More than a dozen ammonia/urea projects based on gas as well as coal are under consideration. For example Coal India Limited (CIL) and National Thermal Power Corporation (NTPC) have recently entered into a joint venture to revive Fertilizer Corporation of India's fertilizer . coal based urea fertilizer plant The ammonia and urea industry is under supply pressure. Due to ongoing environmental restrictions in China's coal sector, consumers are switching to less polluting gas-based heating methods. This has naturally impacted the operations of gas-based ammonia and downstream producers in the country, as more gas volumes continued to be preferentially directed to the heating industry. Advancements in the Asian Fertilizer Market: Part 2 ... Nexant believes that the Middle East's total urea demand

will grow close to 3% per year up to 2025, faster than the 1% growth per year experienced in the 2000 - 2017 period. The region's growing population and consequent food demand will drive regional growth for urea in the direct application segment, which accounts for approximately 80% of the total urea consumption in the Middle East.
