Communicative Fluency Activities for Language Teaching Random House Childrens Books

"With a focus on goal-directed, purpose-driven reading conferences, the author shows how form follows function--the structure of each conference is clearly designed to serve its purpose. Through "Researcher Spotlights" in each chapter, she'll also introduce you to a few of the teaching mentors and researchers who've had a profound influence on her work. The author describes different types of conferences, some designed for individuals, others for small groups. Some are used during independent reading time, others during partnership or club time. One can read the chapters in order or dip into the chapter that best suits their needs and purpose"--

This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader. Junie B. Jones and the Stupid Smelly Bus Random House Books for Young

Readers

This rhyming, brightly illustrated book is the perfect way to practice the alphabet and to introduce young children to kindergarten. It's the first day of kindergarten and Miss Bindergarten is hard at work getting the classroom ready for her twenty-six new students. Meanwhile, Adam Krupp wakes up, Brenda Heath brushes her teeth, and Christopher Beaker finds his sneaker. Miss Bindergarten puts the finishing touches on the room just in time, and the students arrive. Now the fun can begin! "Multifaceted and appealing, this book can be enjoyed in many ways, at home and at school." --The New York Times Book Review For readers of *Kindergarten, Here I Come* and *The Night Before Kindergarten*.

Game Day Penguin

What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stop, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words, *From Head to Toe* introduces the basic body parts and

simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself From Head to Toe. A Main Selection of the Children's Book-of-the-Month Club Kindergarten, Here We Come! Teaching Resources

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, Goodnight Moon is a must for every bookshelf and a time-honored gift for baby showers and other special events.
