Covenant DefinitionThe types of crime committed are a function of what is available to the potential offender. Thus, those employed in relatively unskilled environments have fewer opportunities to exploit than those who work in situations where large financial transactions occur. Blue-collar crime tends to be more obvious and thus attracts more active police attention such as vandalism or shoplifting.

Security Risk Management - an overview | ScienceDirect TopicsOne last important thing to note is how a person goes through the cycle of stress. Figure 13.3 “The Stress Curve” shows an example of how stress is good up to a point, but beyond that point, the person is fatigued and negatively affected by the stress. Bear in mind, this varies from person to person based on personality type and stress-coping mechanisms.
