The Upper Level ISEE can
be a very challenging test.
Extra practice can make

all the difference between
a good score and a great
score. That's why this

book has more questions
than even 10 full-length
exams - well over 1,500

practice questions

dedicated only to the

Upper Level ISEE. You
won't find any material in
this book related to

another test - there's no
filler here! In this book
you will find: * A bonus

diagnostic test, to help
you pinpoint the areas in
most need of

improvement. * Critical
skills and concepts broken
out by topic, so you can

zero-in on key areas. *
Questions that progress in
difficulty, to help you

expand your knowledge
base and prepare for
tough questions. * Helpful

hints and suggestions, to
help you make sense of
the material. * A bonus

practice test, to help familiarize yourself with the real thing. This book can be used for independent practice or for study with a professional educator. For best results, we recommend using this book with a tutor or teacher who can help you learn more about new or particularly challenging topics. Though there is an answer key for all questions, this edition does not have detailed answer explanations included.
