## GROSS AUGUST

*New York Debbie Friedman Favorites Arranged for Piano*

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*Sweet Potato Post-Harvest Assessment* DIANE Publishing

This two-volume reference describes the role of women in all types of music in the U.S. since 1900. The alphabetically-arranged entries cover important individuals (chosen for the significance of their contributions rather than for their popularity), biographical overviews, gender issues, education, music genres, honors and awards, organizations and professions. Entries (ranging from half a page to several pages in length) conclude with a short list of further readings, and about 100 are accompanied by a b & w photograph. A historical overview and a chronology are also included. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

**Kol Han'shamah - Band Volume I** SkyLight Paths Publishing

**Rum Punch** Time Inc. Books

Another great addition to the Avrahm Galper Clarinet Series, here Avrahm presents 42 fantastic Klezmer tunes to add to your repertoire. All arranged for clarinet and B-Flat instruments in easy to read notation, all on single pages to avoid awkward page turns. Intermediate in difficulty.

*Tikkun* St. Martin's Griffin

Foreword by Ben Stiller Afterword by Perry Farrell Jewish achievement in the sciences? Celebrated.

Jews in literature? Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll. *Jews Who Rock* features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data

and a biography of each one. Includes the complete lyrics to "The Chanukah Song" by Adam Sandler

**Billboard** Menopause Mondays LLC

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

*Shirim Al Galgalim* Harmony

Who are our Jewish heroes? Who inspires us, makes us think, gives us hope? Who is making a difference in the Jewish world? Here are the profiles of twenty-seven accomplished individuals dedicated to improving our world.

**Songs on Wheels** Chronicle Books

Gives voice and image to the women who are changing America's spiritual landscape, including pioneering minister Bishop Leontine Kelly, Yoruba priestess Luisa Teish, media star Iyanla Vanzant, best-selling author Marianne Williamson, ashram leader Ma Jaya, and many other women who lead traditional and nontraditional communities.

Containing rare photos and memorabilia from Parton's archives, this book is a show-stopping must-have for every Dolly Parton fan. • Learn the history behind classic Parton songs like "Jolene," "9 to 5," "I Will Always Love You," and more. • The perfect gift for Dolly Parton fans (everyone loves Dolly!) as well as lovers of music history and country Add it to the shelf with books like *Coat of Many Colors* by Dolly Parton, *The Beatles Anthology* by The Beatles, and *Born to Run* by Bruce Springsteen.

**Klezmer Book** Sounds Write Productions Incorporated

Part of the story is a true memoir of a heartbreaking childhood because of a strangely abusive mother. There is a mother-child problem one can only call sensational because of its shocking dimensions. This story also is part of other true life stories of women from dysfunctional families. The women are survivors. And they are complicated, juicy, compelling and remarkably diverse. As the story moves from Los Angeles to the Middle East this contemporary story takes on the theme of nationalism versus the true meaning of home, homeland, and our true connections to each other.

(Tara Books). Volume 2 continues with more Israeli love songs, liturgical standards like the moving "Bilvavi, L'chi Lach" by Debbie Friedman, and several Yiddish and Ladino selections.

### **The Southern Vegetable Book** Oxford University Press on Demand

"This official book of photographs houses the 50-year collection of the most iconic and beloved photographs taken by prolific fashion photographer Bill Cunningham, the King of Street Style. The iconic Bill Cunningham was known for wearing a blue work jacket and riding a bicycle around New York City as he captured cutting-edge street style (before street style was even a thing). He took pictures for The New York Times from 1978 until his death in 2016 and wrote the beloved columns "On the Street" and "Evening Hours," which began in 1989. This book will be an oversized collection of Bill's hallowed photography--a mixture of published and unpublished--organized by decade with essays by and about Bill's muses and subjects like Anna Wintour, Cathy Horyn, Vanessa Friedman, and Ruth La Ferla. Every fashion lover and fashionista--from NYC and beyond--will have to add this book to their collection"--

*My Life in Lyrics* Storey Publishing

"Powerful...clever...astounding...a delicious read." —Detroit Free Press Rum Punch is classic Elmore Leonard—the electrifying thriller that served as the basis for the acclaimed film Jackie Brown by director Quentin Tarantino, starring Pam Grier, Robert DeNiro, and Samuel L. Jackson. Leonard's story of a not-altogether-blameless flight attendant on the run from her vicious gun-running sometime employer who sees her as a troublesome loose end, Rum Punch is "the King Daddy of crime writers" (Seattle Times) at his sharpest and most ingeniously entertaining. In fact, People magazine calls it, "Leonard's best work. He brilliantly reaffirms his right to the title of America's finest crime fiction writer." Enjoy this sensational noir winner from the creator of the character of U.S. Marshal Raylan Givens, lately of TV's hit series Justified, and see why the great Elmore Leonard stands tall in the company of America's most legendary crime fiction masters: John D. MacDonald, Dashiell Hammett, James M. Cain, et al.

