The Lost Letter from Morocco Century

Frieda Ekotto, Kenneth W. Harrow, and an international group of scholars set forth new understandings of the conditions of contemporary African cultural production in this forward-looking volume. Arguing that it is impossible to understand African cultural productions without knowledge of the structures of production, distribution, and reception that surround them, the essays grapple with the shifting notion of what "African" means when many African authors and filmmakers no longer live or work in Africa. While the arts continue to flourish in Africa, addressing questions about marginalization, what is center and what

periphery, what traditional or conservative, and what progressive or modern requires an expansive view of creative production.

Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and lyrics by Tim Minchin.

LIMITED AUTOGRAPHED EDITION This is the original unedited manuscript of the 1985 bestselling novel by Joshua Sinclair which was adapted by him into the legendary television series by the same name. This true story chronicles with mythic detail the life of Shaka Zulu, the greatest African leader in history. Framed around Queen Victoria's decision on England's political stance towards the Zulu Nation, the novel starts with Shaka's illegitimate birth, taking us through his difficult childhood, his obsessive

attachment to his mother Nandi, to his overthrow of the leadership of the Zulu nation. Building on his innovative methods of warfare, King Shaka established the most disciplined standing army in the history of Mankind (over one million strong at any given time) expanding the Zulu domain from a small tribe of less than 2,000 to an empire greater than that of Napoleon encompassing much of what is now south-east Africa. Mixing prophecy with oral tradition, the author, Joshua Sinclair, spans four decades of Africa's History dramatically punctuating the rise and fall of the one of most formidable empire this world has ever known.

A book for comic lovers and Japanophiles of all ages, *Diary of a Tokyo Teen* presents a unique look at modern-day Japan through a young woman's eyes. Born in Tokyo to a Japanese mother and an American father in 1997, Christine Mari Inzer spent her early years in Japan and relocated to the United States in 2003. The summer before she turned sixteen, she returned to Tokyo,

making a solo journey to get reacquainted with her birthplace. Through illustrations, photos, and musings, Inzer documented her journey. In *Diary of a Tokyo Teen*, Inzer explores the cutting-edge fashions of Tokyo's trendy Harajuku district, eats the best sushi of her life at the renowned Tsukiji fish market, and hunts down geisha in the ancient city of Kyoto. As she shares the trials and pleasures of travel from one end of a trip to the other, Inzer introduces the host of interesting characters she meets and offers a unique—and often hilarious—look at a fascinating country and an engaging tale of one girl rediscovering her roots. **Listed as a 2016 Great Graphic Novel for Teens by the Young Adult Library Services Association**

DIARY OF A CHEATING WIFE is a scandalous funny and yet a beautiful love triangle tale of a gorgeous young girl from a small town in KZN. Her name is Nobuhle. Infidelity, lust, love, sex, greed for money, love triangles, secrets, witchcraft and polygamy are just some of the words to describe this book. Nobuhle is coerced to marry a wealthy man in order to assist her family financially. She, however, falls head over heels in love with another man. Her life soon becomes a scandal when she has to juggle her two personas. How long can she keep leading this double life? The book explores the controversial topic of polygamous marriages and the stigma attached to the greed of money. It searches how life's trials and tribulations can lead one to desperation and end up doing the unthinkable, such as using forms of traditional medicine to acquire happiness and satisfaction.

Ever heard of a culling song? It's a lullaby sung in Africa to give a painless death to the old or infirm. The lyrics of a culling song kill, whether spoken or even just thought. You can find one on page 27 of *Poems and Rhymes from Around the World*, an anthology that is sitting on the shelves of libraries across the country, waiting to be picked up by unsuspecting readers. Reporter Carl Streater discovers the song's lethal nature while researching Sudden Infant Death Syndrome, and before he knows it, he's reciting the poem to anyone who bothers him. As the body count rises, Streater glimpses the potential catastrophe if someone truly malicious finds out about the song. The only answer is to find and destroy every copy of the book in the country. Accompanied by a shady real-estate agent, her Wiccan assistant, and the assistant's truly annoying ecoterrorist boyfriend, Streater begins a desperate cross-country quest to put the culling song to rest.

