MELODY ALEXIS

Saunders 2020-2021 Strategies for Test Success - E-Book Simon and Schuster

The most streamlined, portable, and easy-to-use drug guide to help you pass the NCLEX-RN! This pocket-sized review for prospective nurses gives you the focused, key information you need to know about medications commonly seen on the test. Kaplan's NCLEX-RN Drug Guide includes: Generic names, brand names, phonetic pronunciations, and drug families for 300 frequently tested medications Concise nursing considerations and must-know side effects for each medication NEW! Expert guidance for studying drugs

effectively Pregnancy risk category and controlled substance schedule for every drug Common medical abbreviations you'll use on the job Abbreviations to avoid when recording medication orders Terms are grouped by medication category, and each page features two terms with the complete explanations. With Kaplan's NCLEX-RN Drug Guide, you know you are getting the most up-to-date, expert information available to prepare for the exam!

Hesi/Saunders Online Review for the NCLEX-RN Examination 2 Year Access Code Test Prep Books
 NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and

bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The product reviews core curriculum concerns and more than 3,000 questions that prompt active learning and higher-order thinking. Questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott

PassPoint-RN.

Illustrated Study Guide for the NCLEX-PN Examination Elsevier

Mometrix Test Preparation's NCLEX RN 2021 and 2022 Secrets Study Guide is the ideal prep solution for anyone who wants to pass their National Council Licensure Examination for Registered Nurses. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all NCLEX test sections Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your NCLEX exam: the concepts, procedures, principles, and vocabulary that the National Council of State Boards of Nursing (NCSBN) expects you to have mastered before sitting for your exam. Test sections include: * Management of Care * Safety and Infection Control * Health Promotion and Maintenance * Psychosocial Integrity * Physiological Integrity * Pharmacological and Parenteral Therapies * Reduction of Risk Potential * Physiological Adaptation ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix NCLEX study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of NCLEX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their

education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our NCLEX RN 2021 and 2022 Secrets Study Guide is no exception. It's an excellent investment in your future. Get the NCLEX review you need to be successful on your exam.

2022-2023 Clinical Judgment and Test-Taking Strategies - E-Book Elsevier

Master the Pharmacology Concepts You'll Encounter on Your Licensure Exam! Reinforce your understanding and ready yourself for success with this comprehensive review of critical pharmacology content covered on the NCLEX-RN®. Illustrated Study Guide for the NCLEX-PN Examination Elsevier Health Sciences

Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) - allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on

Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.

4 Weeks to NCLEX® Workbook and Study Planner Elsevier Health Sciences Testing Strategies for the NCLEX-PN Examination chapter addresses the challenges of the Next Generation NCLEX® and provides targeted strategies for success. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. More than 2,000 review questions on the companion Evolve website are available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. Examples of Next Generation NCLEX-style questions on the companion Evolve website familiarize you with these new types of questions. Answers and rationales are provided for all review questions. Test Alert! boxes highlight key concepts frequently found on the NCLEX examination. Alternate item format questions on the companion Evolve website prepare you for these question types on the NCLEX examination. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders and identify content on self-care and home care. A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination.
