Grace is

supposed to
be amazing,
but all too
often the
Christian life
can be more
about keeping
stuffy rules
than enjoying
a relationship
with Christ.
The tendency
to add works
to salvation
has been a
thorny
problem since
the gospel
was first
preached.
Legalism--the
doctrine of
salvation by
works--robs
the Christian
of the grace-
filled life. The
book of
Galatians is
like an
emancipation
proclamation

that says, "If
the Son has
set you free,
then you are
free at last!"
The liberating
message of
Galatians says
believers are
free from sin,
regulations,
and guilt. Free
from the need
to measure
up. Free to be
loved by
Christ and
changed by
his grace.
Galatians is a
guide for
recovering
Pharisees, and
in Free at Last
, Derrick
McCarson
takes us on a
verse-by-
verse journey
through Paul's
bondage-
busting

<p>manifesto. You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago. While the culture has changed much in those intervening years, mankind's inherent desire for performance-based religion has not. This book is a timely reminder to Christians everywhere that if we aren't living by grace, then we have succumbed to</p>	<p>spiritual slavery. How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing:
• Individual words - spelling variations, hyphenation,

frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings • Punctuation - the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity • Syntax and structure - agreement of subject and verb, parallel

construction, modifiers, tenses, pronouns, active versus passive voice, and more • Style - advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and clichés, and subtlety Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness,

focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach

is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again - unintentionally.