"If you're looking for an easy charmer, this is the novel for you."—Shondaland
When their foster-turned-adoptive mother suddenly dies, four brothers struggle to keep open the doors of her beloved Harlem knitting shop. Jesse Strong is known for two things: his devotion to his adoptive mom, Mama Joy, and his reputation for breaking hearts. When Mama Joy unexpectedly passes away, he and his brothers have different plans for what to do with Strong Knits, their neighborhood knitting store. Jesse wants to keep the store open. His brothers want to tie off loose ends and close shop.... Part-time shop employee Kerry Fuller has kept her crush on Jesse a secret. When she overhears his impassioned plea to his brothers to keep the knitting shop open, she volunteers to help. Unlike Jesse, Kerry knows the "knitty-gritty" of the business, and together they make plans to reinvent Strong Knits for a new generation. But the more time they spend together, the stronger the chemistry builds between them. Kerry, knowing Jesse's history, doesn't believe their relationship can last longer than she can knit one, purl two. But Jesse is determined to prove to her that he can be the man for her forever and always. After all, real men knit.

Rediscover the diversity of modern African literatures with this authoritative resource edited by a leader in the field
How have African literatures unfolded in their rich diversity in our modern era of decolonization, nationalisms, and extensive transnational movement of peoples? How have African writers engaged urgent questions regarding race, nation, ethnicity, gender, and

sexuality? And how do African literary genres interrelate with traditional oral forms or audio-visual and digital media? A Companion to African Literatures addresses these issues and many more. Consisting of essays by distinguished scholars and emerging leaders in the field, this book offers rigorous, deeply engaging discussions of African literatures on the continent and in diaspora. It covers the four main geographical regions (East and Central Africa, North Africa, Southern Africa, and West Africa), presenting ample material to learn from and think with. A Companion To African Literatures is divided into five parts. The first four cover different regions of the continent, while the fifth part considers conceptual issues and newer directions of inquiry. Chapters focus on literatures in European languages officially used in Africa -- English, French, and Portuguese -- as well as homegrown African languages: Afrikaans, Amharic, Arabic, Swahili, and Yoruba. With its lineup of lucid and authoritative analyses, readers will find in A Companion to African Literatures a distinctive, rewarding academic resource. Perfect for undergraduate and graduate students in literary studies programs with an African focus, A Companion to African Literatures will also earn a place in the libraries of teachers, researchers, and professors who wish to strengthen their background in the study of African literatures.

Hlomu the wife is essentially a love story that takes its cues from life in a South African township. A young woman named Mahlomu meets Mqhele Zulu and they fall in love. Even though aspects of Mqhele's personality and past make her uncomfortable, Hlomu is happy. Their love is strong and they stand by each other through

good and bad. But Mqhele and his seven brothers have a dark and tumultuous past that involves a dead warlord father, mob justice, and lots of unaccounted-for money. The Zulu brothers are rich, handsome, powerful and dangerous. They eventually become one of the wealthiest and most powerful families in Johannesburg - but the inherent danger remains.

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small

Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

Diary of a Zulu Girl HarperCollins

The militarized legacy of the digital cloud: how the cloud grew out of older network technologies and politics. We may imagine the digital cloud as placeless, mute, ethereal, and unmediated. Yet the reality of the cloud is embodied in thousands of massive data centers, any one of which can use as much electricity as a midsized town. Even all these data centers are only one small part of the cloud. Behind that cloud-shaped icon on our screens is a whole universe of technologies and cultural norms, all working to keep us from noticing their existence. In this book, Tung-Hui Hu examines the gap between the real and the virtual in our understanding of the cloud. Hu shows that the cloud grew out of such older networks as railroad tracks, sewer lines, and television circuits. He describes key moments in the prehistory of the cloud, from the game “Spacewar” as exemplar of time-sharing computers to Cold War bunkers that were later reused as data

centers. Countering the popular perception of a new “cloudlike” political power that is dispersed and immaterial, Hu argues that the cloud grafts digital technologies onto older ways of exerting power over a population. But because we invest the cloud with cultural fantasies about security and participation, we fail to

recognize its militarized origins and ideology. Moving between the materiality of the technology itself and its cultural rhetoric, Hu's account offers a set of new tools for rethinking the contemporary digital environment.