*MENOPAUSE MONDAYS* Harper Collins

Across the United States, Jews come together every week to sing and pray in a wide variety of worship communities. Through this music, made by and for ordinary folk, these worshippers define and re-define their relationship to the continuity of Jewish tradition and the realities of American life. Combining oral history with an analysis of recordings, *The Lord's Song in a Strange Land* examines this tradition in contemporary Jewish worship and explores the diverse links between the music and both spiritual and cultural identities. Alive with detail, the book focuses on metropolitan Boston and covers the full range of Jewish communities there, from Hasidim to Jewish college students in a transdenominational setting. It documents a remarkably fluid musical tradition, where melodies are often shared, where sources can be as diverse as Sufi chant, Christmas carols, rock and roll, and Israeli popular music, and where the meaning of a song can change from one block to the next.

*The Female Brain* Workman Publishing

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of

experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

*Judaica Sound Recordings in the Harvard College Library: Subject index* Greenwood

For Ellen Dolgen, menopause education is a mission. Spurred by her own experience struggling with the symptoms of menopause, Dolgen has devoted the last ten years of her life to helping other women during this often difficult time. While she's not a doctor or scientist, she's "talked the talk" with countless menopause experts, so that she can "walk the menopause walk" with you and share the keys to this menopause kingdom. Together with her son, Jack, she created this new, comprehensive guide to all things menopause—the symptoms, the treatments, the long-range effects on a woman's health. Dolgen shares the expertise of numerous specialists to replace confusion and embarrassment with medically sound solutions, presented in an entertaining and informative way. You'll find detailed descriptions and treatments for the symptoms you or your loved one may experience, from hot flashes and mood swings to mental foggy and loss of libido, and lots more in between. In addition to sharing the latest research and proven treatments, Dolgen offers guidance to finding a menopause specialist who's right for you, and she provides a clear explanation of what tests to ask for. You'll also learn about the latest studies on hormone replacement as well as alternative therapies and remedies. Finally, Dolgen shares the real-life experiences of women—and those who love them—as they traverse the crazy ups and downs of perimenopause and menopause. Her motto is: Suffering in silence is OUT! Reaching out is IN!

*Books in Print* Artisan Books

The bestselling *Emotion Thesaurus*, often hailed as "the gold standard for writers" and credited with transforming how writers craft emotion, has now been expanded to include 56 new entries! One of the biggest struggles for writers is how to convey emotion to readers in a unique and compelling way. When showing our characters' feelings, we often use the first idea that comes to mind, and they end up smiling, nodding, and frowning too much. If you need inspiration for creating characters' emotional responses that are personalized and evocative, this ultimate show-don't-tell guide for emotion can help. It includes: • Body language cues, thoughts, and visceral responses for over 130 emotions that cover a range of intensity from mild to severe, providing innumerable options for individualizing a character's reactions • A breakdown of the biggest emotion-related writing problems and how to overcome them • Advice on what should be done before drafting to make sure your characters' emotions will be realistic and consistent • Instruction for how to show hidden feelings and emotional subtext through dialogue and nonverbal cues • And much more! The *Emotion Thesaurus*, in its easy-to-navigate list format, will inspire you to create stronger, fresher character expressions and engage readers from your first page to your last.

By showing that kitchen skill, and not budget, is the key to great food, *Good and Cheap* will help you eat well—really well—on the strictest of budgets. Created for people who have to watch every dollar—but particularly those living on the U.S. food stamp allotment of \$4.00 a day—*Good and Cheap* is a cookbook filled with delicious, healthful recipes backed by ideas that will make everyone who uses it a better cook. From Spicy Pulled Pork to Barley Risotto with Peas, and from Chorizo and White Bean Ragù to Vegetable Jambalaya, the more than 100 recipes maximize every ingredient and teach economical cooking methods. There are recipes for breakfasts, soups and salads, lunches, snacks, big batch meals—and even desserts, like crispy, gooey Caramelized Bananas. Plus there are tips on shopping smartly and the minimal equipment needed to cook successfully. And when you buy one, we give one! With every copy of *Good and Cheap* purchased, the publisher will donate a free copy to a person or family in need. Donated books will be distributed through food charities, nonprofits, and other organizations. You can feel proud that your purchase of this book supports the people who need it most, giving them the tools to make healthy and delicious food. An IACP Cookbook Awards Winner.
