve and style about her everyday life in Paris — about her studies, her friends, her growing affection for the “boy with the grey eyes,” about the sun in the dewdrops, and about the effect of the growing restrictions imposed by France’s Nazi occupiers. Berr brought a keen literary sensibility to her writing, a talent that renders the story it relates all the more rich, all the more heartbreaking. The first day Berr has to wear the yellow star on her coat, she writes, “I held my head high and looked people so straight in the eye they turned away. But it’s hard.” More, many more, humiliations were to follow, which she records, now with a view to posterity. She wants the journal to go to her fiancé, who has enrolled with the Free French Forces, as she knows she may not live much longer. She was right. The final entry is dated February 15, 1944, and ends with the chilling words: “Horror! Horror! Horror!” Berr and her family were arrested three weeks later. She went — as was discovered later — on the death march from Auschwitz to Bergen-Belsen, where she died of typhus in April 1945, within a month of Anne Frank and just days before the liberation of the camp. The journal did eventually reach her fiancé, and for over fifty years it was kept private. In 2002, it was donated to the Memorial of the Shoah in Paris. Before it was first published in France in January 2008,

translation rights had already been sold for twelve languages. *Anne Frank on the Postwar Dutch Stage* Wakefield Press

She kept it from 12 June 1942 to 1 August 1944. In this diary, which she addressed to an imaginary friend called Kitty, Anne wrote about her life - first in Nazi-occupied Amsterdam and then, when the Nazi persecution of Jews forced her family into hiding, in the sealed-off back rooms of an Amsterdam office building, which they referred to as the Secret Annexe'. Anne had always dreamed of being a writer and hoped one day to publish her diary. This extract from the Definitive Edition of Anne's diary begins on Tuesday 10 November 1942.

"In celebrating the spirit of optimism that shines through the thoughts and dreams of one extraordinary thirteen-year-old during the darkest of times, Bernard Kops has created a dramatic masterpiece" (Time Out) "This play has been a catalyst in stimulating young people not only to question the past but also to confront the very real issues of racism today." (Jenny Culank, Artistic Director of Classworks Theatre, Cambridge) In 1942 Anne Frank, a young Jewish girl, was forced into hiding with seven others in a secret annexe in Amsterdam. *Dreams of Anne Frank* vividly brings her story to life in a poignant and highly charged drama. Using actors, movement and song Bernard Kops re-imagines and explores Anne Frank's hidden world, a world in

which she lived, fell in love and dreamed of freedom. *Dreams of Anne Frank* won the 1993 Time Out award for best children's production and has been performed around the world.

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and

thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Anne Frank's Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

This book is a case study into the affective history of Holocaust drama offering a new perspective on the impact of *The Diary of Anne Frank*, the pivotal 1950s play that was a turning point in Holocaust consciousness. Despite its overwhelming success, criticism of the Broadway makeover has been harsh, suggesting that the alleged Americanization would not do justice to the violence of the Holocaust or Anne Frank's budding Jewishness.

This study revisits these issues by focusing on the play's European appropriation delving into the emotional intensity with which the play was produced and received. The core of the exploration is a history of the Dutch staging in ethnographic detail, based on unique archival material such as correspondence with Otto Frank, prompt books, original tapes, blueprints of the set and oral history. The microhistory of the first Dutch performance of the stage adaptation of Anne Frank's diary examines the staging in the context of the postwar hesitant development of publicly voiced Holocaust consciousness. Influenced by memory studies and affect theory, the emphasis is on the emotional impact of the drama on both the members of the cast and the audience and will be of great interest to students and scholars in theater and performance studies, memory studies, cultural history, Jewish studies, Holocaust studies and contemporary European history.

The WWII reporter and "most significant American Jewish writer of his time" recounts his decades-long battle to stage Anne Frank's diaries (Los Angeles Times). As a war correspondent in Europe during World War II, Meyer Levin was among the first to report on the horrors of Nazi occupation. Also a successful novelist, he desperately wanted to bear witness to what he saw in literary form. Then, in 1951, he read *The Diary of a Young Girl* by Anne Frank. It was precisely the voice he had been searching for—and he became determined to bring Anne's story to America

as a Broadway play. The Obsession is Levin's candid account of this ill-fated project and the mania to see it through that gripped him for twenty years. Though Levin began writing his adaptation with the support of Anne's father, Otto, he was eventually replaced with non-Jewish writers. Refusing to let Anne's story be sanitized, Levin fought for his version in and out of courtrooms in a protracted battle that nearly destroyed both his family and his career. In this extraordinary memoir, Levin explores the nature of Jewishness, the price of assimilation, the writer's obligation to himself and to his subject, and the search for identity and purpose.

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website,

PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

"A definitive, deeply moving inquiry into the life of the young, imperiled artist, and a masterful exegesis of Diary of a Young Girl...Extraordinary testimony to the power of literature and compassion" --Booklist (starred review) In Anne Frank: The Book,

Examines Levin's claims that the stage adaptation of Anne Frank's diary rejected a Jewish treatment of the work in favour of a play with a universal message. The text establishes the bias of the opposition to Levin and places the issue in the context of the wider cultural struggle of the 1950s.
