 It's All Connected Math Connects is intended for use in all elementary math classes as a balanced basal approach to teaching mathematics. Math Connects is the elementary portion of the vertically aligned PreK to 8 Math Connects program from Macmillan/McGraw-Hill and Glencoe. This program is designed to excite your students about learning mathematics while at the same time providing you, the teacher, with all the tools and materials you will need to teach the program. Your students will be motivated as they solve real-world problems such as creatures under the sea; emperors of the ice; and roller coaster physics. A variety of teacher materials are available to meet the needs of all your students, from early finisher to English learner

Macmillan/McGraw-Hill Math, Grade K, Daily Practice Workbook McGraw-Hill Education

Daily practice is correlated to each lesson in the pupil edition and includes summer skills refresher lessons. Helps students practice problems learned in the lesson Grades K-6; One book for each grade level
