 When a family spends a day at the beach, the children investigate various footprints to see what type of creatures live along the shoreline. Rhyming text turns a sandy beach into an outdoor classroom. The tracks and habits of local wildlife, including hopping sandpipers, scuttling crabs, and burrowing turtles, are identified and explained for young ecology detectives. Even Daddy's feet make an appearance! And at day's end, it's time for tired feet to make their way home. STEM-based back matter includes information on how clues

like footprints can identify the type of wildlife inhabiting any given habitat.

A defining moment. Perhaps you've had one, an experience that explains who you are today. God had a defining moment. His Son died on the cross for our sins, changing history and his relationship with mankind. Still, his forgiveness, love and sacrifice are concepts unfamiliar to much of the world. Ignorant of such grace, society bombards us with the daily temptation to measure up or perform. When we fail to achieve the desired results, we struggle to feel God's grace. This is especially true when life hits us hard through tragedy, unfortunate events and prolonged suffering—we question; we wonder; we misunderstand his amazing grace. This can cause us to battle shame, self-doubt and bitterness. When dark times come, are you able to find strength in God's grace? Do you defeat insecurity, lack of self-worth and guilt through your view of grace? Have you seen your Lord's footprints in the sand when you look back at the most difficult times in your life? Do your struggles and disappointments bring you to a deeper understanding of his grace? In "Footprints in the Sand: God's Grace to Women in an Ungracious World", Erica Kim starts with a defining moment in her personal life—the tragic death of her mother—to describe her journey to rediscover God's grace. Through poignant true-life stories and teachings about women in the Bible, you will be led from the book of Genesis to the cross to see without a doubt how God has carried each one of us in his arms through every dark and hopeless moment to help you to experience fulfillment and spiritual growth.

When Henry Nalaielua was diagnosed with Hansen's disease in 1936 and taken from his home and family, he began a journey of exile that led him to Kalaupapa—the remote settlement with the tragic history on the Hawaiian island of Molokai. During its century as a virtual prison, more than 8,000 people were exiled to Kalaupapa, until the introduction of sulfone drugs in the 1940s. Today fewer than 30 patients remain. This is Henry's story—an unforgettable memoir of the boy who grew to build a full and joyous life at Kalaupapa, and still calls it home today. No Footprints in the Sand is one of only a few memoirs ever shared with the public by a Kalaupapa patient. Its intimacy and candor make it, in the words of Pulitzer Prize-winning poet W.S. Merwin, "a rare and precious human document." Nalaielua's story is an inspiring one; despite exile,

physical challenges and the severing of family ties, he has faced life—as an artist, musician and historian—with courage, honesty, hope and humor.

What about her cousin's future stepfather—or even the bridegroom himself? As Piper gets close to figuring out who's been covering his guilty footprints in the sand, the cunning killer has already set his sights on Piper as his next victim!

For well over a century and in various forms, "Footprints in the Sand" has comforted many through difficult times. Whether as a poem, a song, or a sermon

illustration, it has served as a gentle reminder of our Lord's faithfulness during our struggles and trials. Here is the text, as it appears on the cover of this journal, notebook, or diary: One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there was one only. This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints, so I said to the Lord, "You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there has only been one set of footprints in the sand. Why, when I needed you most, have you not been there for me?" The Lord replied, "The years when you have seen only one set of footprints, my child, is when I carried you." 'I have fallen completely in love with Judith Lennox's writing - she's a fantastic storyteller!' Jill Mansell  
With the onset of war, everything changes... Judith Lennox writes an unforgettable novel of enduring

love and the tides of fortune in the compelling novel *Footprints on the Sand*. Perfect for fans of Dinah Jefferies and Lucinda Riley. The Mulgraves are a rootless, bohemian family who travel the continent, staying in crumbling Italian palazzos, Spanish villas, French vineyards - belonging nowhere, picking up friends and hangers-on as they go, and moving on when Ralph Mulgrave's latest enthusiasm dwindles. Faith, the eldest child of the family, longs for a proper home. But in 1940, Germany invades France and the Mulgraves are forced to flee to England. Faith and her brother Jake go to London, while Ralph reluctantly settles in a Norfolk cottage with the remnants of his family. In the intense and dangerous landscape of wartime London Faith finds work as an ambulance driver, and meets once again one of Ralph's retinue from those distant and, in retrospect, golden days of childhood. Through war and its aftermath, it is Faith on whom the family relies, Faith who offers support and succour, and Faith who is constant and true in her love. What readers are saying about *Footprints on the Sand*: 'Curl up and get lost in this wonderfully written book that takes you from early 1900 through to the 1960s' '[Judith Lennox] can paint a picture so vividly in your mind, make you care about her characters, make you feel the anguish, the partings, the love that is taken away and then given back. A wonderful read' 'Such wonderful escapism - well written and compelling!'

The millions of people who have cherished and drawn hope from the poem *Footprints in the Sand* will now find added strength in reading the story of its previously unknown author. Mary Stevenson lived the message in her poem she wrote in the early 1930s. After losing her mother and the brother she was close to while she was still an impetuous little girl, Mary's troubles with her strict, demanding father increased. She married to escape her home life, then fled again to save herself and her child from abuse and near-starvation from a husband who kept her prisoner in their apartment. Through it all, the Lord's love reached out to her, carrying her when her load was too heavy. And in the end, her example of spiritual and personal triumph, like her poem, is an inspiring story of renewal.
